Blender Guru is one of the most popular Blender YouTube instructors. I often point students to these lessons when they're just getting started with Blender in general. In this series Blender Guru teaches the fundamentals of modeling. But instead of doing a car or a character, students will learn how to model a medieval

blacksmith's anvil.

Blender 2.91 Reference Manual — Blender Manual

Blender is a powerful 3D computer graphics suite that's totally free for all users. In Blender you can model objects, create textures, and animate models all under one roof.

Because it's open source Blender leans towards flexibility and customization more than many other 3D programs .

User Interface — Blender Manual
