In this spellbinding novel, Lestat, rebel outlaw, addresses the tribe of vampires, telling us the mesmerizing story of how he became prince of the vampire world, and of the formation of the Blood Communion, and how his vision for the Children of the Universe to thrive as one, came to be. Lestat takes us from his ancestral castle in the snow-covered mountains of France to the verdant wilds of lush Louisiana, with its lingering fragrances of magnolias and night jasmine; from the far reaches of the Pacific 's

untouched islands to the 18th-century city of St. Petersburg and the court of the Empress Catherine. He speaks of his fierce battle of wits and words with the mysterious Rhoshamandes, proud Child of the Millennia, reviled outcast for his senseless slaughter of the legendary ancient vampire Maharet, avowed enemy of Queen Akasha, who refuses to live in harmony at court and who threatens all Lestat has dreamt of . . .

While the Body Thief, cloaked in Lestat's immortal powers, lays a trail of carnage across America and the Caribbean, Lestat himself is abandoned to the fragility of human life, and discovers that a mortal body is no fit receptacle for a vampire's soul. The Vampire Chronicles continue as the great vampire Marius returns. The golden-haired Marius, true Child of the Millennia, once mentor to The Vampire Lestat, always and forever the conscientious foe of the Evil Doer, reveals in his own intense yet intimate voice the secrets of his two-thousand-year existence. Once a proud Senator in Imperial Rome, kidnapped and made a “ blood god ” by the Druids, Marius becomes the embittered protector of Akasha and Enkil, Queen and King of the vampires, in whom the core of the supernatural race resides. We follow him through his heartbreaking abandonment of the vampire Pandora. Through him we see the fall of pagan Rome to the Emperor Constantine and the horrific sack of the Eternal City itself at the hands of the Visigoths. Bravely, Marius seeks a new civilization in the midst of glittering Constantinople, only to meet with the blood drinker Eudoxia. We see him ultimately returning to his beloved Italy, where after the horrors of the Black Death, he is restored by the beauty of the Renaissance. We see him become a painter living dangerously yet happily among mortals, giving his heart to the great Botticelli, to the bewitching courtesan Bianca, and to the mysterious young apprentice Armand. Moving from Rome to Florence, Venice, and Dresden, and to the English castle of the secret scholarly order of the Talamasca, the novel reaches its dramatic finale in our own time,

deep in the jungle where Marius, having told his life story, seeks some measure of justice from the oldest vampires in the world.
