How do Christians live among a hostile society? In 1 Peter, Peter writes to a persecuted church. He addresses how to persevere, how to interact with the surrounding society, and how believers should interact with each other, among

other things. While society today is very different, we as Christians are still tempted to deny Jesus in various ways. The world, especially with the constant outrage stirred up by social media, is looking for a reason to smear Christianity. How do we endure persecution? How do we uphold the Church's reputation? How do we love those who ridicule us? You have to seek Jesus and believe His promises. You have to clothe yourself in humility and serve others. You have to return evil with love. Using this devotional, you will learn to do just that.
