Miriam is a psychological train wreck dealing with this “gift”, but Blackbirds by Chuck Wendig is founded on a great concept: by touching a person, skin to skin, Miriam Black can see a vision of the moment when that person will die. Pretty damn freaky, but an awesome idea for an edgy, gritty story.

BLACKBIRDS is the story of Miriam Black, a twenty-something drifter who can see when and

how a person is going to die by touching them. Naturally, this has caused her no small amount of anxiety, as well as considerable guilt about not being able to do anything to stop the events (she tried, once.) Miriam has become cold, at least on the outside.
