Blue Pelican Java is to first  
give the student some  
experience upon which to  
hang the definitions that  
come later, and  
consequently, make them  
more meaningful. This  
book does have a history  
section in Appendix S and  
plenty of definitions later  
when the student is ready  
for them.

"Blue Pelican Java" is a somewhat unusual high school computer science textbook. Most computer science texts will begin with a section on the history of computers followed with a flurry of definitions that are just "so many words" to the average student. The approach here is to first give the student some experience upon which to hang the definitions that come later. The
