my railroad, the

Madham Line, is almost the most important thing in my life. Next to Andy Morrow, my best friend. Lots of people think Doug Hanson is a freak -- he gets beat up after

school, and the girl of his dreams calls him a worm. Doug's only refuge is creating an elaborate bridge for the model railroad in his basement and hanging out with his

best friend, Andy Morrow, a popular football star who could date any girl in school. Doug and Andy talk about everything -- except what happened at the Tuttle place a few years back. It does not matter to Andy that we live in completely different realities. I'm Andy's best friend. It does not matter to Andy that we hardly ever actually do anything together. As Doug retreats deeper and deeper into his own reality, long-buried secrets threaten to destroy both Doug and Andy -- and everything else in Doug's fragile world.

answers, hints, strategies and teaching and assessment advice. Nerd a to Z Island Press This book collects experimental “visual poetry.” With The Last Vispo Anthology, Fantagraphics spotlights the intersection of art and language in this innovative new collection without peer in English that gathers the work of visual poets from around the world into one stunning volume. The alphabet is turned on its head and inside-out and the results culminate in a compilation of daring and

surprising verbo-visual gems. The Last Vispo is composed of visual poetry (a portmanteau of the words “visual and “poetry) from the years 1998 to 2008, during a burst of creative activity fueled by file sharing and e-mail, which made it possible for the vispo community to establish a more heightened and sophisticated dialogue with one another. The collection extends the dialectic between art and literature that began with ancient “shaped text,” medieval pattern poetry, and dada typography, pushing past the concrete poetics

of the 1950s and the subsequent mail art movement of the 1980s to its current incarnation. Rather than settle into predictable, unchallenged patterns, this vibrant poetry seizes new tools to expand the body of work that inhabits the borderlands of visual art and poetic language. The Last Vispo features 148 contributors from 23 countries on five continents. It includes 12 essays that illuminate the abundant history and the state of vispo today. The anthology offers a broad amalgam of long-time

practitioners and poets new to visual poetry over the last decade, underscoring the longevity and the continued vitality of the art form. Suburban Remix Primedia Business Directories & Books "This book is about the people I met as I crisscrossed Australia by train and plane and L-plated car: the undefeated dreamers and wild-hearted romantics, the obsessed hobbyists and beautiful failures. It is about heroes and legends, illusions, delusions and

As anyone who's ever read Mark Dapin's column and features in Good Weekend knows, he's an immensely funny, acute and vivid observer of Australian life.
