I've bought some Ronseal Tudor Black

Oak fence paint and was going to do the fence in that , the shed will be re done white , there will be wooden decking and the grass of course will be tidy. I thought some budget black rattan lounging furniture would look good with palm plants, neutral colours , maybe a splash of sky blue and orange in some cushions.

She likes Sherwin-Williams' Black of Night (SW 6993) and Greenblack (SW 6994). Walls must be prepped to ultra-smooth, because black, reflecting light as it does, announces every paint drip and drywall dent. A flat finish produces a higher-end look, although doors, doorframes and window frames can be glossy.
