Bmc Diesel Engines

I have a build-your-own-boat (a large steel hull with a BMC diesel engine (don't know the type) in it). I would like to know a lot more

about this particular engine, but I don't have any information about it. Now, it seems that it is a rather simple engine (around 1970-1975), but I would like to know a little more.

GOLD SEAL EXCHANGE ENGINES. BMC like many firms did an exchange scheme for worn engines, one was the Gold Seal engine, a complete engine ready to fit and painted gold in colour. The other was ***** the Silver Seal exchange engine, basically a short-block for the owner/garage to fit the old head, sump, and ancillories onto.

The BMC B-series was a straight-4 internal combustion engine family, mostly used in motor cars, created by British company Austin Motor Company. The pre-cursor of the "B" series engine was a 1200 cc OHV engine which was used in the 1947 Austin A40 Devon. This A40 Devon engine was based on a pre-war Side-valve design.

BMC Diesel Engines & Motors for sale | eBay

The BMC engines are usually quoted with significantly lower powers in narrow boat use than they would have had as (say) vehicle engines. I think Calcutt tended to quote 36HP a 3000 RPM for the 1.8, and a bit less than that for a 1.5, (but it is somewhere usually in Tony's 30 to 35 figure, whoever marinised it).

BMC Engine Codes - Gerard's Garage

diesel engine . The BMC 1.5 Diesel engine was probably the most widely used engine within the marine industry throughout the 1960's and 70's. Its ability to withstand abuse, abundant and cheap spares parts made it the most favoured engine in the hire boat industry. Many companies marinised the engine and sold it as
