Mer cruiser ...

The engine was optional on most versions of the Colorado and Canyon, with the Atlas 2.8-liter 4 serving as the standard mill. For 2007 the both the 4- and 5-cylinder engines received displacement and power

bumps, and would then go on unchanged through 2012 when the trucks were redesigned.

BMW Marine - Wikipedia

The former model came in different guises such as the BMW marine D150, D190 and D636. The later was known as the D530. BMW D190 Marine Diesel Engine. The popular belief is that the VM Motori HR range of engines were designed primarily for marine use and were adapted for automotive and industrial use.
