A curse upon the cursed is perhaps the Goddess 's most calculated gift. ~ Tacura of The Indomitus Witch Trinity Cillian Kilgarin. He is wolf-shifter—Indomitus—Clan leader of the cursed Kilgarin 's... and he is losing himself to the madness of his Nocturnal Transition. Morgan Neale is a gun-for-hire. And she is his R í , his Soul-Bearer, the one destined to save him from darkness and balance his existence. She does not. This human is a bloody curse. Stomping through his world with threats, violence, and foul-mouthed derision. She is the first weapon launched in an unprecedented attack against his clan, and if left unsolved, her mysteries may very well be their undoing. The Kilgarin and his R í share a union the world has never seen, but with unrelenting changes and unknown dangers, will their fledgling bond be strong enough to survive the most insidious enemy Clan Kilgarin has ever encountered?

The Family Shakspeare ... By T. Bowdler ... Sixth Edition John Wiley & Sons

Night falls. Passions are released. Yet human desire isn't the only thing the darkness brings with it. When the moon is high and the land is sleeping, gods descend and transform into men of such beauty, they are irresistible to mere mortals. Vampires hunt, not just for blood but for men worthy enough to join their ranks. And the Devil himself is free to roam and take what he wants from those who don't know any better. Other creatures tread bolder paths. They walk amongst us during daylight hours -- creatures like an ancient demon from the sea, ghosts of pirates long since dead, and a beast of blackbirds whose hunger is not for love or lust, but revenge. Even other worlds are not safe from creatures of the night. Many centuries into the future, man-love is illegal. Men caught coupling with other men are exiled to a verdant planet in whose breathtaking jungles lurks the last of an ancient race. And finally there are the creatures within ourselves. Borne from the desire for youth and beauty, a man can be driven to extreme lengths. He can become a beast as wicked and evil as anything hell can expel. Some men have no control over the beast within, while others endure the wickedness of a curse. One way or another, this book will keep you up until The Stroke of Midnight. Do you dare?

What happens when catastrophe becomes an everyday occurrence? Each of the seven stories in Assia Djébar 's The Tongue 's Blood Does Not Run Dry reaches into the void where normal and impossible realities coexist. All the stories were written in 1995 and 1996—a time when, by official accounts, some two hundred thousand Algerians were killed in Islamist assassinations and government army reprisals. Each story grew from a real conversation on the streets of Paris between the author and fellow Algerians about what was happening in their native land.

Contemporary events are joined on the page by classical themes in Arab literature, whether in the form of Berber texts sung by the women of the Mزاب or the tales from The Book of One Thousand and One Nights. The Tongue 's Blood Does Not Run Dry beautifully explores the conflicting realities of the role of women in the Arab world. With renowned and unparalleled skill, Assia Djébar gives voice to her longing for a world she has put behind her.

Prisoner's Cinema by Burning Tongue is the visual companion to their new LP. With chainsaw guitars, pummeling double-bass and a barking prophet preaching an end times message, BurningTongue is here to remind you that the plague has arrived and rain piss all over your pitiful socially-distanced BBQs, parkhangs and elbow daps. The debut LP from the band formerly known as Blackest, Prisoner's Cinema, is eleven newsongs of crushing nihilism that nod to the shadowy side of hardcore punk- channeling the works of everyone from Craftto Dwid Hellion to G.I.S.M. and updating them for modern audiences. This is real hate, played real fast. Like the iconic scene from the legendary A Clockwork Orange, Prisoner's Cinema is an unflinching and cynical view of modern life while strapped to a gurney with eyelids peeled back. With themes of emotional release, codependency, substance abuse and hitting rock bottom appearing on the release, the LP references the Laurie Anderson documentary Heart of a Dog and examines being placed in an inescapable situation of one's own doing. "Sometimes maintaining the happiness of others gets in the way of your own," reflects vocalist Chris Marotta. "There are times when we repress our thoughts and emotions for the sake of others. This can be positive in the moment but isn't a viable solution long term. Prisoner's Cinema is not only my catharsis but also my way of warning others of the dangers of doing so." The result is a true juggernaut: Prisoner's Cinema is Merauder on meth, Leviathan off of the anti-depressants and your bulldozing soundtrack to society's collapse.

"Seth Wickersham has managed to do the impossible: he has pulled off the definitive document of the Belichick/Brady dynasty." —Bill Simmons, The Ringer The explosive, long-awaited account of the making of the greatest dynasty in football history—from the acclaimed ESPN reporter who has been there from the very beginning. Over two unbelievable decades, the New England Patriots were not only the NFL 's most dominant team, but also—and by far—the most secretive. How did they achieve and sustain greatness—and what were the costs? In It's Better to Be Feared, Seth Wickersham, one of the country 's finest long form and investigative sportswriters, tells the full, behind-the-scenes story of the Patriots, capturing the brilliance, ambition, and vanity that powered and ultimately unraveled them. Based on hundreds of interviews conducted since 2001, Wickersham 's chronicle is packed with revelations, taking us deep into Bill Belichick 's tactical ingenuity and Tom Brady 's unique mentality while also reporting on their divergent paths in 2020, including Brady 's run to the Super Bowl with the Tampa Bay Buccaneers. Raucous, unvarnished, and definitive, It 's Better to Be Feared is an instant classic of American sportswriting in the tradition of Michael Lewis, David Maraniss, and David Halberstam.

Without any prospects or suitors, Elora Stone has been reduced to robbing her late uncle 's country home of its valuables to support

herself. It should have been a quick journey to gather the silverware and pawn it until her theft is interrupted by the vampire who has taken up residence in the abandoned house. Ben Lang knows exactly what kind of vampire he is: a terrible one. It ' s been over a year since he was turned and he still can ' t glamour humans, let alone the beautiful one who broke into his new home. When he tries to use the charm that got him through his human life, Elora can see through that, too, right into his lonely soul. But blood is shed when one of Ben ' s vampire acquaintances turns up and tries to take Elora for himself. With a nest of vengeful bloodsuckers after them, Ben and Elora have no choice other than to escape together and keep them off their trails. As it turns out, running for one ' s life is a lot easier to do when you ' re not fighting an attraction, too...

A special value for fans of Louise Penny and Peter Robinson—the first three unforgettable Cooper & Fry novels in one e-book: *Black Dog*, *Dancing with the Virgins* and *Blood on the Tongue*. *Black Dog*: The search for beautiful, teenaged Laura Vernon is over when her body is found, mutilated, in the forest. Ben Cooper is on the case, and he's been paired with a new partner. Diane Fry is as tenacious as she is alluring. But the two must work together to apprehend a killer who is hiding in plain sight. *Dancing with the Virgins*: As winter closes in on the moors, so does murder. The body of a young woman is found within a ring of ancient cairns and a second woman has been attacked, savagely wounded and severely traumatized...but alive. Cooper & Fry must unlock the memories trapped inside her mind before more blood is shed among the stones. *Blood on the Tongue*: A New Year means new homicides to solve in the icy depths of a bitter January. A woman is found, dead, who seems to have curled up in the freezing snow and lain there until her heart stopped. Did she go willingly towards death or is there a more sinister explanation? Cooper & Fry are desperate to find the answers. Warning: reading this bundle may result in an addiction to the mysteries of Cooper & Fry.

Eternal love or the final nail in the coffin... Drew Carlton is a 25 year old athletic hunk who doesn't know how good-looking he really is. He's waited a long time for the special night when he enters Club Fangtasy, nervous about his first time with a man. Especially a man who also happens to be a vampire. Ben Wilhelm won't reveal his age. (Isn't it rude to ask a vampire how old he is?) Ben's not looking for love; he's just looking for a warm place to sink his fangs for the night. When he sees the young stud across the dance floor, feelings are awakened deep within him that he hasn't experienced in over a century. The revelation of a shocking secret organization raises the stakes, putting both their lives in jeopardy. What do you do when your survival depends on someone you don't really trust? Will the dark desires and forbidden attraction between a vampire and a human lead to eternal love or the final nail in the coffin? This standalone paranormal gay romantic suspense novella contains romance, action, and adventure as well as an HEA ending.

Tongue Twisters Big Book: For Speech Clarity & Fun HarperCollins

Blood on the Tongue is a complex, atmospheric police procedural perfect for fans of Ian Rankin and Peter Robinson. It's a new year for Peak District detectives Ben Cooper and Diane Fry, and that means new murders to solve in the icy depths of a bitter winter in Edendale, Derbyshire. It isn't the easiest way to commit suicide, but the dead woman seems to have simply curled up in the freezing snow and lain there until her heart stopped. There was no one to observe her death but the foxes and the hares. Yet she is riddled with bruises. Cooper and Fry are put on the case but they have as much questions about the abuse the woman might have suffered in life as they do the circumstances of her death. The unidentified body of a dead man is found by the roadside. And an intriguing young woman arrives in Edendale desperate to solve a decades old puzzle that has haunted her family: a Royal Air Force bomber crashed into Edendale, in the same spot where the frozen corpse was found, killing everybody on board except for the pilot, who supposedly walked away from the wreck and was never seen again. With colds and flus and holiday plans thinning out the ranks of the Edendale police force, Cooper and Fry are scrambling to find an explanation for the two recent deaths while being pulled deeper into the mysteries of the past. Rich with multiple intertwining mysteries, this Cooper and Fry thriller has all of psychological suspense and three dimensional characters that fans have come to expect from Stephen Booth—a master of his craft.
