Crossroads Red Wheel/Weiser
In *Dreams of the Burning Child*, David Lee Miller explores the uncanny persistence of filial sacrifice as a motif in English literature and its classical and biblical antecedents. He combines strikingly original reinterpretations of the *Aeneid*, *Hamlet*, *The Winter's Tale*, and *Dombey and Son* with perceptive accounts of dreams found in memoirs, poems, and psychoanalytic texts. Miller looks closely at the grisly fantasy of the sacrifice of sons as it is depicted in classical epic, early modern drama, the nineteenth-century novel, the postcolonial novel, the lyric, the funeral

elegy, sacred scriptures, and psychoanalytic theory. He also draws examples from painting, sculpture, photography, and architecture into a witty and engaging discussion that ranges from the binding of Isaac to Chinua Achebe's *Things Fall Apart*, and from questions of literary history to the dilemmas of patriarchal masculinity.

Crossroads Bell Bridge Books
The authors draw from a wide range of sources, bringing together historical research which provides insights into the magical and religious practices associated with the Goddess Hekate. In doing so they provide an indispensable

guide for those wishing to explore the mysteries of Hekate today.

Llewellyn's 2021 Witches' Spell-A-Day Almanac Simon and Schuster

What does it mean to live out the theology presented in the Great Commandment to “ love God above all and to love your neighbor as yourself ” ? In Blood and Fire, Poloma and Hood explore how

understandings of godly love function to empower believers. Though godly love may begin as a perceived relationship between God and a person, it is made manifest as social behavior among people. Blood and Fire offers a deep ethnographic portrait of a charismatic church and its faith-based ministry, illuminating how religiously motivated social service makes use of beliefs about the nature of God's love. It traces the triumphs and travails associated with living a set of rigorous religious ideals, providing a richly textured analysis of a faith community affiliated with the “ emerging church ” movement in Pentecostalism, one of the fastest-growing and most dynamic religious movements of our day. Based on more than four years of interviews and surveys with people from all levels of the organization, from the leader to core and marginal members to the poor and addicts they are seeking to serve, Blood and Fire sheds light on the differing worldviews and religious perceptions between those who served in as well as those who were served by this ministry. Blood and Fire argues that godly love— the relationship between perceived divine love and human

response— is at the heart of the vision of emerging churches, and that it is essential to understand this dynamic if one is to understand the ongoing reinvention of American Protestantism in the twenty-first century.

Blood and Fire Llewellyn Worldwide

In *Sacrifice in Modernity: Community, Ritual, Identity* it is demonstrated how sacrificial themes remain an essential element in our post-modern society.

Besom, Stang, and Sword Barghest Press Publishing

The South has always been one of the most distinctive regions of the United States, with its own set of traditions and a turbulent history. Although often associated with cotton, hearty food, and rich dialects, the South is also noted for its strong sense of religion, which has significantly shaped its history. Dramatic political, social, and economic events have often shaped the development of southern religion, making the nuanced dissection of the religious history of the region a difficult undertaking. For instance, segregation and the subsequent civil rights movement profoundly affected churches in the South as they sought to mesh the tenets of their faith with the prevailing culture. Editors Walter H. Conser and Rodger M. Payne and the book ' s

contributors place their work firmly in the trend of modern studies of southern religion that analyze cultural changes to gain a better understanding of religion's place in southern culture now and in the future. *Southern Crossroads: Perspectives on Religion and Culture* takes a broad, interdisciplinary approach that explores the intersection of religion and various aspects of southern life. The volume is organized into three sections, such as "Religious Aspects of Southern Culture," that deal with a variety of topics, including food, art, literature, violence, ritual, shrines, music, and interactions among religious groups. The authors survey many combinations of religion and culture, with discussions ranging from the effect of Elvis Presley's music on southern spirituality to yard shrines in Miami to the archaeological record of African American slave religion. The book explores the experiences of immigrant religious groups in the South, also dealing with the reactions of native southerners to the groups arriving in the region. The authors discuss the emergence of religious and cultural acceptance, as well as some of the apparent resistance to this development, as they explore the experiences of Buddhist Americans in the South and Jewish foodways. *Southern Crossroads* also looks at distinct markers of

religious identity and the role they play in gender, politics, ritual, and violence. The authors address issues such as the role of women in Southern Baptist churches and the religious overtones of lynching, with its themes of blood sacrifice and atonement. *Southern Crossroads* offers valuable insights into how southern religion is studied and how people and congregations evolve and adapt in an age of constant cultural change.

Sacrifice in Modernity: Community, Ritual, Identity NYU Press

"Give every day a magical lift with these easy yet powerful bewitchments, recipes, rituals, and spells. Perfect for beginners, advanced practitioners, and those who are always on the go, the spells in this almanac are deeply meaningful and accessible for all."--Back cover.

Under the Blood Moon Llewellyn Worldwide
The sentries watch and record each new incident, growing more haggard event by event, but never tiring of the dramas that unfold so characters can reach a greater understanding of themselves through each harrowing event. At *Crossroads*, an emotionally complex vision of real-world events and feelings are cast in mystery and brought to life through period antiques found there. Each event manifested from the period piece leads the character into a deep chasm of discovery brought on by that single piece of

antiquity that calls to them from their past. For Calvin Johnson, a Southern redneck, his reformation began when he picks up an old toy tractor that reminds him of his childhood. In the hour that follows, his present-day belligerence and disdain for existing social norms are permanently altered. The sole witness to this epiphany is a strange old woman—silent yet wise, kind yet cruel—harbored in this ancient location, kept company only by the sentries at the *Crossroads*. Grace's resurrection from an out-of-control gambler begins as a mad dash through the junk store with her best friend, Theresa. Their goal is to find the most outrageous trinket possible. Grace is sure she won. She has, but not by finding the most outrageous trinket. Chris's metamorphosis from a man of handicap to one of health, who in turns wields out handicap, begins when he finds an old walking stick. He leaves the store with that stick and an appreciation for so much more. Rutherford's awakening to the harsh reality of bigotry comes in the color of another man's skin. The temptress of bigotry is known to him, but after his experience, he knows it will never suck him in again. Janette's acknowledgement of the person she has become comes to her upon the death of her alter consciousness. She realizes it is the death of her alter ego and vows to change

her ways to avoid this reality in her everyday life. The strength of family is revealed to Alex during the hell of war and survival. Family will never be shirked again in his life. Joseph finds an inner strength to persevere only to have it ripped from his fingers. His appreciation of inner strength, leadership, and accomplishment will never be the same. Lisa discovers unknown truths that shatter her beliefs in the world she so carefully construes. It defies her logic, but makes her understand what a pupil on the world stage she was. Rod finds the euphoria of his past only to have it stripped away. He comes to realize that some things never change. Wayne rediscovers integrity to guide him on a straighter path. He realizes he never should have left it behind. Through it all, the caretaker observes, watching each and every stage play evolve before her. She does not participate, only witnesses the harrowing events that changes each character forever. Her only comrades are the sentries that stand guard in the blazing sun at the Crossroads. She knows the stories of the items she watches over. She observes the reactions of each character that become bound to her charges. She possesses the knowledge to understand. Each event unfolds with difference before her. Boredom never comes to visit her or the sentries. They wait patiently and know that a new event will

unfold before them soon. New people that visit the old store usually leave with a useless item of antiquity. All leave with a new understanding of their life. The old woman watches as they depart with their worthless trinkets. And she wonders if the true lesson learned at the Crossroads will stay with them longer.

For more than a thousand years, Buddhism has dominated Japanese death rituals and concepts of the afterlife. The nine essays in this volume, ranging chronologically from the tenth century to the present, bring to light both continuity and change in death practices over time. They also explore the interrelated issues of how Buddhist death rites have addressed individual concerns about the afterlife while also filling social and institutional needs and how Buddhist death-related practices have assimilated and refigured elements from other traditions, bringing together disparate, even conflicting, ideas about the dead, their postmortem fate, and what constitutes normative Buddhist practice. The idea that death, ritually managed, can mediate an escape from deluded rebirth is treated in the first two essays. Sarah Horton traces the development in Heian Japan (794 – 1185) of images depicting the Buddha Amida descending to welcome devotees at the moment of death, while Jacqueline Stone

analyzes the crucial role of monks who attended the dying as religious guides. Even while stressing themes of impermanence and non-attachment, Buddhist death rites worked to encourage the maintenance of emotional bonds with the deceased and, in so doing, helped structure the social world of the living. This theme is explored in the next four essays. Brian Ruppert examines the roles of relic worship in strengthening family lineage and political power; Mark Blum investigates the controversial issue of religious suicide to rejoin one's teacher in the Pure Land; and Hank Glassman analyzes how late medieval rites for women who died in pregnancy and childbirth both reflected and helped shape changing gender norms. The rise of standardized funerals in Japan's early modern period forms the subject of the chapter by Duncan Williams, who shows how the Soto Zen sect took the lead in establishing itself in rural communities by incorporating local religious culture into its death rites. The final three chapters deal with contemporary funerary and mortuary practices and the controversies surrounding them. Mariko Walter uncovers a "deep structure"

informing Japanese Buddhist funerals across sectarian lines—a structure whose meaning, she argues, persists despite competition from a thriving secular funeral industry. Stephen Covell examines debates over the practice of conferring posthumous Buddhist names on the deceased and the threat posed to traditional Buddhist temples by changing ideas about funerals and the afterlife. Finally, George Tanabe shows how contemporary Buddhist sectarian intellectuals attempt to resolve conflicts between normative doctrine and on-the-ground funerary practice, and concludes that human affection for the deceased will always win out over the demands of orthodoxy. *Death and the Afterlife in Japanese Buddhism* constitutes a major step toward understanding how Buddhism in Japan has forged and retained its hold on death-related thought and practice, providing one of the most detailed and comprehensive accounts of the topic to date. Contributors: Mark L. Blum, Stephen G. Covell, Hank Glassman, Sarah Johanna Horton, Brian O. Ruppert, Jacqueline I. Stone, George J. Tanabe, Jr., Mariko Namba Walter, Duncan Ryuken Williams.

The Candle and the Crossroads University of Hawaii Press
HER ENEMY WILL STOP AT NOTHING FOR CONTROL... SHE WILL RISK EVERYTHING FOR FREEDOM. A horrific crime shatters Lisa Harper's idyllic childhood. Her father is dead and her desperate mother, Annie, quickly marries Dutch Hauk, an abusive monster who soon reveals his hatred for Lisa. To protect her, Annie defies her ruthless husband and forfeits custody to a trusted friend. Enraged, Dutch vows to keep Annie and Lisa apart—and he does. Years later, though keenly aware of Dutch's evil intent, Lisa and her mother seize a chance to be a family, safe in a home where love dwells. But they fail to fathom how far Dutch will go to keep his vow. Determined to control his women, Dutch proves resourceful. His associates in crime are feared at the highest levels across the globe—and for Lisa they plan a fate worse than death. Yet she too has formidable connections, including former Special Operations Officer Mark Taylor. Burdened by his own traumatic past, Mark has loved Lisa from afar. Now, for Lisa and

her mother to survive, Mark must risk his life—and even more difficult for him, he must trust God. All as one question haunts them: Can Mark and Lisa untangle these deadly ties before it ' s too late? “ Vicki Hinze has...talent for transforming the unlikely into something beautiful. ”

Demon Soul (Crossroads Witch Book 2) Long Roads and Dark Ends Press

I ' m just an ordinary, middle-aged woman, and my life is falling apart.... When did I become such a clich é ? I ' m divorced, working a crappy job, living on next to nothing, and wondering how it all went so wrong. Then it goes even more wrong. My

grown daughter turns up after not speaking to me for two years, with stunning news of her own, and to cap it off, I ' m summoned to a tiny, isolated hamlet in northern New York called Haighton Crossing, where my mother has lived for decades. Haighton Crossing looks like a throwback to another time. For such a small place, it is stuffed full of secrets. The people there are different, including the town ' s doctor, Benedict Marcus. And Haighton Crossing is way, way too small to host a murder.... This book is part of the paranormal women ' s fiction series, *Wichtown Crossing: 1.0: Crossroads Magic ...with more to come!* A Paranormal Women ' s Fiction novel. ___ Praise for Tracy Cooper-Posey ' s paranormal fiction: I ' m rapidly falling in lust with all these characters and stories and can ' t wait to read more.—Carrie Reads a Lot As always a cracking story – definitely a keeper series—Jeannie Zelos Book reviews. Reader reviews: Filled with the brilliant imaginings of a master of worldbuilding, and is positively littered with staggering, thought-provoking concepts. At times it felt like the main location was a minor character itself. I can't tell you how glad I was to find Tracy Cooper-Posey. If you like action, adventure, and love this is the book for you. I just couldn't put it down. Written flawlessly and the story flowed so effortlessly you could imagine you actually know these people What a writer TCP is - she continually surprises and surpasses my expectations. ____ Tracy Cooper-Posey is the author of the popular *Scandalous Scions* historical romance series, among others. She writes historical

suspense, romantic suspense, historical, paranormal, fantasy and science fiction romance. She has published over 180 titles since 1999, been nominated for five CAPAs including Favourite Author, and won the Emma Darcy Award. She turned to indie publishing in 2011. Her indie titles have been nominated four times for Book Of The Year. Tracy won the award in 2012, and a SFR Galaxy Award in 2016 for “ Most Intriguing Philosophical/Social Science Questions in Galaxybuilding. ” She has been a national magazine editor and for a decade she taught romance writing at MacEwan University. She is addicted to Irish Breakfast tea and chocolate, sometimes taken together. In her spare time she enjoys history, Sherlock Holmes, science fiction and ignoring her treadmill. An Australian Canadian, she lives in Edmonton, Canada with her husband, a former professional wrestler, where she moved in 1996 after meeting him on-line.

Crossroads of Souls Ace Books

The first academic book-length study devoted to Karl May festivals, a specific type of Wild-West-themed festivals that take place in Germany every summer, *Blood Brothers and Peace Pipes* introduces readers to a performance world that is popular at home yet virtually unknown elsewhere. Named for Karl May (1842-1912), arguably the most famous German writer of adventure fiction in the nineteenth and twentieth centuries, these thirteen or so festivals dramatize the exploits of

May's most famous Wild West heroes, the Mescalero Apache Winnetou and his blood-brother, the German frontiersman Old Shatterhand, in entertaining theatre plays that use horses, other animals, stunts, and special effects on outdoors stages built specifically for them. Based on ethnographic studies of six of these events, Weber explores the most fundamental features of Karl May festivals: their "Indian" iconographies, fraternity narratives, hybrid genre form, borrowings from U.S. Wild West shows, and performative diversity. Her narrative accounts of these festivals and their interdisciplinary analysis based on German literature and culture studies, folklore, ethnography, and performance studies, theatre studies, and history guide readers through a specifically German performance world that is not an upshot of the American western, but a homegrown, traditional German version that evolved parallel with it. The composite image of Karl May festivals that emerges in the course of Weber's analysis is that of a unique type of popular event that expresses a deep yearning in German society, that for egalitarian and respectful cross-cultural interactions. Llewellyn's 2019 *Magical Almanac* University of Wisconsin Press Presents doll spells drawn from New Orleans

Voodoo and hoodoo traditions as well as those from ancient Greece, Egypt, Malaysia, Japan, and Africa, intended to produce fast-acting, long-lasting magic.

Cold Fire BRILL

The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! In *Crossroads of Twilight*, the tenth novel in Robert Jordan's #1 New York Times bestselling epic fantasy series, *The Wheel of Time*®, Rand al'Thor and his allies endure trials by fire amidst battles, sacrifices, and treachery. Fleeing from Ebou Dar with the kidnapped Daughter of the Nine Moons, whom he is fated to marry, Mat Cauthon learns that he can neither keep her nor let her go, not in safety for either of them, for both the Shadow and the might of the Seanchan Empire are in deadly pursuit. Perrin Aybara will stop at nothing to free his wife Faile from the Shaido Aiel. Consumed by rage, he offers no mercy to those he takes prisoner. And when he discovers that Masema Dagar, the Prophet of the Dragon, has been conspiring with the Seanchan, Perrin considers making an unholy alliance. Rand al'Thor, the Dragon Reborn himself, has cleansed the Dark One's taint from the male half of the True Source, and everything has changed. Yet nothing has, for only men who can channel believe that saidin

is clean again, and a man who can channel is still hated and feared—even one prophesied to save the world. Now, Rand must gamble again, with himself at stake, and he cannot be sure which of his allies are really enemies. Since its debut in 1990, *The Wheel of Time*® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. The last six books in series were all instant #1 New York Times bestsellers, and *The Eye of the World* was named one of America's best-loved novels by PBS's *The Great American Read*. Blood Brothers and Peace Pipes Orbit

The invocation of blood-as both an image and a concept-has long been critical in the formation of American racism. In *Blood Work*, Shawn Salvant mines works from the American literary canon to explore the multitude of associations that race and blood held in the consciousness of late nineteenth- and early twentieth-century Americans. Drawing upon race and metaphor theory, Salvant provides readings of four classic novels featuring themes of racial identity: Mark Twain's *Pudd'nhead Wilson* (1894); Pauline Hopkins's *Of One Blood* (1902); Frances Harper's *Iola Leroy* (1892); and William Faulkner's *Light in August* (1932). His expansive analysis of blood imagery uncovers far more than the merely biological connotations that dominate many studies of blood rhetoric: the racial discourses of blood in these novels encompass the anthropological and the legal, the violent and the religious. Penetrating and insightful, *Blood Work* illuminates the broad-ranging power of the blood metaphor to script distinctly

American plots-real and literary-of racial identity.
