Japanese Technical Abstracts Jones & Bartlett Learning

Smart, strategic inventory management delivers competitive advantage, yet Inventory Turn trends suggest that little seems to change. Sustainable improvement through increasing control of systems and processes generates savings that can, in turn, be invested in growth initiatives. Inventory is not something that just concerns planning, production and finance. By working to better understand and control their inventory-related processes, everyone can drive improvements that will harness inventory ' s potential to become a source of sustainable competitive advantage. Unlike other guides to inventory management, this book is not only aimed at planners or inventory managers, but details the impact, both direct and indirect, that all functions have on inventory. It is rich in practical tools that can be clearly implemented, including a detailed purchasing strategy and guide to error management. It is also rich in best-practice cases that further show how to implement these methodologies in a real-world context. This book is essential reading for any manager or executive looking to boost their organisation ' s competitive advantage, as well as students of inventory management, production and operations management.

Japanese Technical Periodical Index Routledge

Johnny Hulls is your average teenager, always seeking attention. Well, his bad habit of pulling pranks led him into trouble, causing him to stay home all by himself on Halloween night. What he thought was going to be the most boring night ever, turned out to be the scariest night of his life.

Femina Signet Book

It is amazing to think that time has passed by and that the

second BMW "3 Series" has achieved such status that it warrants this special book on its 21st anniversary. Maybe it is due to the sheer longevity of its design, its ability to satisfy the keen driver or its iconic status - but, whatever it is, there is no doubt that the E30 is one car from the past that will stay with us into the future. It is a pending classic and prices for well kept models have started to escalate; furthermore, there is a core of well cared for cars out there requiring basic attention by their dedicated owners. As a result, there has never been a better time for a book of this sort. By focusing on the common faults which crop up repeatedly and by giving detailed, simple instructions regarding repairs, this book will be uniquely invaluable for owners who wish to try their hand at their own maintenance, especially those who may previously have been prevented from doing so by a lack of technical know-how or specific knowledge.

Inventory Management for Competitive Advantage Motorbooks
Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car-and-truck book on the market.

" Dr. Phil, " along with George Iny and the Editors of the Automobile Protection Association, pull no punches.

1989 Imported Cars, Light Trucks & Vans Service & Repair Viking Canada

Phil Edmonston, Canada's automotive "Dr. Phil," pulls no punches. He says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases, and free auto maintenance programs. In this all-new guide he says: Audis are beautiful to behold but hell to own (biodegradable transmissions, "rodent snack" wiring, and mind-boggling depreciation Many 2011-12 automobiles have "chin-to-chest head restraints, blinding dash reflections, and dash gauges that can't be seen in sunlight, not to mention painful wind-tunnel roar if the rear windows are opened while underway Ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers GM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that "killed" its own electric car more than a decade ago You can save \$2,000 by cutting freight fees and "administrative" charges Diesel annual urea fill-up scams can cost you \$300, including an \$80 "handling" charge for \$25 worth of urea Lemon-Aid's 2011-12 Endangered Species List: the Chinese Volvo, the Indian Jaguar and Land Rover, the Mercedes-Benz Smart Car, Mitsubishi, and Suzuki
