Written by a professional dog whisperer and dog owner, the Blue Lacy Complete Owner's Manual has the answers you may need when researching this intense and bold working breed of dog. Learn about this intensely active and alert working dog and find out whether or not the State dog of Texas, that was developed as both a hunting and a herding breed will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Blue Lacy's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a Blue Lacy, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Temperament - Pros and Cons - Vital statistics - Before you buy - Choosing the right dog - Finding a breeder - Puppy proofing your home - The first weeks - Health and common health problems - Medical care & safety - Daily care - Feeding - Bad treats and snacks - Good treats and snacks - House training - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog and much more.

Discrete-trials teaching, or DTT, is a very important teaching technique developed by behavior analysts. The DTT Manual has taught numerous groups of individuals to conduct DTT with children with autism in as quickly as 6 hours. The manual is the product of the joint work of Dr. Daniela Fazzio, PhD, BCBA-D and Dr. Garry L. Martin, PhD, Distinguished Professor of Psychology. The manual addresses an area of much need in the field of autism treatment; effective and efficient training for parents and professionals. It was written with them in mind and it has been empirically tested several times, with several university students, paraprofessionals, and parents. It will be easy to navigate for individuals with a high school diploma, regardless of any prior experience in psychology or special education.

Investing in the Us Gale, Cengage Learning

Break the Chains, Achieve Financial Freedom, and Leave the 9-to-5 With US Real Estate Are you interested in real estate investing, but aren't sure how to begin? Do you want to live your life on your terms, create

true long term wealth, and break the chains of a J-O-B? Do you want to achieve financial freedom? Do you feel confused by US investment lingo, or unsure you have the ability to make a career of it? Do you wish you could make millions and free yourself from that desk ... for life? You, my friend, need the help of Reed Goossens and his new book, Investing in the US: The Ultimate Guide to US Real Estate. This bold instruction manual, taught by a surprisingly down-to-Earth real estate investor, brings passion and excitement to a subject that most consider inaccessible. Goossens shares knowledge built on almost a decade of real estate success and hundreds of millions of dollars worth of controlled assets which has allowed him to achieve financial freedom, quit his JOB, and live his life on his terms! Wish this same story could be yours? It can. This guide will teach you how to: Get started in the exciting, yet daunting, world of real estate investment Decode the complicated lingo and insider speak of the industry Find the right investment market for your needs and abilities Review the competition and find your opening Become a financing expert and choose the right options for you Spin deals to your advantage and close them with aplomb Turn these steps into a reliable, repeatable process Ditch debt, break the chains and leave your 9-to-5 behind Live a life of design, intention and success, every day Of all the investors in the US market, Reed Goossens is perhaps the most qualified to teach US investing. As an Australian, he had to learn the tricks of the trade from nothing, exploring the market from the outside in. The result: A no-nonsense approach lacking in preconceived notions and chock full of winning strategies. Before beginning his real estate investing career, back in 2009, Goossens' civil engineering background took him around the world. He was an integral part in projects ranging from Australia to the US, Fiji to Europe, and even worked on the 2012 Summer Olympic Games. His worldly approach plus hard-hitting (but fun!) approach makes this the perfect read for anyone looking to transition from the cubicle to the unfettered life - just like he did. If Reed can move halfway across the globe in order to achieve financial freedom, then so can you! Ready to give life a CRACK, as Goossens would say? Don't wait. Buy this book NOW. Pick up your copy today by clicking the BUY NOW button at the top of this page!

Be Bold and Win the Sale: Get Out of Your Comfort Zone and Boost Your Performance ReadHowYouWant.com

NATIONAL BESTSELLER NAMED ONE OF THE MOST INSPIRING BOOKS OF 2018 BY INC. NAMED ONE OF THE BEST STARTUP BOOKS OF ALL TIME BY BOOKAUTHORITY The Messy Middle is the indispensable guide to navigating the volatility of new ventures and leading bold creative projects by Scott Belsky, bestselling author, entrepreneur, Chief Product Officer at Adobe, and product advisor to many of today's top start-ups. Creating something from nothing is an unpredictable journey. The first mile births a new idea into existence, and the final mile is all about letting go. We love talking about starts and finishes, even though the middle stretch is the most important and often the most ignored and misunderstood. Broken into three sections with 100+ lessons, this no-nonsense book will help you: • Endure the roller coaster of successes and failures by strengthening your resolve, embracing the long-game, and short-circuiting your reward system to get to the finish line. • Optimize what's working so you can improve the way you hire, better manage your team, and meet your customers' needs. • Finish strong and avoid the pitfalls many entrepreneurs make, so you can overcome resistance, exit gracefully, and continue onto your next creative endeavor with ease. With insightful interviews from today's leading entrepreneurs, artists, writers, and executives, as well as Belsky's own experience working with companies like Airbnb, Pinterest, Uber, and sweetgreen, The Messy Middle will outfit you to find your way through the hardest parts of any bold project or new venture.

When Writers Drive the Workshop Apress

What does God have to say about enjoying sex? Heres the answer that just might shock you: Plenty. Sex According to the Bible is the breakthrough book that encourages Christians to think about making love in a whole new way. Sex, says author Teressa Irby Dempsey, is good certainly nothing to be ashamed of. Rather, its Gods gift for us to fully explore, enjoy, and cherish if we follow His instruction book. In fact, God commands us to in the Bible, and not just in the famous verse about going forth and multiplying. And thats where this book comes in. Inside this easy-to-read guidebook, youll learn: • Why sex is so much more than physical gratification • How appreciating the spirituality of sex will enhance a feeling of intimacy with your partner • How modern understanding of sex even among so-called Christians is tilting away from the Bible • Learn what the Bible really says about sex before marriage • How homosexuality, pornography, temptation and so much more were fully explained in Scripture and why what made sense then is still Gods law today. Sex According to the Bible is an open, frank, and approachable book that finally lays out exactly why sex is not only acceptable, but encouraged by Scripture. At the same time, it promotes a responsible and traditional approach to relationshipsone that values self-respect, the well-being of others, and the will of God.

A Study Guide for Galway Kinnell's "Blackberry Eating" Springer Since the outbreak of SARS-CoV-2, a number of attempts have been made by experts, researchers and the political elite to explain away its origin, transmission, intent and impact. There is also the explosion of conspiracy theories of which states, researchers, international and corporate entities, the UN, the World Bank, philanthropists and even the Papacy have not been spared. The viral outbreak is even perceived as an attempt by the powerful not only to reduce global population but to expand their control of the world. The book has been written to expand the understanding of the reader on these critical issues about SARS-CoV-2 which have become very concerning.

Health 4 Life FriesenPress

This book deals with the current crises from a somewhat different the usual perspectives. It claims that causes and policy implications of these crises cannot be properly assessed by focusing on allocative efficiency or income growth alone; it requires a more general approach, based on social costs. It does not deal with social costs according to the Pigouvian or the Coasian traditions. It draws on the work of Original Institutional Economics (OIE) such as Thorstein Veblen, Karl William Kapp, and Karl Polanyi, on Post-Keynesians such as Hyman Minsky and, in general, on authors who have provided insights beyond the conventional wisdom of economic thought.

Letters to a New Minister of Education Independently Published Introducing the Galaxy S21, S21 Plus and S21 Ultra 5G. These excellent phones are designed with a unique contour-cut beautiful camera to create a wonderful revolution in photography - that enables you to capture cinematic 8K video as well as snap epic, all in one go. DON'T DELAY, CLICK ON THE BUY BUTTON NOW AND GET YOUR COPY!

The 8-Bold Path ASCD

This book presents comprehensive results from case studies of five innovations in science education that have much to offer toward understanding current reforms in this field. Each chapter tells the story of a case in rich detail, with extensive documentation, and in the voices of many of the participants—the innovators, the teachers, the students. Similarly, Volume 3 of Bold Ventures presents the results from case studies of five innovations in mathematics education. Volume 1 provides a cross-case analysis of all eight innovations. Many U.S. readers certainly will be very familiar with the name of at least one if not all of the science innovations discussed in this volume—for example, Project 2061—and probably with their general substance. Much of the education community's familiarity with these arises from the projects' own dissemination efforts. The research reported in this volume, however, is one of the few detailed studies of these innovations undertaken by researchers outside the projects themselves. Each of the five studies was a large-scale effort involving teams of researchers over three years. These teams analyzed many documents, attended numerous critical project meetings, visited multiple sites, conducted dozens of individual interviews. The team leaders (Atkin, Huberman, Rowe), having spent much time with science education over long careers, looked at these innovations through many lenses. It was a daunting task for each team to sift through the mountains of detail in order to bring the most compelling themes to the surface.

BlackBerry Bold Made Simple Lulu Press, Inc

Blackberries are very distinctive cell phones; however, most people have only brushed upon the surface once they have read through the owner's manual and have used it for a few hours. This ebook is designed to provide you with a handful of tips, tricks, and hacks that you can use with your BlackBerry. It is literally an essential ebook for any BlackBerry owner to read! In an attempt to be fair and honest: The section of this ebook entitled "How To Handle BlackBerry Water Damage" has similar information that is contained in my other ebook "How To Save A Wet Cell Phone: Preventing Water Damage". Once again, the information is similar, but not even relatively close to being identical. I just figured that I'd let you know just in case you had already purchased the other ebook, or are going to purchase it in the future, and notice that the steps are similar.

A Better Way to Budget: Building Support for Bold, Student-Centered Change in Public Schools Hugo Science Press

Follow the instructions and your resume will be a winner! Whether you're a rocket scientist or a high school dropout, RESUME RESCUE! will help you get the job that's right for you.

Inner Engineering A (D.I.Y) User Manual Outskirts Press

What will it take to create truly contemporary learning environments that meet the demands of 21st-century society, engage learners, and produce graduates who are prepared to succeed in the world? What skills and capacities do teachers and leaders need to create and sustain such schools? What actions are necessary? Bold Moves for Schools offers a compelling vision that answers these questions—and action steps to make the vision a reality. Looking through the lenses of three pedagogies—antiquated, classical, and contemporary—authors Heidi Hayes Jacobs and Marie Hubley Alcock examine every aspect of K–12 education, including curriculum, instruction, assessment, and the program structures of space—both physical and virtual—time, and grouping of learners and professionals. In a new job description for teachers, Jacobs and Alcock highlight and expound on the following roles: * self-navigating professional learner, * social contractor, * media critic and media maker, * innovative designer, * globally connected citizen, and * advocate for learners and learning. With thought-provoking proposals and practical strategies for change, Bold Moves for Schools sets educators on the path to redefining their profession and creating exciting new learning environments. The challenge is unprecedented. The possibilities are unlimited.
