Remember My Soul provides the comforting voice of wisdom at life's most painful moment. Drawing on decades of experience in Jewish outreach and counseling people who have lost a loved one, Remember

My Soul, was written specifically for people with little or no prior knowledge of Judaism and the way Judaism understands and approaches death, loss and mourning. People who have suffered a recent loss-and those for whom a distant loss continues to be a struggle-will find in these pages insight, inspiration and resolution. Remember My Soul includes: \*An explanatory journey through shiva and all the aspects of Jewish mourning. \*A thirty-day guided path of insight and reflection based on the ancient tradition for benefiting the soul of the departed. \*Ten questions people ask about death and the afterlife. \*Personal reflections from people who have lost a loved one about how Jewish wisdom and traditions enable one to cope with a loss and relate to death in the bigger picture of life

**Remember My Soul** Simon and Schuster

It is the early 1950s. A nameless man is found on the steps of the hospital in Iasi, Romania. He is deaf and mute, but a young nurse named Safta recognizes him from the past and brings him paper and pencils so that he might draw. Gradually, memories appear on the page: the man is Augustin, the cook's son at the manor house at Poiana where Safta was the privileged daughter. Born six

---

months apart, they had a connection that bypassed words, but while Augustin's world stayed the same size, Safta's expanded to embrace languages, society, and a fleeting love one long, hot summer. But then came war, and in its wake a brutal Stalinist regime, and nothing would remain the same. Georgina Harding's kaleidoscopic new novel will appeal to readers of Anne Michaels, Michael Ondaatje, and Sandor Marai. It is as intense and submerging as rain, as steeped in the horrors of our recent history as it is in the intimate passions of the human heart.

Japan in the Fascist Era Bloomsbury Publishing

This book offers a diachronical and inter-/transmedia approach to the relationship of media and fear in a variety of geographical and cultural settings. This allows for an in-depth understanding of the media's role in pandemics, wars and other crises, as well as in political intimidation. The book assembles chapters from a variety of authors, focusing on the relation between media and fear in the West, the Middle East, the Arab World and China. Besides its geographical and cultural diversity, the volume also takes a long-term perspective, bringing together cases from transforming media environments which span over a century. The book establishes a strong and historically persistent nexus between media and fear, which finds ever-new forms with new media but always follows similar logics.

The “ marvelously funny ” and much-loved humorist explores the perils of suburban living in this New York Times bestseller (Vogue). For years, the Bombecks have heard rumors of a magical land called Suburbia where the air is clean, the grass is trimmed, and children don ' t risk getting mugged on their walk to school. After watching their friends flee the city for subdivided utopias like Bonaparte ' s Retreat and Mortgage Ma ñ ana, Erma and her family load up their belongings and cry, “ Station wagons . . . ho! ” But life on the suburban frontier is not as perfect as they had hoped. The trees are stunted, the house is cramped, and there ' s no grass at all. But the Bombecks will make do, for they are suburbanites now—the last true pioneers! This ebook features an illustrated biography of Erma Bombeck including rare images and never-before-seen documents from the author ' s estate.

"I could not put it down... Loved it!" --- Jen McLaughlin, New York  
Times and USA Today bestselling author There's a drawer I never open. It  
holds a picture I never look at. It reminds me of a day I hate to remember,  
but I'll never forget. I'd give anything to be like the other girls on campus.  
Going to parties, flirting with boys, planning for a future. But that's not  
me. And hasn't been since the day my parents died. The only thing that  
got me through was Griffin. Even though I didn't have my family, I always  
had him. Only, now I'm not so sure I do. It's not just the eleven hundred  
miles separating us now that I'm at college. Or his band finally taking off,  
and all the gigs and girls suddenly demanding his time. It's as if everything  
is different-the way we talk, the way we text . . . the way he looks at me and  
the way those looks make me feel. Griffin has been the only good thing in  
my life since that horrific day. But I can feel our friendship slipping away-  
and I'm terrified of what will be left in its place . . .

Lost in Suburbia: a Momoir Blacklisted from the PTA  
Blacklisted by the  
PTA is an irreverent look at motherhood and the modern family. From  
the high chair to a vinyl restaurant booth on date night, Lela Davidson has  
captured life on the cul-de-sac with a husband, two kids, and the  
occasional pet. Whether failing at cloth diaper origami or smug in  
knowledge that her children have never consumed a PopTart, Lela assures  
parents they are not alone, and that it's okay to laugh-at yourself, and at  
your kids. These are the stories of every parent--even if we don't always  
tell them out loud. Each of these 62 essays can be read in under five  
minutes for a quick laugh-either with or at the author. As a CPA on the

mommy track, all Lela wanted to do was sit on the driveway and drink wine  
out of a box with the neighbors. Luckily, she started writing down her  
stories instead. Whether tackling PTA meetings, neighborhood politics, or  
inflation-by-Tooth Fairy, Lela exposes the humor in every awkward  
moment and maternal meltdown. From a trendy Seattle condo, to a tidy  
Arkansas subdivision, Lela shares the comic side of family life. She takes  
you to Mexican bars, the hockey rinks of St. Louis, ski slopes near Santa  
Fe, shopping in Dallas, and even introduces you to a few strippers--the  
novices on the playgrounds of New York City, and the pros in Vegas. Lela  
says what the rest of us are thinking. Her hilarious observations and subtle  
satire are always spot on. She's not afraid to reveal her screw-ups, along  
with fleeting delusional moments of wherein she honestly believes she is  
the best mom ever. ABOUT THE AUTHOR Lela Davidson is the  
Managing Editor of ParentingSquad.com and the Associate Editor of  
Peekaboo magazine. Her writing is featured regularly in family and  
parenting magazines throughout the country, and in Chicken Soup for the  
Soul: New Moms. Lela is also a popular teacher of online writing and

#### Encyclopedia of Television Film Directors Greenleaf Book Group

In contrast to Euro-centric works on comparative fascism that set Japan apart from Germany and Italy, this book emphasizes parallels between Japan and its Axis Allies. Romantic nationalist ideologies attracted a strong following in all three nations as they emerged as modern states in the late 1800s. In both Germany and Japan these were, from the beginning, strongly racial in nature. Spurred by grievances against the 'status quo' powers, all three took up aggressive policies in the 1930s, producing a short-lived 'fascist era'. Japan's prominent role demands a broader perspective and consideration of 'fascism' as more than a purely European phenomenon.

From live productions of the 1950s like Requiem for a Heavyweight to big budget mini-series like Band of Brothers, long-form television programs have been helmed by some of the most creative and accomplished names in directing. Encyclopedia of Television Film Directors brings attention to the directors of these productions, citing every director of stand alone long-form television programs: made for TV movies, movie-length pilots, mini-series, and feature-length anthology programs, as well as drama, comedy, and musical specials of more than 60 minutes. Each of the nearly 2,000 entries provides a brief career sketch of the director, his or her notable works, awards, and a filmography. Many entries also provide brief discussions of key shows, movies, and other productions.

Appendixes include Emmy Awards, DGA Awards, and other accolades, as well as a list of anthology programs. A much-needed reference that celebrates these often-neglected artists, Encyclopedia of Television Film Directors is an indispensable resource for anyone interested in the history of the medium.

Whether meeting up for happy hour after a long day of work, catching up with a friend, unwinding after another day of parenting, sipping a glass while stealing time for a long, quiet soak in the tub, or commiserating over lost love, lost parents, lost jobs, lost years or lost waistlines, our wine feels like a sacred ritual that a lot of us can relate to. "We should get together for wine sometime soon." is

---

so familiar that it is just part of our common vocabulary. What could be better than shared wine with good friends? Sometimes nothing! But that isn't what this book is about. This is a book about women and wine. It is not a book about alcoholism, and it is not a book about never drinking wine again. It is about awareness, not intervention, and is a thoughtful, reflective and whole-hearted invitation to explore our own relationships with wine. Talking about wine is trendy. Talking about drinking too much of it is not. In this honest, vulnerable and insightful book, Molly Davis suggests that wine, for her and perhaps for many women, has become a daily habit and coping mechanism, quietly wrapped in a lovely ritual. She wonders, when do we choose to drink wine to dull pain, avoid discomfort, cope with stress, and check out of reality? With courage, wisdom and wit, she generously shares her own answers to those questions, and invites us to join her in discovering our own. Rather than hide behind our wine, Molly Davis boldly encourages us to step fully into our own lives and bring to ourselves, and to a waiting world, all that we have to offer. Now that seems like a possibility worth toasting!
