Blacksad: Under the Skin for PC Reviews - Metacritic

Blacksad is a comic album series created by Spanish authors Juan D í az Canales (writer) and Juanjo Guarnido (artist), and published by French publisher Dargaud. Though both authors are Spanish, their main target audience for Blacksad is the French market and thus they publish all Blacksad volumes in French first; the Spanish edition usually follows about one month later.

Blacksad tiene muy bien tomado el pulso a estas historias, los personajes, el tono, los diálogos, el ambiente y un sinfín más. Puede que los lugares sean demasiado comunes, pero yo en vez de cliché veo

homenaje y respeto por los pilares de todo un género.

Gameplay. Blacksad: Under the Skin is an adventure game that takes place in a three-dimensional game world. Its gameplay has been compared to the work of Telltale Games, as well as Team Bondi's L.A. Noire and Frogwares' Sherlock Holmes: The Devil's Daughter. Blacksad does not feature an inventory, and, unlike in Pendulo Studios' past games, it forgoes a point-and-click interface in favor of ...

BLACKSAD : Under The Skin

BLACKSAD: Under the Skin. With its anthropomorphic characters and its incredible 1950s feel, BLACKSAD: Under the Skin promises all the eerily dark adventure of a detective novel, just like the eponymous comic book series.

Blacksad

Blacksad: Under the Skin is a great first step of famous noir cat detective into the world of gaming. Even though your experience will be riddled with graphical bugs and some unoriginal design choices, the story and characters will buy you and take you for a fun detective ride for a few hours.
