Cyclops HarperCollins Australia

The adventure that started it all, introducing readers to Dirk Pitt, "oceanography's answer to Indiana Jones" (Associated Press), and a #1 New York Times-bestselling series. On a quiet Greek island, a U.S. air force base has come under attack—by a World War I fighter plane . . . a famous yellow Albatros supposedly lost at sea in 1918. Now it is up to Dirk Pitt, Al Giordino, and the rest of the NUMA team to root out the elusive truth behind the incident—and find out how it's connected to mysterious acts of sabotage against a scientific expedition, an international smuggling ring, and a dark-haired beauty with some dangerous secrets. The search for answers will lead Pitt from a lavish island villa, to a moving freighter eerily empty of crew, to a massive underwater cavern housing the heart of a criminal operation that is larger and more elaborate than he ever could have imagined . . . a lucrative operation that its mastermind would kill to protect. With its fearless and dashing hero, high-stakes action, and non-stop excitement, *The Mediterranean Caper* is classic Dirk Pitt . . . and classic Cussler.

Sahara Penguin

Deep sea explorer and NUMA director Dirk Pitt encounters the last direct descendants of the Ottoman dynasty as they prepare to incite a revolution in this novel in the #1 New York Times-bestselling series. In a.d. 327, a Roman galley with an extraordinary cargo barely escapes a pirate attack. In 1916, a British warship mysteriously explodes in the middle of the North Sea. In the present day, a cluster of important mosques in Turkey and Egypt are wracked by explosions. What ties them all together? NUMA director Dirk Pitt and his team are about to find out, as Roman artifacts discovered in Turkey and Israel unnervingly connect to the rise of a fundamentalist movement determined to restore the glory of the Ottoman Empire. From Washington to London to the treacherous shores of the Near East, dangerous men and desperate acts fill their path, and at the end of it, the most dangerous thing of all: the rumored existence of a mysterious "manifest," lost long ago, which if discovered again could shed new light on early Christianity and just might change the history of the world as we know it. Filled with breathtaking suspense and extraordinary imagination, *Crescent Dawn* is further proof that when it comes to adventure writing, nobody beats Clive Cussler.

Pacific Vortex! Penguin

In this adventure in the #1 New York Times bestselling series, oceanographer Dirk Pitt is back to find a crucial piece of marine tech that could reshape the United States' defense program... It is the greatest advance in American defense technology in decades—an attack submarine capable of incredible underwater speeds. There is only one problem: A key element of the prototype is missing—and the man who developed it is dead. At the same time, ships have started vanishing mid-ocean, and when a few reappear, bodies are found aboard burned to a crisp. Could these mysterious events be connected to an Italian submarine that itself disappeared in 1943? It is up to NUMA director Dirk Pitt and his team, aided by a beautiful NCIS agent and by Pitt's children, marine engineer Dirk and oceanographer Summer, to go on a desperate international chase to find the truth, from Washington to Mexico, Idaho to Panama. What they discover at the end of it is a much, much greater threat than even they imagined. Filled with breathtaking suspense and extraordinary imagination, *Poseidon's Arrow* is further proof that when it comes to adventure writing, nobody beats Clive Cussler.

Sea of Greed Pocket Books

Clive Cussler, author of over twenty consecutive New York Times bestsellers, brings back beloved hero Dirk Pitt in this electrifying, edge-of-your-seat thriller that is "a high-tech adventure, a little romance, and a whale of a story" (Richmond Times-Dispatch). *Japan, 1945: Two US bombers take off with atomic bombs. Only one gets through. The Pacific, 1993: A Japanese cargo ship bound for the United States is instantly, thunderously vaporized, taking with it a Norwegian vessel. Japanese fanatics have developed a chilling plan to devastate and destroy the Western powers. Marine explorer Dirk Pitt must rely on the nautical lore of Jules Verne to stop a ruthless oil baron with his sights set on political power in this #1 New York Times-bestselling series. In the middle of its maiden voyage, a luxury cruise ship using revolutionary new engines suddenly catches fire and sinks. Its alarms stay silent; its sprinkler system remains inactive. Nearby NUMA special projects director Dirk Pitt notices smoke and races to the rescue. He's too late to save the engineer behind the ship's new technology, but helps the man's daughter, Kelly Egan, escape with her father's work in a leather briefcase. While Ms. Egan strives to uncover the hidden value in her father's inventions, Pitt is hired on by maritime insurers to investigate the wreckage. Neither are prepared for the mechanical marvels they'll soon be forced to confront. The machines could only be the stuff of legend, described in the tales of Viking explorers or the accounts of Jules Verne. And they may be Pitt and Egan's only hope when an oil tycoon with a plan of his own appears on the scene. Before journey's end, Pitt will take on a power-mad millionaire, tread upon territory previously known only to Verne's illustrious Captain Nemo, and make shocking discoveries about his own past.

Clive Cussler's New York Times bestselling Blue Gold, now available in ebook, is a heart-pounding thriller in the NUMA adventure series. Kurt Austin navigates the Amazon jungle in search of a legend that could change the path of science—but secretive powers will do anything to stop him. From deep within the Venezuelan rain forest emanates the legend of a white goddess and a mysterious tribe with startling technical accomplishments. Few believe the tribe exists—and even fewer suspect its deity may hold knowledge that can change the course of history. For National Underwater & Marine Agency crew leader Kurt Austin, an investigation into the sudden deaths of rare whales leads him to the Mexican coast, where someone tries to put him and his mini-sub permanently out of commission. Meanwhile, in South America's lush hills, a specially assigned NUMA crew turns up the white-goddess legend—and a murderous cadre of bio-pirates intent on stealing medicinal secrets worth millions. Soon Austin and his crew realize they're working the opposite ends of the same grand scheme. A billionaire California tycoon is poised to rise to power by monopolizing the earth's vastly depleted freshwater reserves and ultimately dominate the world. Austin has a hunch Venezuela's mythical tribal goddess has some real roots in science, and may be the key to locating a secret formula that could turn vast amounts of seawater into fresh. But with each step into the bush, he and his NUMA team feel like fish out of water—and must fight a deadly, twisting trail of enemies through a dense jungle of treachery, blackmail, and murder.
