Jim Slater's classic
text made available

once more Jim Slater makes available to the investor - whether the owner of only a few shares or an experienced investment manager with a large portfolio - the secrets of his success. Central to his strategy is The Zulu Principle, the benefits of homing in on a relatively narrow area. Deftly blending anecdote and analysis, Jim Slater gives valuable selective criteria for buying dynamic growth shares, turnarounds, cyclicals, shells and leading

shares. He also covers many other vitally relevant aspects of investment such as creative accounting, portfolio management, overseas markets and the investor's relationship with his or her broker. From The Zulu Principle you will learn exactly when to buy shares and, even more important, when to sell - in essence, how to to make 'extraordinary profits from ordinary shares'. The woman who has done more than anyone to expose the plight of women in forced marriages tells their harrowing and moving stories. 'I listen to those stories – told by women who have been drugged, beaten, imprisoned, raped and terrorised within the walls of the homes they grew up in. I

listen and I am humbled by their marriage. By turns frightening, resilience.' Jasvinder Sanghera knows what it means to flee from your family under threat of forced marriage – and to face the terrible consequences that follow. As a young girl that was just what she had to do. Jasvinder is now at the frontline of the battle to save women from the honour-based violence and threat of forced marriage that destroyed her own youth. DAUGHTERS OF SHAME reveals the stories of young women such as Shazia, kidnapped and taken to Pakistan to marry a man she had never met; and Banaz, murdered by her own family after escaping an abusive

DAUGHTERS OF SHAME

reveals Jasvinder as a woman heedless of her own personal safety as she fights to help these women, in a world where the suffering and abuse of many is challenged by the courage of the few.

Snow White is on the run from an evil witch when she comes across some dwarfs in the forest. They agree to take her in and keep her safe if she will help them with their chores. She soon realizes she's taking on a lot more than she bargained for. 77 breakfasts to make, 77 lunches to pack (don't forget the juice boxes!), 77 pairs of pants to mend and a whole lot of dishes. Eventually Snow White decides to take her chances with the witch. There's a surprise ending... well, it may not be so surprising. This is a hilarious retelling of the classic tale, with bright, energetic

illustrations featuring busy dwarfs, and the even busier Snow White.
