The BlackBerry is cool, and the BlackBerry is fun, but the BlackBerry also means serious business.

For those of you who bought your BlackBerry to help get your life organized and free yourself from the ball-and-chain of desktop computing,

BlackBerry for Work: Productivity for Professionals is the book to show you how. There are plenty of general-purpose BlackBerry guides, but this book shows you how to complete all the traditional smartphone tasks, like to-dos, calendars, and email, and become even more efficient and productive.

You ' ll learn mechanisms for developing effective workflows specific to the features of the BlackBerry and also efficient strategies for dealing with the specialized aspects of business and professional lifestyles. After giving a professionally targeted

introduction to the built-in applications and configuration options, this book details the BlackBerry ' s enterprise features. This book also delves into App World, the BlackBerry ' s source for third-party software. It discusses some of the best business and vertical applications, and shows you how to take advantage of this wealth of add-ons and professional functionality. The only business-specific guide to the BlackBerry. Improve your productivity with innovative mobile workflows that free you from the desktop. Make the BlackBerry work for you so you can work better. The authors of BlackBerry for Work have decided to direct their share of the proceeds from the book to a charity in India. The Mitr Foundation is a trust founded in the city of Hyderabad, with the objective of contributing its might towards the empowerment of the girl child through education. Somewhere between the elite and the underprivileged lies the core essence of our endeavor. Shikha Gupta has pledged to undertake the responsibility of educating three children.

With the internet, smartphones, and video games easily available to increasing portions of society, researchers are becoming concerned with the potential side effects and consequences of their prevalence in people ' s daily lives. Many individuals are losing control of their internet use, using it and other devices excessively to the point that they negatively affect their wellbeing as these individuals

withdraw from social life and use their devices to escape from the pressure of the real world. As such, it is imperative to seek new methods and strategies for identifying and treating individuals with digital addictions. Multifaceted Approach to Digital Addiction and Its Treatment is an essential research publication that explores the definition and different types of digital addiction, including internet addiction, smartphone addiction, and online gaming addition, and examines overall treatment approaches while covering sample cases by practitioners working with digital addiction. This book highlights topics such as neuroscience, pharmacology, and psychodynamics. It is ideal for psychologists, therapists, psychiatrists, counselors, health professionals, students, educators, researchers, and practitioners.

Whether it's the popular Pearl, the sleek Curve, or the hardworking 8800, your BlackBerry handheld device is loaded with features to make your life easier—if you can figure out how to use them. BlackBerryFor Dummies, 2nd Edition comes to the rescue with just what you need to know to get the most from this amazing device. It covers the newest BlackBerry models and all the latest developments, like SureType vs. QWERTY keyboards and the new trackball navigation method. You'll discover how to set up your BlackBerry as a full-fledged PDA, but also how to use the camera, play music and videos, make phone calls, and know where you are with GPS. BlackBerryFor Dummies, 2nd Edition shows you how to: Surf the Web and send and receive e-mail Keep your calendar, contacts, and to-do list Make your BlackBerry a mobile mini-office Sync data with your desktop Install a MicroSD card for extra memory Watch movies and listen to music Let your BlackBerry double as a laptop modem Protect your personal information Use your BlackBerry almost anywhere in the world Because the BlackBerry world changes so quickly, BlackBerryFor Dummies, 2nd Edition features a companion Web site that maintains the latest news and updates, so you'll always be up to date. It's a pretty sweet deal!

BlackBerry Storm2 Made Simple IGI Global Essentials of Elementary Social Studies is a teacher friendly text that provides comprehensive treatment of classroom planning, instruction, and strategies. Praised

for its dynamic approaches and a writing style that is conversational, personal, and professional, this text enables and encourages teachers to effectively teach elementary social studies using creative and active learning strategies. This sixth edition has been refined with new and relevant topics and strategies needed for effectively teaching elementary social studies. A few of new features include: An expanded chapter on the decision-making process in elementary social studies. This chapter provides additional discussion about the importance of helping young learners better understand the decision-making process and offers strategies for helping teachers make connections between choices, values, character development, and social justice. An updated chapter on technology designed to better prepare elementary teachers to effectively incorporate technology into social studies instruction. Attention is given to virtual teaching and learning, media literacy, teaching with film, and numerous other ways to improve teaching and learning in the digital age. Updated further readings and helpful resources for all chapters to include supplemental digital and video sources related to various topics throughout the chapter. New "Checking for Understanding" section at the end of each chapter that focuses on comprehension,

application, and reflection on key concepts throughout the chapters. An updated chapter on lesson plans, in keeping with the book's emphasis on planning and teaching. This chapter is designed to provide elementary social studies teachers with new classroom-tested lesson plans and includes two classroom-tested lessons for each grade level (K – 6).
