"A room is a chamber, a box that contains objects, ideas, memories." "In this book I use 'room' to symbolize the cranium... the skull that houses the human mind. This 'room' contains thoughts, desires, hopes, dreams, nightmares, memories of experiences, sounds, pictures and so on... "In the Unknown Room I explore the most interesting (I think) of human conceptions... the 'Unknown'. "What is it? Can it be known through examination of what we know? I think not... and yet? The 'unknown' must surely give clues to its nature... "Through language I open doors to rooms to investigate... The Electrical Room, the Fire Control Room and of course the Unknown Room."

Tanya Huff, bestselling author of the Blood Price books, starts a new series where a street kid-turned-production assistant must juggle his vampire ex, a crush on a hot straight actor, and the potential end of the world... Working on a direct-to-syndication show about a vampire detective doesn't much compare to Tony Foster's past as an actual vampire's lover. True, he's still wrangling beautiful people with big egos and the power to crush him, but there are far fewer demons, and TV blood is just corn syrup. When shadows on set start moving independent of the people they're supposed to be attached to, though, Tony can't dismiss it as a trick of the light. Especially when he finds the beauty of the week dead in a locked dressing room. Before long, he's discovered the head of the special effects department is an actual wizard, and brought in his ex, the vampire Henry Fitzroy, to help defend against an attack so terrifying survival seems unlikely. Tony will have to assist his butt off to give them anything like a chance. But being thrust into a spotlight doesn't make him a hero...

Blacks born in colonial America were Englishmen with an inalienable right to liberty under Britain's rule of law and those who purported to be slavemasters were criminals. The product of graft-slavery was America's first continuing criminal enterprise. However, with Lord Chief Justice Mansfield's utterance in 1772, "...Let justice be done although the heavens fall..." - a freedom trial of a slave named James Somerset and then Britain highest court's declaration that slavery was unconstitutional, America's thirteen colonies exploded into rebellion. Myths developed to shield the founding generation and were used to further nationalist chauvinism. In 1779, Britain repudiated colonial lawlessness and in committing itself to the restoration of the rule of law tradition - unconditionally

freed all black slaves. And "...most strictly forbid any Person to sell or claim Right over any NEGROE (sic)..." Four years later, the U.S. sued for peace and by treaty agreed to "set at liberty" all British subjects; but reneged and relegated 500,000 black British subjects into slavery. The U.S. exploited legally free British subjects - in derogation of international law. The slavery narrative has overthrown U.S. history and racial chauvinism is nothing more than victim-blaming. The significance of the Somerset decision - America's first emancipation of slaves has escaped telling. Told with all the power and drama of a novel, *Smoke, Mirrors, and Chains: America's First Continuing Criminal Enterprise* is an extraordinary account of pulse-pounding human drama defined by criminal enslavement, political intrigue and raw human achievement.

Despite the much vaunted 'end of religion' and the growth of secularism, people are engaging like never before in their own 'spiritualities of life'. Across the West, paranormal belief is on the rise. The Ashgate Research Companion to Paranormal Cultures brings together the work of international scholars across the social sciences and humanities to question how and why people are seeking meaning in the realm of the paranormal, a heretofore subjugated knowledge. With contributions from the UK and other European countries, the USA, Australia and Canada, this ground-breaking book attends to the paranormal as a position from which to critique dominant forms of knowledge production and spirituality. A rich exploration of everyday life practices, textual engagements and discourses relating to the paranormal, as well as the mediation, technology and art of paranormal activity, this book explores themes such as subcultures and mainstreaming, as well as epistemological, methodological, and phenomenological questions, and the role of the paranormal in social change. The Ashgate Research Companion to Paranormal Cultures constitutes an essential resource for those interested in the academic study of cultural engagements with paranormality; it will appeal to scholars of cultural and media studies, popular culture, sociology, cultural geography, literature, film and music.

Firefly meets James Bond in this action-adventure romance set in an alternate future where the Cold War never ended... Living mission to mission on the fringes of civilized space, Captain Lindana Nyota has managed to keep her crew paid and her ship in one piece. Barely. The privateer's life of stealing Soviet supplies for the Alliance is taking its toll on everyone. Down a crew member, she now has to take on a new intel officer and hope it's someone she can trust. Lieutenant Gabriel Steele knew Lindy wasn't expecting him to walk out of the air lock and back into her life, but he didn't think he'd get his nose broken. As an intelligence agent for the Alliance, Gabriel has spent his career in deep cover, his sense of self crushed under layers of deceit—starting with the lies he had to tell Lindy years ago when he left her. A fresh start is all he wants, but the Alliance and his secret orders have already jeopardized that. When an infamous pirate and friend of Lindy and her crew is reported alive and in possession of knowledge of a powerful Soviet weapon, finding her before the enemy does is paramount. But Gabriel can't do it without regaining Lindy's trust—and hopefully rekindling what he once sacrificed in the name of duty. This book is approximately 50,000 words One-click with confidence. Rue Volley is a seventeen year old going on immortal. Her mother Grace is in Rolling River Asylum, after she mysteriously stopped speaking to anyone. Her father William is now absent from her life. The only person she thinks she has left is her annoying brother Kai, who tries to kill her with his lack of cooking skills. Kai convinces Rue that she needs to be more social and drags her to a party at Johnathan Graphs house. Little does Rue know that because of this one small change in her otherwise normal routine, her life as she knows it will never be the same. Rue is about to find out that she will never die and has to make the ever treacherous decision of which hot boy she will spend eternity with. She wants Johnathan Graph, really, really bad but she needs Joshua Barrington, a boy who does nothing but annoy her death. One boy wants to kill her and one will die to save her. Suddenly, although she has lost the core of the family that she has known, she has gained a new family, who desperately try to help mold her into what she will become. Rue struggles to learn who she is as she navigates through a new world of beings that seem to want to own her or destroy her completely. This story takes Rue on a wild ride from her hometown of Calvary, Minnesota to the gates of the immortal city of Valon...the birthplace of her decendants...immortals who believe that humans are nothing but cattle. What do you eat when blood grosses you out, but that's all you think about? Everything is such a big deal, except death...OMG.

In this stand-alone romantic thriller, love isn't only blind, it's dangerous. Kim is my best friend because she's too self-absorbed to notice what's happening in my life, and that's how I like it. I aspire to be the exact opposite of the center of attention. Especially now, when footsteps are echoing from empty rooms and phone calls continually have no one on the other end. I'm on the verge of a mental break. One I have no intention of telling anyone about. I also have no intention of pursuing a romantic relationship, except green-eyed charmer John Beller is offering all the fruits of lust and love and I find myself desperately wanting to partake. His confident sphere is intoxicating, his peaceful embrace soothing. But he's the last person I want to confide in about my paranoid delusions. The man is a stranger. A wealthy one who's digging into every aspect of my life. While I get a stronghold on my weakening grasp of reality, I have no choice but to keep the entitled John at bay. Everything inside of me might be screaming to be with him, but his true colors are beginning to show. He's isolating me. For my

own protection? Or is John using my mental state against me? One thing is certain—my nightmares are real. And the more John kisses me, the closer the threat looms.

The next chapter in the Eli Carver Supernatural Thriller series from award-winning author Alan Baxter. Back from self-imposed exile in Canada where he fled to avoid the law following the blood-stained events in Manifest Recall—the first installment of award-winning author Alan Baxter's latest supernatural thriller series—Eli Carver returns to the states with thoughts of starting over. But an accidental encounter on a train with a mysterious woman, one he soon learns has her own dangerous past, threatens to unravel his well-intended plans. Upon their arrival in New York, the duo quickly find themselves entangled in an ongoing war between two rival crime syndicates. And with the ghosts of his own past continuing to torment him, Eli finds himself taking the darkest of turns as he's drawn down a perilous path into a world of ancient religion and deadly occult rituals. Praise for Alan Baxter's Recall Night and the Eli Carver Supernatural Thrillers: "Eli Carver is back with a vengeance! That's bad news for some but good news for readers. [Book Two] Recall Night is brutal, gritty fun and a phenomenal follow-up to Manifest Recall." — Brian Keene, author of The Complex "Ghost Recall [Book Three] bottles the essence of impending doom that drives the most powerful noir. Vintage Baxter: fast, sleek, and bloody-minded."— Laird Barron, author of Swift to Chase "[Book One] Manifest Recall grabs you by the scruff of the neck from word one and doesn't let go. It's fast paced, bad people doing bad things to other bad people. I gobbled it down

in two nights. You should, too. Highly recommended!" – John F.D. Taff, Bram Stoker Award-nominated author of *The Fearing* "Alan Baxter's fiction is dark, disturbing, hard-hitting and heart-breakingly honest. He reflects on worlds known and unknown with compassion, and demonstrates an almost second-sight into human behaviour." – Kaaron Warren, Shirley Jackson Award-winner and author of *The Grief Hole* "Alan's work is reminiscent of that of Clive Barker and Jim C. Hines, but with a unique flavour all of its own." – Angela Slatter, World Fantasy, British Fantasy and Aurealis Award winner Grey Matter Press, the multiple Bram Stoker Award-nominated independent publisher, is proud to present the third installment in one of the best supernatural thriller series ever imagined. This report considers the biological and behavioral mechanisms that may underlie the pathogenicity of tobacco smoke. Many Surgeon General's reports have considered research findings on mechanisms in assessing the biological plausibility of associations observed in epidemiologic studies. Mechanisms of disease are important because they may provide plausibility, which is one of the guideline criteria for assessing evidence on causation. This report specifically reviews the evidence on the potential mechanisms by which smoking causes diseases and considers whether a mechanism is likely to be operative in the production of human disease by tobacco smoke. This evidence is relevant to understanding how smoking causes disease, to identifying those who may be particularly susceptible, and to assessing the potential risks of tobacco products.

A NEW URBAN FANTASY THE MOST DANGEROUS

WEAPON IS A PAST SCORNED Thomas Quinn is a sorcerer haunted by the memories of the things he's done over centuries of service to the Arcanum. From battling djinn to killing demigods and dragons, the scars and nightmares have left him a broken man. He has long retired from that life, running an occult shop in Philadelphia for the past several decades, wanting nothing more than to be left alone with his books and his whiskey and his shame. But when two detectives come to his door asking about a brutal ritual murder in his city, Quinn must reluctantly take up the mantle of a Sorcerer of the Arcanum once more, and face down those who would threaten the fragile peace between the human and magical worlds. His investigation takes him from the streets of Philadelphia to the court of a Faerie King as he races to stop the apocalypse. Thomas Quinn was prepared to fight rogue sorcerers and Fae monsters. But the greatest threat he faces may be his own inner demons. . . . At the publisher's request, this title is sold without DRM (Digital Rights Management).

Jayne Hudson. Regular suburban girl. Teller of lies. Saviour of the world? It's been 10 years since I left the circus, and in the interim I've built the perfect suburban life. I hide my secrets beneath a cop's uniform, carving out an existence that's as boring as it is safe. Until that is, I'm sent undercover back into the world I ran from. The cool, hipster carnival troupe I infiltrate is as far from the circus I grew up in as you can get. But carnival folk have long memories and the trail of grisly murders tracing this troupe's journeys reawakens old fears. Soon, I find myself the target of a demonic killer with an evil intent that goes far beyond murder. Can I slay this demon, uncover the troupe's dark underbelly and stop the unleashing of hell before I become the next victim? Keywords: urban fantasy, demon hunter,
