## The Books of Magic

National Geographic  
Books

15 years ago, this  
enigmatic graphic novel  
performed its mental  
autopsy on Batman and  
his enemies, and in doing  
so set both its creators on

the road to greatness. In  
Gotham City's home for  
the criminally insane,  
Batman confronts his arch-  
nemeses, including the  
Joker, Two-Face and  
more. Before the battle is  
over, Batman's mental  
straight-jacket will have  
been torn apart, exposing  
his every weakness and  
bringing him far closer to  
his foes than he could  
ever possibly have  
wanted! To celebrate this  
illustrious anniversary,  
Arkham Asylum has been  
re-launched in this  
sumptuous hardback that  
includes Morrison's  
complete script, original  
thumbnail breakdowns,  
samples of how the story  
and art came together,  
and much more!

cancer. His greatest film would have told the story of a European village as the last hour of 999 AD approached—bringing Armageddon. Now that story will never be told. But he's still working it out in his head, making a film that no one will ever see.

**Feminism in the Worlds of Neil Gaiman** Dark Horse Comics

The Teknophage, a 65 million year old reptile, holds the keys to the universe. An immensely powerful being, Henry Phage has spent his lifetime as a conqueror, using his immense psychic powers and his ability to manipulate wormholes in order to take over planets across galaxies and feed upon the suffering of the denizens within, effectively making himself a god. From The Phage Building, located on the planet Kahlighoul, The

Teknophage plots and plans the expansion of his intergalactic empire.

However, when he turns his sights towards Kahlighoul's sister planet, Earth, the Teknophage encounters a source of resistance that he did not expect.
