Macarons, the stuff of bakers' candy-coated dreams, have taken the world by storm and are demystified here for the home baker, With dozens of flavor combinations, recipes are structured with three basic shell methods—French, Swiss, and Italian—plus one never-before-seen Easiest French Macaron Method. Pick one that works for you, and go on to create French-inspired pastry magic with nothing more than a mixer, an oven, and a piping bag. Try shells flavored with pistachio, blackberry, coconut, and red velvet, filled with the likes of sesame buttercream, strawberry guava pâte de fruit, crunchy dark chocolate ganache, and lemon curd. Or go savory with shells like saffron, parsley, and ancho chile paired with fillings like hummus, foie gras with black currant, and duck confit with port and fig. The options for customization are endless, and the careful, detailed instruction is like a private baking class in your very own kitchen! All recipes have been tested by students and teachers alike and are guaranteed to bring the flavors of France right to your door.

To Kill a Mockingbird meets *One Crazy Summer* in this powerful, bittersweet debut about one girl's journey to reconnect with her mother and learn the truth about her father in the tumultuous times of the Jim Crow South. "Timely, captivating, and lovely. So glad this book is in the world." --Jacqueline Woodson, author of *Brown Girl Dreaming* In the small town of Alcolu, South Carolina, in 1944, 12-year-old Ella spends her days fishing and running around with her best friend Henry and cousin Myrna. But life is not always so sunny for Ella, who gets bullied for her light skin tone and whose mother is away pursuing a jazz singer dream in Boston. So Ella is ecstatic when her mother invites her to visit for Christmas. Little does she expect the truths she will discover about her mother, the father she never knew and her family's most unlikely history. And after a life-changing month, she returns South and is shocked by the news that her schoolmate George has been arrested for the murder of two local white girls. Bittersweet and eye-opening, *How High the Moon* is a timeless novel about a girl finding herself in a world all but determined to hold her down. THE INSIDE STORY OF THE EPIC TURNAROUND OF FORD MOTOR COMPANY UNDER THE LEADERSHIP OF CEO ALAN MULALLY. At the end of 2008, Ford Motor Company was just months away from running out of cash. With the auto industry careening toward ruin, Congress offered all three Detroit automakers a bailout. General Motors and Chrysler grabbed the taxpayer lifeline, but Ford decided to

save itself. Under the leadership of charismatic CEO Alan Mulally, Ford had already put together a bold plan to unify its divided global operations, transform its lackluster product lineup, and overcome a dysfunctional culture of infighting, backstabbing, and excuses. It was an extraordinary risk, but it was the only way the Ford family—America's last great industrial dynasty—could hold on to their company. Mulally and his team pulled off one of the greatest comebacks in business history. As the rest of Detroit collapsed, Ford went from the brink of bankruptcy to being the most profitable automaker in the world. **American Icon** is the compelling, behind-the-scenes account of that epic turnaround. On the verge of collapse, Ford went outside the auto industry and recruited Mulally—the man who had already saved Boeing from the deathblow of 9/11—to lead a sweeping restructuring of a company that had been unable to overcome decades of mismanagement and denial. Mulally applied the principles he developed at Boeing to streamline Ford's inefficient operations, force its fractious executives to work together as a team, and spark a product renaissance in Dearborn. He also convinced the United Auto Workers to join his fight for the soul of American manufacturing. Bryce Hoffman reveals the untold story of the covert meetings with UAW leaders that led to a game-changing contract, Bill Ford's battle to hold the Ford family together when many were ready to cash in their stock and write off the company, and the secret alliance with Toyota and Honda that helped prop up the American automotive supply base. In one of the great management narratives of our time, Hoffman puts the reader inside the boardroom as Mulally uses his celebrated Business Plan Review meetings to drive change and force Ford to deal with the painful realities of the American auto industry. Hoffman was granted unprecedented access to Ford's top executives and top-secret company documents. He spent countless hours with Alan Mulally, Bill Ford, the Ford family, former executives, labor leaders, and company directors. In the bestselling tradition of *Too Big to Fail* and *The Big Short*, **American Icon** is narrative nonfiction at its vivid and colorful best.

--Kirkus Review "Marco is an excellent role model for kids, and this book shows that one person can indeed make a difference in the lives of others. An earnest and sometimes inspiring story of an extraordinary middle schooler.'...A millennial Ferris Bueller.'" Marco Polo Blackberry, a middle school age novel, is a story of a twelve year old boy who earns enormous profits trading stocks and commodities on the Internet. Joined by pen pals from six different continents, he learns of the desperate plight of less fortunate children. Marco finds a way to help, using his wits and new wealth, all the while facing problems of his own: school bullies, authority figures and of course, girls. However it is also a story of children in war torn Africa, of marauding gangs burning and pillaging. It's a story of disease, of the lack of food, clean water and medicine. And yet it is Marco's zany, exotic and delightfully irrepressible Auntie M. who travels the world and guides Marco with her wisdom, providing a moral voice and important principles by which to live. Spanning the globe and dealing with the universal issues of war, poverty, and sickness, Marco Polo Blackberry is a story of hope and most importantly, of the possibility of a boy changing the world, one small step at a time. Winner of two national books awards, BEST in CHILDREN'S LITERATURE-2010, Pinnacle Award and FINALIST for CHILDREN FICTION-2011 Indie Excellence Award
