**Wolves of Wrath** Quinn Loftis Books, LLC via PublishDrive A pack is made up of many members. And each of those members has his or her own story to tell. The following is a collection of four stories of the Romanian Greys and their allies. Sacred

Silence I thought nothing could be eviler than Desdemona, or Reyaz, or any other villain we've faced down. I was wrong. I read all the books I could devour on the beauty of parenthood. I thought I was ready. But nothing could have prepared me for the hurricane of jacked-up emotional chaos otherwise known as post-partum hormones. ~Jen Resounding Silence Duty, sacrifice, service, and discipline. These were the characteristics that

described Cyn, the warrior fae. Though love was out of her reach, she thought this life was all she needed. She had never been more wrong. A chance meeting with the Prince of the Elves turns her carefully structured world upside down. Piercing Silence It's been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates, wondering if they would ever see their mates again. Six months since she and Fane found out that Jen and Decebel would not be

---

the only couple adding a new pup to the pack. Six months of peace and quiet...other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun. When she isn't complaining about that, she spends her time commenting on how Jacque's butt is getting wider by the minute. Jacque doesn't know it, but the reprieve was about to be over. Forgotten Silence Filthy. Disgusting. Unworthy trash. The same thoughts keep swirling in Sally's mind. She's broken and no one can fix her--not her friends, try as they might, and not her beautiful mate. She'd thought when Costin had rescued her from Jericho's clutches, broken the spell the rogue werewolf had cast on her, and left the cur lying in bloody pieces on

the floor of an Ocean Side bar, that one day she might find some peace. Perhaps, with time, she could forget the horrible things she'd done. Perhaps she could forget how she had betrayed her one true mate. Now, several weeks later, the memories and the nightmares have only grown stronger. Prince of Wolves Createspace Independent Pub How much heartbreak can one person take? Perizada, high fae, ambassador, mate, and friend to those in the Romanian pack, has lost her way. Everything about the fae is in question: her loyalty, her love, even her very existence. Still, her friends refuse to give up hope. The Order's compound has been brought to the ground, reduced to ash, but can Perizada's attack even be considered a victory given the sacrifice made to achieve it? What of the innocents trapped within the compound's walls? Were any of those lives spared? Even with all they have faced, the challenges, the loss and pain, Fane, Jacque, their pack, and allies remain steadfast in their fight against evil. Past experiences give them hope that not all is as it seems. Perhaps there are hearts that still beat where others perished. And always with them is their Creator, the Great Luna, an ever present help in trouble. She offers light when there is only darkness, love when the heart is

broken, and forgiveness when transgressions overwhelm them. Their battle is far from over, but there is no victory without sacrifice. There is no light without darkness. There is no joy without sorrow. There are no miracles without faith. Book 11 of the Grey Wolves Series Quinn Loftis Books, LLC The Romanian and Serbian Canis lupus rest in an uneasy peace. One of their own, Sally Miklos, the young and powerful gypsy healer, aids Perizada in her quest to defeat Volcan, a long forgotten nightmare returned to our world. These two packs watch as their brothers across the world, wolves from Spain, Ireland, and America, join their own forces in the battle against the evil dark fae. At the same time, the packs hope against hope that their presence might reveal a mate bond between a pack member and one of the five recently discovered gypsy healers. While Jacque and Jen miss Sally, their longtime best friend, they have bided their time dealing with their own domestic issues. Jacque and Fane are anticipating the birth of their first child and Jen and Decebel face the challenges of caring for an infant. Both girls are eagerly awaiting Sally's return, and have Perizada's word that she will be back in time for the birth of Jacque's baby. Vasile and Alina, the Alpha pair of the Romanian pack, are enjoying this time of peace. But Vasile did not become the most powerful Alpha in centuries by being a fool. He has lived long enough to know that there is always another battle on the horizon. As long as evil exists in this world, his race must step forward and stand in the gap, shielding those who cannot protect

---

themselves. But the battle he is anticipating is bigger than he could have ever imagined. As Perizada has recently discovered, creatures of the night that have for so long remained hidden from the human realm, have slithered from their underground lairs and begun preying on the young and innocent. The high fae has declared war, and she expects Vasile and his wolves to be the ones to carry out the attack. The Alpha is more than happy to oblige. But with his first grandchild on the way, and the gift of five vulnerable healers coming under the wolves' protection, he understands that he must be very careful not to place any of them in harm's way. Such is the job of the Alpha, protector, and provider. He and those he leads must stand as sentinels and warriors to safeguard those they love, and the humans who know nothing of the supernatural world. It will be their job to destroy the creatures that threaten to expose them all. And if they fail, the world as they know it, both human and supernatural, will never be the same.

### The Hunt Begins Createspace Independent Pub

Supernatural war is on the horizon, and no one will escape unscathed. Enemy after enemy, foe after foe, has fallen before the combined might of the Romanian grey wolves and their allies among the supernatural races. But now the alliance doesn't fight a single supernatural threat. It's no longer a single coven of vampires, a lone deranged warlock, or a rogue pack that threatens their safety. Now, the wolves face a

unified force of evil--the Order of the Burning Claw. The Order needs a representative from every supernatural race to unleash a spell that will enslave humanity forever, and they've just recruited one of their most powerful members. The Order will stop at nothing to gain power, including kidnapping the pack's children and its beleaguered healer. The Romanian pack would love nothing more than to bring the wrath of the Great Luna down upon their foes. But how can they do that when their enemies hold captive the pack's greatest treasures. Before this is over, bonds will be tested, a new leader will rise, and all hell will break loose.

*The Odyssey* Quinn Loftis Books, LLC  
As one evil falls, another rises in its place. The powerful witch, Desdemona, has finally been killed by an alliance of wolf, elf, and fae. But Reyaz, brother to Cypher the warlock king, has vowed retribution for a life that was taken from him. Now Cypher must decide not only how to protect his newfound mate and his people, but also how to destroy the only family he has left. Meanwhile, Jen's pregnancy progresses and the fateful due date draws ever nearer. The

thought of losing Decebel's child constantly threatens to overwhelm her. With each passing day, Decebel grows more distant, causing Jen to wonder what toll the impending loss of their child is taking on him. Unbeknownst to Jen, in an act of desperation to protect his unborn child and mate, Decebel strikes a deadly bargain with the Great Luna-his life in place of his child's. There is only one way for that to happen; the bond between he and Jen must be broken. As Jen as Decebel struggle through their darkness, another kind of darkness is infiltrating Fane's heart. Doubts and questions linger as he tries to cope with the emotions brought on in the aftermath of Desdemona's curse. He knows what happened wasn't real, but still he can't rid himself of the terrible images seared into his memory. Jacque is his light, the one who keeps the darkness at bay, yet he won't let her inside to do just that. Sally continues to learn what it means to be a gypsy healer and Costin struggles to protect her as she runs full speed ahead to help her wolves,

---

heedless of her own safety. She sees her best friends struggling, each enduring their own trials. She's desperate to help them, but can she keep them safe? With all of these things hanging heavy over the heads of the Serbia and Romania packs, their attention is divided. The wolves do not even realize a threat has slowly infiltrated their midst. Will they recognize the threat in time to save the lives that precariously hang in the balance? Against this backdrop of darkness, choices will be made, fears will be confronted, and the ultimate sacrifice will be made. Will the wolves stand together to defeat the threats arrayed against them, both from within and without? Will love conquer all? Or will the beleaguered wolves finally succumb to their demons?

Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack. She and Fane thought his demons had been dealt with, but the nightmares are back and the In-Between is once again ripping a hole inside of her mate. Jacque can't stand to see him hurting. She can't stand knowing that in some way she was responsible for his struggle because she, after all, was the subject of his pain from the In-Between. She'll do anything to stop his turmoil. So she makes a desperate decision to do what she thinks her mate needs, or doesn't need. Others will call it insane. Jen will add her own creative descriptions, including expletives thrown in for added effect. Whatever you call it, Jacque calls it an answer to the darkness that is slowly consuming her

mate. She knows that if Fane has any idea of what she has planned, he would chain her to his side. So, naturally she does what any female Canis lupus would do in her shoes--she shuts down the bond and prays that no one gets in her way. She knows he might never forgive her, but then, if her plan works, he won't even remember her name.
