sixteenth century  
England—includes  
illustrations. When  
Mary Tudor, eldest  
daughter of Henry VIII,  
succeeded to the  
throne of England in  
1553, she enjoyed a  
degree of popularity  
rarely seen on the

accession of a British monarch. Yet at her death only five years later, she was so reviled by her people that she was posthumously awarded the sobriquet Bloody Mary. The change of public opinion was not without reason. During her short reign, Mary restored the Catholic faith to England and had over 280 Protestant martyrs burned at the stake. Noblemen like the Duke of Northumberland, would-be queens like Lady Jane Grey, churchmen like Thomas Cranmer and bishops Latimer and Ridley, all fell victim to Mary's fires or the executioner's axe. In *Bloody Mary*, historian Phil Carradice

investigates the backstory behind the queen's violent loathing for the religion her father established, the unfulfilled potential of her reign, and the needless bloodshed that became her tragic legacy.

Goosebottom Books

There is a right way and a wrong way to summon her. Jess had done the research. Success requires precision: a dark room, a mirror, a candle, salt, and four teenage girls. Each of them--Jess, Shauna, Kitty, and Anna--must link hands, follow the rules . . . and never let go. A thrilling fear spins around the room the first time Jess calls her name: "Bloody Mary. Bloody Mary. BLOODY MARY." A ripple of terror follows when a shadowy silhouette emerges through the fog, a specter trapped behind the mirror. Once is not enough, though--at least not for Jess. Mary is called again. And again. But when their summoning

circle is broken, Bloody Mary slips through the glass with a taste for revenge on her lips. As the girls struggle to escape Mary's wrath, loyalties are questioned, friendships are torn apart, and lives are forever altered. A haunting trail of clues leads Shauna on a desperate search to uncover the legacy of Mary Worth. What she finds will change everything, but will it be enough to stop Mary--and Jess--before it's too late?

### **A Spanish Tudor**

As the daughter of King Henry VIII, Mary Tudor grew up in a royal court that simmered with political intrigue, religious strife, and the ever-present danger of beheading.

Surviving a childhood filled with treachery and tragedy, Mary

defeated an army of rebels to win the crown of England. At a time when women were expected to marry, not to rule, she was determined to do both. Courageous, loyal, and loving, she is nonetheless known to history as "Bloody Mary" for the religious persecutions of her reign. Yet it might be fairer to say she ruled in a bloody age. "McHargue always delivers the historical goods in wonderful packages. This short biography . . . is clear-sighted, wonderfully readable, and

A suburban Chicago family comes undone in this "fresh and riveting" novel of domestic disquiet by an award-winning author (Booklist, starred review). Taking its title from the childhood game of conjuring dread, Pushcart Prize-winner Sharon Solwitz delivers a harrowing, razor-sharp satire of navigating the sexual, emotional, and spiritual calamities of modern life. Claire Winger lives in an upscale neighborhood with her successful surgeon husband and two socially adept teenage daughters, Nora and twelve-year-old Hadley. Then one day, a small seizure

---

causes Claire to tumble from a painter ' s ladder, leading her to disconcerting visions and odd behavior. It begins with Claire inexplicably drawn into a reckless affair. Then one-by-one she alienates her friends. As the seizures mount, the normally over-protective mother soon isolates herself from Hadley who is in the process of destroying her own life, purposefully and efficiently. Alternating between Claire and Hadley ' s perspective, and tracing the effects of fear and desire on a settled, complacent life, " Solwitz dramatizes with incandescent intensity and profound insight the great mysteries of body and soul " (Booklist).

Bloody Mary, Vol. 6 St.

Martin's Press

Bestselling author Shawn Sarles' most terrifying YA horror yet . . . It starts

innocently enough. Four kids - three girls, one boy - are at one of their houses, playing games. One of them has read about "Bloody Mary" and the idea that if you look into a mirror and say her name thirteen times, she will show you the future. Some legends say she'll show you your one true love or a skull to mark

---

your death within five years. Others say that conjuring Bloody Mary will bring her into your world. Both sets of legends are true. The kids go through with the act, saying her name thirteen times. One girl looks in the mirror and sees her longtime crush. One girl looks in the mirror and sees the boy in the group. But she pretends to see something else. One girl looks in the mirror and sees a girl she's never seen before but can't get out of her mind. And the boy . . . he sees a skull. But he pretends to see something else. They try to laugh it off. And mostly they forget about it. Or at least they don't talk about it. Yes, over the next few years, whenever they look into a mirror, it's like there's always another figure standing in the background, getting closer. Just short of five years later, the four of them are no longer friends, having gone on separate paths. The girl whose house it was has always

tried to avoid the mirror they used - because she always sensed someone in the background. One morning as she's passing by, she sees much more than her own reflection - it's a scary figure taunting her. She startles and breaks the mirror. When the pieces are put back together (barely), the figure is gone. That day in school, a new girl arrives. Her name is Mary . . . .

Smithfield, settled on the fringes of Roman London, was once a place of revelry.

Jesters and crowds flocked for the medieval St Bartholomew's Day celebrations, tournaments were plentiful and it became the location of London's most famous meat market. Yet in Tudor England, Smithfield had another, more sinister use: the public execution of heretics. The Burning Time is a vivid insight into an era in which what was orthodoxy one year might be dangerous heresy the next. The first martyrs were Catholics, who cleaved to Rome in defiance of Henry VIII's break with the papacy. But with the accession of Henry's daughter Mary - soon to be nicknamed 'Bloody Mary' - the charge of heresy was leveled against devout Protestants, who chose to burn rather than recant. At the center of Virginia

Rounding's vivid account of this extraordinary period are two very different characters. The first is Richard Rich, Thomas Cromwell's protégé, who, almost uniquely, remained in a position of great power, influence and wealth under three Tudor monarchs, and who helped send many devout men and women to their deaths. The second is John Deane, Rector of St Bartholomew's, who was able, somehow, to navigate the treacherous waters of changing dogma and help others to survive. The Burning Time is their story, but it is also the story of the hundreds of men and women who were put to the fire for their faith. 'They then brought a lighted fagot and laid it at Dr Ridley's feet, upon which Mr Latimer said: 'Be of good comfort Master Ridley and play the man, we shall this day light such a candle by God's grace in England as I trust shall never be put out.' Foxe's Actes and Monuments These chilling words set the scene for the reign of Mary, daughter of Henry VIII, who was crowned queen in 1553. Always sickly, she died in 1558, but her short reign was entirely devoted to restoring Catholicism to England by whatever means were necessary. Her brutal methods earned her the name she has carried ever since, 'Bloody Mary'. This is the story of her persecution of

men such as Ridley and Thomas Cranmer, Archbishop of Canterbury, both of whom were burned at the stake, as were some 300 others who refused to renounce their protestantism and accept Papal supremacy once more. Jasper Ridley's new book tells the full story of the events of England's reign of terror.

Halloween finally arrived and it was Mary's sixteenth birthday. Mary's parent's finally decided she was old enough to have a sleep over

at their house. But she was only allowed to have two of her best friends spend the night after the party. Mary called Kathy and Kim to see if they would stay and have a sleep over at her house. Kathy and Kim both agreed and said that they would have a great time together being that they were all best of friends. Mary hung up the phone and said "This is the best day of my life. I'm going to turn sixteen today and I finally get to date boys." Her party didn't start until 6 pm and she was already planning fun things for her and her two best friends to do after the party. Mary's mom said "Mary its 6 o'clock and time to start the party." Mary greeted her friends at the door as they came in with their presents in hand and sat them on the kitchen table. Finally, Kathy and

Kim showed up and placed Mary's presents on the table. Mary thanked everyone for coming to her party. Then Mary blew out the candles on her birthday cake as everyone sang "Happy Birthday" to her. The party was finally over and Mary and her two friends Kathy and Kim were ready to play some games and spend some quality time together. As the night wore on Mary said "It's midnight and since its Halloween why don't we go in the bathroom and turn off the light and play "Bloody Mary. " Kim said "That sounds like more fun than playing board games all night." Kathy replied "Nothing ever happens when people play the Bloody Mary game, but since were all three going to play why not, it's Halloween and what a perfect time to play Bloody Mary." Mary, Kathy and Kim went inside the bathroom and closed the door and turned out the light. Mary said "Instead of one person saying I hate you Bloody Mary three times. Why don't we all say it together?" Everyone agreed and they all stood in front of the mirror and said "Bloody Mary" three times, but nothing happened. Kathy said "This is a stupid legend that isn't even true." The story Bloody Mary written by Drac Von Stoller has been transformed into a Short Film and is available on Amazon Video Direct. Bloody Mary: My Story

Hachette UK

In this groundbreaking new biography of "Bloody Mary," Linda Porter brings to life a queen best remembered for burning hundreds of Protestant heretics at the stake, but whose passion, will, and sophistication have for centuries been overlooked.

Daughter of Henry VIII and Katherine of Aragon, wife of Philip of Spain, and sister of Edward VI, Mary Tudor was a cultured Renaissance princess. A Latin scholar and outstanding musician, her love of fashion was matched only by her zeal for gambling. It is the tragedy of Queen Mary that today, 450 years after her death, she remains the most hated, least understood monarch in English history.

Linda Porter's pioneering new biography—based on contemporary documents and drawing from recent

scholarship—cuts through the myths to reveal the truth about the first queen to rule England in her own right. Mary learned politics in a hard school, and was cruelly treated by her father and bullied by the strongmen of her brother, Edward VI. An audacious coup brought her to the throne, and she needed all her strong will and courage to keep it. Mary made a grand marriage to Philip of Spain, but her attempts to revitalize England at home and abroad were cut short by her premature death at the age of forty-two. The first popular biography of Mary in thirty years, *The First Queen of England* offers a fascinating, controversial look at this much-maligned queen.
