One Million Insects
Routledge
A fascinating welcome to
the wonderful world of

insects' - LoveReading4Kids 'Fun, inspiring, and well researched.' - Kirkus Reviews, starred review A beautiful illustrated tour of some of the world's most fascinating insects, perfect for readers 8+. Did you know that without insects, humankind could not survive? This illustrated, fact-filled title explores the huge variety of insects, with a focus on what makes an insect an insect, the differences between the groups, and

why insects are the most important animal group on Earth. Broken down into sections exploring each of the main types of insect, each section takes a different, playfully visual approach to really capture the character of the insects in the order being explored. As well as including practical advice for observing insects safely, a section at the back of the book describes ways to help insects and encourage them into a garden no matter how small.

Musketeers meets Joe Abercrombie via Mark Lawrence. The Greatcoats are back - and this time it's personal. How do you kill a Saint? Falcio, Brasti and Kest are about to find out, as someone is doing just that, and they've started with a friend. The Dukes were already looking for ways to weasel out of their promise to put Aline on her father's throne - but with Saints turning up dead, and Church Inquistitors pushing for control - rumours are spreading that the Gods themselves oppose her ascension. The only way Falcio can stop the country

turning into a vicious theocracy is to find and stop the Saint-killer - but his only clue is the iron mask encasing the head of the Saint of Mercy, which prevents her from speaking. And even if he can find the murderer, he will still have to face them in battle - and this may be a duel that no swordsman, no matter how skilled, can win.

A Newbery Honor Book A beautiful and moving novel from a three-time Newbery Honor-winning author “Hope is the thing with feathers” starts the poem Frannie is

reading in school. Frannie hasn’t thought much about hope. There are so many other things to think about. Each day, her friend Samantha seems a bit more “holy.” There is a new boy in class everyone is calling the Jesus Boy. And although the new boy looks like a white kid, he says he’s not white. Who is he? During a winter full of surprises, good and bad, Frannie starts seeing a lot of things in a new light—her brother Sean’s deafness, her mother’s fear, the class bully’s anger, her best friend’s faith and her own desire for “the thing with feathers.” Jacqueline

Woodson once again takes readers on a journey into a young girl’s heart and reveals the pain and the joy of learning to look beneath the surface. “[Frannie] is a wonderful role model for coming of age in a thoughtful way, and the book offers to teach us all about holding on to hope.”—Children’s Literature “A wonderful and necessary purchase for public and school libraries alike.”—VOYA

ANGELIC FACT NUMBER 100: Having wings doesn't make one noble; it simply makes one fly. Naya and Adam have nothing in common. Besides black wings. The same birthday. And fathers who are as close as brothers. But nothing else. Sweet, diligent Naya has always abided by the rules. Arrogant, uncivil Adam has made it his life's mission to break each one. She is the beloved daughter of an archangel. He is the guilds' resident bad boy . . . well, bad

fletching. When Naya thrusts herself in Adam's life to request a place on his clandestine team of guardians, he turns her away. The last thing his unsanctioned squad needs is an archangel's attention, and the last thing he needs is a bubbly, blonde distraction with a sinful voice and soulful eyes. Problem is, Naya suddenly, and inexplicably, becomes the only thing he wants. Fans of steamy supernatural romance will want to scroll up and one-click to start reading the enemies-to-lovers trilogy

For as long as humans have sought god, we have found the goddess. Ruling over the imaginations of our earliest civilizations, she played a critical spiritual role as a keeper of nature's fertile powers and an assurance of the next sustaining harvest. As people began to migrate across the world, the faces of

the goddess and the roles she played were forever changed. The Goddess takes us back into prehistory, tracing the evolution of the goddess across vast spans of time to examine the transformation of belief and what it says about who we are. The metamorphoses of goddess figures that have taken place and the patterns we may discern in these changes, which span millennia and a wide spectrum of cultures, have much to teach us about the development of human societies and values. This book

shows us that the faces of gods and goddesses reflect the lives and souls of the peoples who worship them. It charts the development of traditional Western gender roles through an understanding of the shifting concepts of the goddess from her earliest roots in India and Iran to her more familiar faces in Ireland and Iceland, and analyses the eventual subordination of goddesses to gods. From Demeter to Kali and Guanyin to Gaia, and from mother goddesses to warriors, virgins and destroyers, powerful

female figures of worship continue to play a crucial role in belief systems today. The Goddess reveals how spiritual thought ties humanity to its ancient origins and shows us that the story of the goddess is also the story of ourselves. Shadow and Bone and Red Queen, The Crown 's Game is a thrilling and atmospheric historical fantasy set in Imperial Russia about two teenagers who must compete for the right to become the Imperial Enchanter—or die in the process—from debut author Evelyn Skye. Vika Andreyeva can summon the snow and turn ash into gold. Nikolai Karimov can see through walls and conjure bridges out of thin air. They are enchanters—the only two in Russia—and with the Ottoman Empire and the Kazakhs threatening, the tsar needs a powerful enchanter by

his side. And so he initiates the Crown ' s Game, an ancient duel of magical skill—the greatest test an enchanter will ever know. The victor becomes the Imperial Enchanter and the tsar ' s most respected adviser. The defeated is sentenced to death. Raised on tiny Ovchinin Island her whole life, Vika is eager for the chance to show off her talent in the grand capital of Saint Petersburg. But can she kill another enchanter—even when his magic calls to her like nothing else ever has? For Nikolai, an orphan, the Crown ' s Game is the chance of a lifetime. But his deadly opponent is a force to be

reckoned with—beautiful, whip smart, imaginative—and he can ' t stop thinking about her. And when Pasha, Nikolai ' s best friend and heir to the throne, also starts to fall for the mysterious enchantress, Nikolai must defeat the girl they both love . . . or be killed himself. As long-buried secrets emerge, threatening the future of the empire, it becomes dangerously clear . . . the Crown ' s Game is not one to lose.

Welcome to a world made dangerous by the sea and by those who wish to profit from it. Where a young girl must find her place and her family while trying to survive in a world built for men. As the daughter of the most powerful trader in the Narrows, the sea is the only

home seventeen-year-old Fable has ever known. It's been four years since the night she watched her mother drown during an unforgiving storm. The next day her father abandoned her on a legendary island filled with thieves and little food. To survive she must keep to herself, learn to trust no one and rely on the unique skills her mother taught her. The only thing that keeps her going is the goal of getting off the island, finding her father and demanding her rightful place beside him and his crew. To do so Fable enlists the help

of a young trader named West to get her off the island and across the Narrows to her father. But her father's rivalries and the dangers of his trading enterprise have only multiplied since she last saw him and Fable soon finds that West isn't who he seems. Together, they will have to survive more than the treacherous storms that haunt the Narrows if they're going to stay alive. Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary Amy Tan: Unintended Memoir on Netflix
Four mothers, four daughters, four families whose

histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes

painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their patriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery. [There Is No Dragon In This Story](#) HarperCollins

For Jessa-Lynn Morton, the question is not an abstract one. In the wake of her father ' s suicide, Jessa has stepped up to manage his failing taxidermy business while the rest of the Morton family crumbles. Her mother starts sneaking into the taxidermy shop to make provocative animal art, while her brother, Milo, withdraws. And Brynn, Milo ' s wife—and the only person Jessa ' s ever been in love with—walks out without a word. It ' s not until the Mortons reach a tipping point that a string of unexpected incidents begins to

open up surprising possibilities and second chances. But will they be enough to salvage this family, to help them find their way back to one another? Kristen Arnett's breakout bestseller is a darkly funny family portrait; a peculiar, bighearted look at love and loss and the ways we live through them together.
