Blood Of The Mantis
Shadows
Shadows of the Apt is a fantasy series by Adrian Tchaikovsky. The basic plot is fairly familiar: a single visionary must persuade his people of the imminent threat from a rapacious, conquering empire. The main twist is the idea of the insect-kind; all humans inherit powers based on the idealised abilities of a particular arthropod.

Blood of the Mantis is the
third volume in the Shadows
of the Apt sequence and the

penultimate book in the opening story arc. In this novel, Tchaikovsky abandons the large-scale war stories and huge battles of Dragonfly Falling to return to the back-alley intrigue and politicking of the first novel in the series.
