“ Kraus gets under your skin with brutal, elegant efficiency. Necessarily horrifying, devastatingly timely. ” —Kiersten White, New York Times- bestselling author of *The Dark Descent of Elizabeth Frankenstein* and *Slayer*  
From New York Times- bestselling author Daniel Kraus comes a breakneck, genre-defying YA thriller perfect for fans of Kiersten White, Neal Shusterman, and M. T. Anderson. Liv Fleming ’ s father went missing more than two years ago, not long after he claimed to have been abducted by aliens. Liv has long accepted that he ’ s dead, though that doesn ’ t mean she has given up their traditions. Every Sunday, she and her lifelong friend Doug Monk trudge through the woods to check the traps Lee left behind, traps he set to catch the aliens he so desperately believed were

after him. But Liv is done with childhood fantasies. Done pretending she believes her father ’ s absurd theories. Done going through the motions for Doug ’ s sake. However, on the very day she chooses to destroy the traps, she discovers in one of them a creature so inhuman it can only be one thing. In that moment, she ’ s faced with a painful realization: her dad was telling the truth. And no one believed him. Now, she and Doug have a choice to make. They can turn the alien over to the authorities...or they can take matters into their own hands. On the heels of the worldwide success of *The Shape of Water*, Daniel Kraus returns with a horrifying and heartbreaking thriller about the lengths people go to find justice and the painful reality of grief. “ Bent Heavens is the darkest, angriest alien horror story that I've ever encountered.

Hell. Yes. ” —Stephanie Perkins, New York Times- bestselling author of *There's Someone Inside Your House*  
Hum Read Books Ltd  
One of the greatest challenges for English language arts teachers today is the call to engage students in more complex texts. Tim Gillespie, who has taught in public schools for almost four decades, has found the lenses of literary criticism a powerful tool for helping students tackle challenging literary texts. Tim breaks down the dense language of critical theory into clear, lively, and thorough explanations of many schools of critical thought---reader response, biographical, historical, psychological, archetypal, genre based, moral, philosophical, feminist, political, formalist, and postmodern. *Doing Literary Criticism* gives each theory its own chapter with a brief,

teacher-friendly overview and a history of the approach, along with an in-depth discussion of its benefits and limitations. Each chapter also includes ideas for classroom practices and activities. Using stories from his own English classes--from alternative programs to advance placement and everything in between--Tim provides a wealth of specific classroom-tested suggestions for discussion, essay and research paper topics, recommended texts, exam questions, and more. The accompanying CD offers abbreviated overviews of each theory (designed to be used as classroom handouts, examples of student work, collections of quotes to stimulate discussion and writing, an extended history of women writers, and much more. Ultimately, *Doing Literary Criticism* offers teachers a rich set of materials and tools to help their students

become more confident and able readers, writers, and critical thinkers.

**Black Wings** St. Martin's Press

The first novel of the Black Wings urban fantasy series, by Christina Henry, author of *Alice* and *Lost Boy*. As an Agent of Death, Madeline Black is responsible for escorting the souls of the dearly departed to the afterlife. It's a 24/7 job with a lousy benefits package. Maddy's position may come with magical abilities and an impressive wingspan, but it doesn't pay the bills. And then, there are her infuriating boss, tenant woes, and a cranky, popcorn-loving gargoyle to contend with. Things start looking up, though, when tall, dark, and handsome Gabriel Angeloscuro agrees to rent the empty apartment in

Maddy's building. It's probably just a coincidence that as soon as he moves in, demons appear on the front lawn. But when an unholy monster is unleashed upon the streets of Chicago, Maddy discovers powers she never knew she possessed. Powers linked to a family legacy of tarnished halos. Powers that place her directly between the light of Heaven, and the fires of Hell...

Monasticism, in all of its variations, was a feature of almost every landscape in the medieval West. So ubiquitous were religious women and men throughout the Middle Ages that all medievalists encounter monasticism in their intellectual worlds. While there is enormous interest in medieval monasticism among Anglophone scholars, language is often a barrier to accessing some of the most important and groundbreaking research emerging from Europe. fate comes when a teenager starts having terrifying visions, in a chilling horror novel from national bestselling author Christina Henry. When the bodies of two girls are found torn apart in the town of Smiths Hollow, Lauren is surprised, but she also expects that the police won't find the killer. After all, the year before her father's body was found with his heart missing, and since then everyone has moved on. Even her best friend, Miranda, has become more interested in boys than in spending time at the old ghost tree, the way they used to when they were kids. So when Lauren has a vision of a monster dragging the remains of the girls through the woods, she knows she can't just do nothing. Not like the rest of her town. But as she draws closer to answers, she realizes that the foundation of her seemingly normal town might be rotten at the center. And that if nobody else stands for the missing, she will.

his poetic powers. These new poems mine the rich strain of inscrutability in ordinary life, until it is hard to know what is innocent and what ominous. There is something about his work that continues to be crystal clear and yet deeply weighted with violence and mystery. Reading it is like going undercover. The face of a girl carrying a white dress from the cleaners with her eyes half-closed. The Adam & Evie Tanning Salon at night. A sparrow on crutches. A rubber duck in a shooting gallery on a Sunday morning. And someone in a tree swing, too old to be swinging and to be wearing no clothes at all, blowing a toy trumpet at the sky.

Former Agent of death

Madeline Black may have been stripped of her wings—but she hasn't lost her purpose...

When Maddy finally killed her father, Azazel, she thought his depraved experiment died with him. But now Chicago has been infested with vampires immune to the effects of the sun, and the

bloodbath is worse than she could have ever imagined. While the Agency refuses to interfere with other supernatural courts, Maddy is determined to do everything within her power to save her city—wings or no wings. But when the leader of the vampires requests that she turn herself in or risk more deaths, Maddy becomes a target for the very people she's trying to save. Left with no other choice, she turns to Lucifer, the one creature who has the power to help her. But her grandfather's aid has always come at a price...

### Safe Enough to Soar Penguin

Madeline Black is an Agent of death, meaning she escorts the souls of people who have died to the afterlife. Of course, not everyone is happy to see her... If obstinate dead people were all that Maddy had to worry about, life would be much easier. But the best-laid plans of Agents

---

and fallen angels often go awry. Deaths are occurring contrary to the natural order, Maddy's being stalked by foes inside and outside of her family, and her two loves—her bodyguard, Gabriel, and her doughnut-loving gargoyle, Beezle—have disappeared. But because Maddy is Lucifer's granddaughter, things are expected of her, things like delicate diplomatic missions to other realms.

*Radical Chic and Mau-Mauing the Flak Catchers* is classic Tom Wolfe, a funny, irreverent, and "delicious" (*The Wall Street Journal*) dissection of class and status by the master of New Journalism. The phrase 'radical chic' was coined by Tom Wolfe in 1970 when Leonard Bernstein gave a party for the Black Panthers at his duplex apartment on Park Avenue. That incongruous scene is re-created here in high fidelity as is

another meeting ground between militant minorities and the liberal white establishment. *Radical Chic* provocatively explores the relationship between Black rage and White guilt. *Mau-Mauing the Flak Catchers*, set in San Francisco at the Office of Economic Opportunity, details the corruption and dysfunction of the anti-poverty programs run at that time. Wolfe uncovers how much of the program's money failed to reach its intended recipients. Instead, hustlers gamed the system, causing the OEO efforts to fail the impoverished communities.

In May 's debut collection, poems buzz and purr like a well-oiled chassis. Grit, trial, and song thrum through tight syntax and deft prosody. From the resilient pulse of an abandoned machine to the sinuous lament of origami animals, here is the ever-changing hum that vibrates

through us all, connecting one mind to the next.

“ Linguistically acrobatic [and] beautifully crafted. . . [Jamaal May's] poems, exquisitely balanced by a sharp intelligence mixed with earnestness, makes his debut a marvel. ”

—Publishers Weekly “ The elegant and laconic intelligence in these poems, their skepticism and bent humor and deliberately anti-Romantic stance toward experience are completely refreshing. After so much contemporary writing that seems all flash, no mind and no heart, these poems show how close observation of the world and a gift for plain-spoken, but eloquent speech, can give to poetry both dignity and largeness of purpose, and do it in an idiom that is pitch perfect to emotional nuance and fine intellectual distinctions. Hard-headed and tough-minded, Hum is the epitome of what Frost meant by ‘ a fresh look and a fresh listen. ’ ” —Tom

Sleigh "Jamaal May ' s debut collection, Hum, is concerned with what ' s beneath the surfaces of things—the unseen that eats away at us or does the work of sustaining us. Reading these poems, I was reminded of Ellison ' s ‘ lower frequencies, ’ a voice speaking for us all. May has a fine ear, acutely attuned to the sonic textures of everyday experience. And Hum—a meditation on the machinery of living, an extended ode to sound and silence—is a compelling debut. ” —Natasha Trethewey "In his percussive debut collection Hum, Jamaal May offers a salve for our phobias and restores the sublime to the urban landscape. Whether you need a friend to confide in, a healer to go to, or a tour guide to take you there, look no further. That low hum you hear are these poems, emanating both wisdom and swagger. ” —A. Van Jordan From "Mechanophobia: Fear of Machines": There is no work left

This early work by Jerome K. Jerome was originally published in 1893 and we are now republishing it with a brand new introductory biography. 'The Dancing Partner' is a short story about the scarcity of young men as dancing dancing partners and a creepy solution offered by a mechanical toy maker. Jerome Klapka Jerome was born in Walsall, England in 1859. Both his parents died while he was in his early teens, and he was forced to quit school to support himself. In 1889, Jerome published his most successful and best-remembered work, 'Three Men in a Boat'. Featuring himself and two of his friends encountering humorous situations while floating down the Thames in a small boat, the book was an instant success, and has never been out of print. In fact, its popularity was such that the number of registered Thames boats went up fifty percent in the year following its publication.

From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. “ My land tells its story if you listen. The story of our family. ” Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman ’ s only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her

reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa ’ s tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich,

---

sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

Reveal God to your children by parenting them like He parents us. Tired of all the parenting books full of strategic checklists, how-to advice, and quick tips? If so, this book is for you. Instead of focusing on parenting techniques, it's

about who God is, who we are in light of that, and how God's character gives form and shape to our parenting. Christina Fox wants you to explore the Scriptures with her and discover the goodness of the God who makes us His own. As God's beloved creatures, we bear His image—that is, we show others who He is as we glorify Him. Is anything more important to pass on to our children than this? In *Like Our Father*, you'll learn to parent in light of the timeless and profound truths that God: Is our adoptive Father Is consistent Provides boundaries Teaches and trains us Disciplines us Gives us what we need Responds patiently Loves us unconditionally Though it's tempting to want a step-by-step instructional manual on how to raise kids, what you really need is a clearer, grander, bolder vision of your Heavenly Father. When you've got His character before your eyes, you'll live it out in front of

---

your kids. And as they share in your magnified vision of God, they ' ll begin to live as the image-bearers that He made them to be.

In *Left of Karl Marx*, Carole Boyce Davies assesses the activism, writing, and legacy of Claudia Jones (1915 – 1964), a pioneering Afro-Caribbean radical intellectual, dedicated communist, and feminist. Jones is buried in London ' s Highgate Cemetery, to the left of Karl Marx—a location that Boyce Davies finds fitting given how Jones expanded Marxism-Leninism to incorporate gender and race in her political critique and activism. Claudia Cumberbatch Jones was born in Trinidad. In 1924, she moved to New York, where she lived for the next thirty years. She was active in the Communist Party from her early twenties onward. A talented writer and speaker, she traveled throughout the United States lecturing and

organizing. In the early 1950s, she wrote a well-known column, “ Half the World, ” for the *Daily Worker*. As the U.S. government intensified its efforts to prosecute communists, Jones was arrested several times. She served nearly a year in a U.S. prison before being deported and given asylum by Great Britain in 1955. There she founded *The West Indian Gazette* and *Afro-Asian Caribbean News* and the *Caribbean Carnival*, an annual London festival that continues today as the *Notting Hill Carnival*. Boyce Davies examines Jones ' s thought and journalism, her political and community organizing, and poetry that the activist wrote while she was imprisoned. Looking at the contents of the FBI file on Jones, Boyce Davies contrasts Jones ' s own narration of her life with the federal government ' s. *Left of Karl Marx* establishes Jones as a significant figure within

Caribbean intellectual traditions, black U.S. feminism, and the history of communism.
