As the rise in
supernatural
disturbances
continually expands
to more obvious
locations, Candra's
family and friends
are on a never-
ending hunt to
remove the region's
dark magic.
Greater forces are
at work, though, as
an accidental link is
formed between
Candra and Ben,
"marking" their
souls and coupling
them forever. They
can now see each
other's thoughts

and speak to one
another
telepathically-bad
news for sworn
enemies. Occults
spreading across
Hartford, along with
Candra and Ben's
mishap, are part of
a bigger plan, one
that neither the
Lowells nor the
Conways ever saw
coming. There is
more than one
Ancient in their
midst, and these
primordial beings
are lying in wait until
Candra inherits her
power. A power
which hasn't been
seen in over five
hundred years. A
power which
balances one of her
enemy's. These two
powers combined
can change the
course of history. In
order to survive a
battle with the
Ancients and

protect their abilities,
the Lowell's and
Conway's will have
to work together.
Can they rise above
their feud, or will
they lose
everything?

For seventeen-year-
old Candra Lowell,
senior year is
supposed to be the
time of her life. It ' s
not supposed to
include being shipped
off to her aunt and
uncle ' s house for
'her own good'.
Whatever that means.
There ' s only bad
news from this
experience—when she
learns she ' ll go from
human to werewolf in
a few months.
Complete with an
inherited unique
power. At her aunt
and uncle's house,

Candra is plagued with nightmares of a whispering forest and glowing eyes, and a shadowy figure, who issues a warning—she needs to leave town. Candra tries to dismiss the haunting images, but when the shadowy figure appears outside of her home, Candra realizes she should've obeyed. Candra learns the meaning of the stalker's warnings when she discovers she's the new favorite target of a rival pack. She isn't just a werewolf—she's a werewolf in the middle of a feud that makes the Montagues and Capulets look like best friends. She's also made a mess of things by falling for her sworn enemy. Worse, the rival pack wants the power Candra will receive on her eighteenth birthday.

To protect her family and friends, Candra can't run or hide; she must face her foes, even if it means death.

"The entire field of film historians awaits the AFI volumes with eagerness."--Eileen Bowser, Museum of Modern Art Film Department
Comments on previous volumes:

"The source of last resort for finding socially valuable . . . films that received such scant attention that they seem 'lost' until discovered in the AFI Catalog."--Thomas Cripps

Celebrities live their lives in constant dialogue with stories about them. But when these stories are shaped by durable racist myths, they wield undue power to ruin lives and obliterate communities. Black Legend is the haunting story of an Afro-Argentine, Raúl Grigera ('el negro Raúl'), who in the early 1900s audaciously fashioned himself into an alluring Black icon of Buenos Aires' bohemian nightlife,

only to have
 defamatory
 storytellers unmake
 him. In this gripping
 history, Paulina
 Alberto exposes the
 destructive power of
 racial storytelling and
 narrates a new history
 of Black Argentina
 and Argentine
 Blackness across two
 centuries. With the
 extraordinary Ra ú l
 Grigera at its center,
 Black Legend opens
 new windows into
 lived experiences of
 Blackness in a 'white'
 nation, and
 illuminates how
 Ra ú l's experience of
 celebrity was not far
 removed from more
 ordinary experiences
 of racial stories in the
 flesh.
