Ferhenga Biruski is the go-to dictionary for Kurmanji a dialect of Kurdish spoken originally in parts of Iran, Iraq, Syria, Turkey while also being common among a large diaspora of Kurds in Europe, North

America and elsewhere. This comprehensive Kurmanji-English dictionary is prepared in two volumes by Michael L. Chyet, a renowned linguist with extensive knowledge of the major dialects of Kurdish. This dictionary is an essential reference source for linguists and others interested in Kurdish language and people. "The second edition of my Kurmanji-English dictionary, which I would like to call "Ferhenga Birûskî" to honor the memory of my beloved friend and colleague Birûsk Tugan, contains considerably more entries, and in many cases offers fuller information on earlier entries. In addition, I have found and corrected several typographical errors. Moreover, it is to be accompanied by a companion English to Kurdish volume. [...]

It is my goal to accurately reflect the language as it exists today, providing variant spellings, synonyms, and regional usage, as well as etymologies. The late Iranist D.N. MacKenzie advised me early on to avoid filling my dictionary with “ghost words”. He suggested that I base all the entries in my dictionary on texts (both written and orally generated), to ensure that I am reflecting the language as it is used by its speakers. The earlier dictionaries include words of unknown provenance, which may have no existence outside those pages." - Excerpt from the Introduction by Michael L. In the vein of great box-office blockbusters, the high-stakes romance here sizzles within this page-turning thriller that will leave readers feeling like they are flying through the streets of New York. Cam has come to accept the rhythm of his life as a bike messenger: racing up and down the streets of New York City from one run to the next. Cam's whole world comes crashing down on him one day when he runs into a beautiful stranger. After falling out of the sky and wiping out Cam and his bike, she disappears before he can find out anything about her. When he starts to see her

around town, he quickly realizes that she is part of an underground group of teens who have turned NYC into their own parkour playground—running, jumping, seemingly flying through the city like it’s an obstacle course. Cam becomes fascinated with the sport—and the beautiful stranger, Nikki. He falls in with the group, and they offer him the chance to make some extra money. But when the stakes become life or death, Cam is torn between following his heart and sacrificing everything to pay off his debts.
