A riveting true story of murder and detection in 15th-century Paris, by one of the most brilliant medievalists of his generation. On a chilly November night in 1407, Louis of Orleans was murdered by a band of masked men. The crime stunned and paralyzed France since Louis had often ruled in place of his brother King Charles, who had gone mad. As panic seized Paris, an investigation began. In charge was the Provost of Paris, Guillaume de Tignonville, the city's chief law enforcement officer -- and one of history's first detectives. As de Tignonville began to investigate, he realized that his hunt for the truth was much more dangerous than he ever could have imagined. A rich portrait of a distant world, Blood Royal is a gripping story of conspiracy, crime and an increasingly desperate hunt for the truth. And in Guillaume de Tignonville, we have an unforgettable detective for the ages, a classic gumshoe for a cobblestoned era.

What's not to like about a relaxing aromatic bath? How about a nice, relaxing, wonderfully fragrant bath with the power to draw in business, bring good luck, create a sense of wellbeing, wash off evil and negative energies and help you succeed in life? That is the nature of Spiritual baths. Spiritual baths combine the healing power of water with the qualities of various herbs and minerals to shift spiritual energy in your favor. Rootworkers, Hoodoos, and conjurers of all varieties have long used Spiritual baths to help them get what they want and need in life. The Crossroads Mamas bring you 105 of their favorite spiritual baths drawn from the Santeria, New Orleans Voodoo and Hoodoo traditions that are guaranteed to enchant and remedy any life condition.

Blood Harvest Roc

In *Dreams of the Burning Child*, David Lee Miller explores the uncanny persistence of filial sacrifice as a motif in English literature and its classical and biblical antecedents. He combines strikingly original reinterpretations of the Aeneid, Hamlet, The Winter's Tale, and Dombey and Son with perceptive accounts of dreams found in memoirs, poems, and psychoanalytic texts. Miller looks closely at the grisly fantasy of the sacrifice of sons as it is depicted in classical epic, early modern drama, the nineteenth-century novel, the postcolonial novel, the lyric, the funeral elegy, sacred scriptures, and psychoanalytic theory. He also draws examples from painting, sculpture, photography, and architecture into a witty and engaging discussion that ranges from the binding of

Isaac to Chinua Achebe's *Things Fall Apart*, and from questions of literary history to the dilemmas of patriarchal masculinity.

[Blood Sacrifice and the Nation](#) Funstory

Shows how the system of sacred violence at the heart of the conventional culture is being undermined by the biblical tradition, especially the Gospel.

The Wild Hunt is stirring - and the dragons are finally waking from their long sleep... Cat Barahal was the only survivor of the flood that took her parents. Raised by her extended family, she and her cousin, Bee, are unaware of the dangers that threaten them both. Though they are in beginning of the Industrial Age, magic - and the power of the Cold Mages - still hold sway. Now, betrayed by her family and forced to marry a powerful Cold Mage, Cat will be drawn into a labyrinth of politics. There she will learn the full ruthlessness of the rule of the Cold Mages. What do the Cold Mages want from her? And who will help Cat in her struggle against them?

The first academic book-length study devoted to Karl May festivals, a specific type of Wild-West-themed festivals that take place in Germany every summer, *Blood Brothers and Peace Pipes* introduces readers to a performance world that is popular at home yet virtually unknown elsewhere. Named for Karl May (1842-1912), arguably the most famous German writer of adventure fiction in the nineteenth and twentieth centuries, these thirteen or so festivals dramatize the exploits of May's most famous Wild West heroes, the Mescalero Apache Winnetou and his blood-brother, the German frontiersman Old Shatterhand, in entertaining theatre plays that use horses, other animals, stunts, and special effects on outdoors stages built specifically for them. Based on ethnographic studies of six of these events, Weber explores the most fundamental features of Karl May festivals: their "Indian" iconographies, fraternity narratives, hybrid genre form, borrowings

from U.S. Wild West shows, and performative diversity. Her narrative accounts of these festivals and their interdisciplinary analysis based on German literature and culture studies, folklore, ethnography, and performance studies, theatre studies, and history guide readers through a specifically German performance world that is not an upshot of the American western, but a homegrown, traditional German version that evolved parallel with it. The composite image of Karl May festivals that emerges in the course of Weber's analysis is that of a unique type of popular event that expresses a deep yearning in German society, that for egalitarian and respectful cross-cultural interactions.

Blood Rituals LSU Press

Set in a fractured United States, in the southwestern country now known as Texoma. A world where magic is acknowledged but mistrusted, especially by a young gunslinger named Lizbeth Rose. Battered by a run across the border to Mexico Lizbeth Rose takes a job offer from a pair of Russian wizards to be their local guide and gunnie. For the wizards, Gunnie Rose has already acquired a fearsome reputation and they're at a desperate crossroad, even if they won't admit it. They're searching through the small border towns near Mexico, trying to locate a low-level magic practitioner, Oleg Karkarov. The wizards believe Oleg is a direct descendant of Grigori Rasputin, and that Oleg's blood can save the young tsar's life ...

Sacrifice in Modernity: Community, Ritual, Identity Weiser Books Presents doll spells drawn from New Orleans Voodoo and hoodoo traditions as well as those from ancient Greece, Egypt, Malaysia, Japan, and Africa, intended to produce fast-acting, long-lasting magic.

Backwoods Witchcraft Simon and Schuster

Blood for Thought delves into a relatively unexplored area of rabbinic literature: the vast corpus of laws, regulations, and instructions pertaining to sacrificial rituals. Mira Balberg traces and analyzes the ways in which the early rabbis interpreted and conceived of biblical sacrifices, reinventing them as a site through which to negotiate intellectual, cultural, and religious trends and practices in their surrounding world. Rather than viewing the rabbinic project as an attempt to generate a nonsacrificial version of Judaism, she argues that the rabbis developed a new sacrificial Jewish tradition altogether, consisting of not merely substitutes to sacrifice but elaborate practical manuals that redefined the processes themselves, radically transforming the meanings of sacrifice, its efficacy,

and its value.

Hecate's Heir Infobase Publishing

In *Sacrifice in Modernity: Community, Ritual, Identity* it is demonstrated how sacrificial themes remain an essential element in our post-modern society.

Crossroads Mamas' 105 Spiritual Baths for Every Occasion Blood Rituals

When her wedding to Adam, a vampire king, is interrupted by his brother Gideon, who reveals that a Challenge has been thrown down upon the entire Kelly clan, Keira and her family gather their troops in San Antonio to strategize only to discover that the Kelly clan matriarch and leader has gone missing. Original.

Southern Crossroads Orbit

Sequel to *Much Fall of Blood*, book 4 in the Heirs of Alexandria series. Civilization at the crossroads. In an alternate Renaissance where magic works, a captain of Italian forces must deal with gods, goddesses and warfare in order to save his daughter at the siege of Constantinople—and prevent a new dark age. In an alternate 15th century where magic still is part of life, the Holy Roman Empire rules Europe. Constantinople is under siege by the Venetians and their allies. Hekate, Goddess of Crossroads, presides over the conflict and carnage as alternate visions of civilization collide. And since Constantinople is the crossroad city of east and west, and it is here that Italian captain Benito Valdosta must deal with the powerful magical manifestation of the Weeping Woman, a disguised Hekate, in order to save his daughter and to destroy the fleets of the Chernobog assembling in the Black Sea before they can cut into the soft underbelly of Europe. With land battles, naval action, cunning assassinations, and heartbreak aplenty—not to mention the ongoing conflict between Lord of the Dead and Benito for the love of a woman, civilization is at the crossroads and choices must be made that will bring victory and freedom for centuries to come—or a new Dark Age. About the Heirs of Alexander series: "In this world, broken off from ours in A.D. 349. . . Christian magic battles blackest sorcery. . . making for hours of old-fashioned reading fun . . . Lackey, Flint and Freer [are] mixmasters of nearly every heard-of myth." —Publishers Weekly "[V]ast and absorbing . . . it is almost impossible to put it down while the tension remains high . . . Lackey and associates' areas of expertise, including naval history and classical mythology, are smoothly blended."—Booklist The Heirs of Alexander Series: *The Shadow of the Lion* *A Mankind Witch* (stand-alone novel) *This Rough Magic* *Much Fall of Blood* *Burdens of the Dead*

Blood Sacrifice FablePrint

The South has always been one of the most distinctive regions of the United States, with its own set of traditions and a turbulent history. Although often associated with cotton, hearty food, and rich dialects, the South is also noted for its strong sense of religion, which has significantly shaped its history. Dramatic political, social, and economic events have often shaped the development of southern religion, making the nuanced dissection of the religious history of the region a difficult undertaking. For instance, segregation and the subsequent civil rights movement profoundly affected churches in the South as they sought to mesh the tenets of their faith with the prevailing culture. Editors Walter H. Conser and Rodger M. Payne and the book's contributors place their work firmly in the trend of modern studies of southern religion that analyze cultural changes to gain a better understanding of religion's place in southern culture now and in the future. *Southern Crossroads: Perspectives on Religion and Culture* takes a broad, interdisciplinary approach that explores the intersection of religion and various aspects of southern life. The volume is organized into three sections, such as "Religious Aspects of Southern Culture," that deal with a variety of topics, including food, art, literature, violence, ritual, shrines, music, and interactions among religious groups. The authors survey many combinations of religion and culture, with discussions ranging from the effect of Elvis Presley's music on southern spirituality to yard shrines in Miami to the archaeological record of African American slave religion. The book explores the experiences of immigrant religious groups in the South, also dealing with the reactions of native southerners to the groups arriving in the region. The authors discuss the emergence of religious and cultural acceptance, as well as some of the apparent resistance to this development, as they explore the experiences of Buddhist Americans in the South and Jewish foodways. *Southern Crossroads* also looks at distinct markers of religious identity and the role they play in gender, politics, ritual, and violence. The authors address issues such as the role of women in Southern Baptist churches and the religious overtones of lynching, with its themes of blood sacrifice and atonement.

Southern Crossroads offers valuable insights into how southern religion is studied and how people and congregations evolve and adapt in an age of constant cultural change.

Old-time Kentucky Fiddle Tunes CreateSpace

After more than fifty years since the last publication, the cuneiform texts relating to the treatment of the loss of male sexual desire and vigor in Mesopotamia are collected in this volume. The aim of the book is to present Mesopotamian medical tradition regarding the so-called n̄š libbi therapies. šà-zi-ga in Sumerian, n̄š libbi in Akkadian, lit. "raising of the 'heart'", is the expression used to indicate a group of texts intended to recover the male sexual desire. This medical tradition is preserved from the Middle Babylonian period to the Achaemenid one. This broad range testifies to the importance of the transmission of this material throughout Mesopotamian history. The book provides the edition of this textual corpus and analyzes it in the light of new knowledge on ancient Near Eastern medicine. Moreover, this volume aims to show how theories and methodologies of Cultural Anthropology, Ethnopsychiatry and Gender Studies are useful for understanding the Mesopotamian medical system. This edition is an important tool for understanding Mesopotamian medical knowledge for Assyriologist, however since the texts have been translated and discussed using the anthropological and gender perspectives they are accessible also to scholars of other research fields, such as History of Medicine, Sexuality and Gender.

Divided Realms, The Complete Collection: Steel Maiden, Witch Queen, Blood Magic The History Press

A supernatural war is brewing in New Orleans, threatening to expose the existence of vampires, werewolves, and Gatekeepers to the wider world . . . Ritually staked and hidden for two hundred years, Juliette de Grammont, voodoo priestess and vampire, is found and revived. Just days after she is freed, still coping with a world she could never have imagined, she loses her sire and vampire coven in a fire. Confused and alone, Juliette seeks the help of the city's powerful Grand Master, but dark elements within the city are conspiring to topple that regime. Soon Juliette's struggle for survival places her in the middle of a supernatural war for control of the city. Josh Bouchard, former Texas Ranger now vampire and coven lieutenant, is drawn into the conflict and appoints himself Juliette's protector over her objections. They must enlist the help of both the city's werewolf

pack and the Gatekeepers--a shadowy group dedicated to keeping the paranormal world secret from humans--to forge a coalition to save New Orleans from the powers that seek to destroy it. After traveling extensively with wanderlust struck parents, Tracie Provost settled down to small town life in rural Georgia. There she teaches history at a small university and writes to keep her cats in the luxury to which they have become accustomed.
