Black Science 1 Rick Remender

Black Science is a creator-owned science fiction American comic book

series by Rick Remender and Italian artist Matteo Scalera. Image Comics released the first issue in November 2013. The story follows Grant McKay, an ex-member of the Anarchist Order of Scientists, and his team and family as they are thrown through dimensions as they try to repair his dimensional device, "the Pillar", created by forbidden, unethical means - the eponymous "Black Science". Via the Pillar, McKay and his fellow "Dim
