Bluetooth Helmet Headset - J&M Corp

Bluetooth-enabled J&M motorcycle helmet headsets are a step forward in sound quality, functionality, and ease of operation. Their audio performance is on par with that of corded systems but they offer you the convenience of wireless communication, music streaming, and hands-free calls.

The 6 Best Bluetooth Motorcycle Helmets of

2020

This new model J&M Elite BT-04 series Bluetooth helmet headset has been designed for installation into most flip-up modular, full-face or open-face style helmets. This headset features their miniature extra-high-output AeroMike™ VI boom microphone, slim-line 40 mm high-intensity helmet speakers and new BT-04 Bluetooth control head with easy to install clamp-on mounting system.

Sena Bluetooth Headsets at Helmet City

The best Bluetooth motorcycle helmet to get is the FreedConn Motorcycle Bluetooth Helmet (view on Amazon). It's a durable helmet that exceeds government safety standards and supports an intercom system that lets you communicate with two people up to 500 meters away.

J&M Bluetooth BT-04 Elite Series Universal Headset

These BT-04 series Bluetooth® helmet headset “conversion” KITS, provides all of the components

necessary to convert an existing J&M brand CLAMP-ON style CORDED helmet headset, to a J&M BLUETOOTH headset. This kit utilizes your existing J&M component helmet speakers and microphone (with corresponding in-line plugs), to make installation easy.

CORDED Helmet ...

Finally, you get to buy exactly the helmet you want and exactly the Bluetooth headset that you want without having to make compromises on either. It is unlikely that you will find a Bluetooth motorcycle helmet that has all the helmet features (comfort, ventilation etc.) and all the connectivity features (range, GPS etc.) that you want so you will have to compromise on something.
