Ripped from his motorcycle by Colombian rebels and robbed of everything, adventure motorcyclist Glen Heggstad journeyed through South America, and the trip became a nightmare as he was forced to march through strange jungles carrying heavy equipment with assault rifles at his back. Even with all the hand-to-hand and sophisticated combat training Heggstad possessed, this chronicle shows that it was his shrewd thinking, precise planning, and a "do-or-die" last act of desperation that eventually secured his freedom. The shocking personal tale of an unimaginable journey through Central and South America, this travelogue details one man's capture by Colombia's rebel National Liberation Army and the eventual realization of his dream to complete his journey.

**Adventure Motorcycling Handbook** TeNeues  
Morning is a time to embrace renewed opportunity, fresh perspective, and an overall sense of rejuvenation. Morning Reflections is a collection of powerful and inspirational reading that is dedicated to helping you begin each new day in a positive way. Christian and inspirational author and poet Karen Jean Matsko Hood has woven together poems, prayers, and Biblical verses to fill your soul and spirit with peace and understanding. Just like a hearty morning meal strengthens your physical body, it is equally important to center your emotions and nourish your spirit with the sure footing that can only come from a personal connection with the Creator. Morning Reflections offers enlightenment and wisdom through blending encouraging prose and Scripture passages. This truly insightful new book of reflections makes for a perfect bedside companion or as a topic of conversation over the coffee table. This book is a wonderful gift to friends and family for daily morning prayer and appreciation of Christ's teachings. It is also for those with whom we are given the opportunity to share and experience it.

*Z. Rex* Routledge & Kegan Paul Books  
"Fairies Afield" is a children's fantasy story written by Mary Louisa Molesworth, a well-known English children's author in the late nineteenth and early twentieth century. The book, published in 1902, is part of Molesworth's wide body of work, which includes a number of novels and stories for

children. The story follows two siblings, Tottie and Tittie, as they go on a fantastic journey into the world of fairies. The children discover a secret road in the woods that leads them to the world of the fairies, where they meet a variety of wonderful creatures and participate in quirky and enchanting adventures. The kids become friends with fairies, elves, and other mystical creatures as they explore this magical realm. Like children's books from the Victorian and Edwardian eras, the story is full with endearing moments and soft moral messages. The narratives of Molesworth highlight kindness, amazement, and inventiveness. "Fairies Afield" perfectly encapsulates the essence of beloved children's books with its themes of friendship, magic, and youthful innocence. For those who appreciate classic stories of magic and adventure, the novel is still enjoyable.

**Riding the Edge** Bentley Publishers

Embrace the darkness in a sensual new vampire romance novel from acclaimed author Susan Sizemore.... The world holds great danger for Alec Reynard and his kind. As the dark hollows of his soul threaten to overwhelm him, he undergoes secret medical treatments that allow him to bear daylight. Living a double life as a bodyguard, he must also battle the powerful chemistry that explodes between him and Domini Lancer, a mere mortal -- and, unbelievably, his soulmate. Domini knows nothing of Alec's true nature. But when danger threatens, he kidnaps her to his clan's stronghold to protect her....and there, he can no longer hide who -- or what -- he is. As the forces aligned against Domini draw near, Alec wonders whether she'll accept the darkness within him -- or whether she's actually a vampire slayer who's cleverly infiltrated his clan.

## **The Ulysses Story** Penguin

"This book, a polished, winding meditation on the theory and fractiousness of motorcycles, celebrates both their eccentric history and the wary pleasures of touring."—The New Yorker

In a book that is "a must for anyone who has loved a motorcycle" (Oliver Sacks), Melissa Pierson captures in vivid, writerly prose the mysterious attractions of motorcycling. She sifts through myth and hyperbole:

misrepresentations about danger, about the type of people who ride and why they do so. The Perfect Vehicle is not a mere recitation of facts, nor is it a polemic or apologia. Its vivid historical accounts—the beginnings of the machine, the often hidden tradition of women who ride, the tale of the defiant ones who taunt death on the racetrack—are intertwined with Pierson's own story, which, in itself, shows that although you may think you know what kind of person rides a motorcycle, you probably don't.

**Kawasaki KLR650 2008-2017** Whispering Pine Press International, Inc.

Jonny Bealby was devastated when his fiancée Melanie died unexpectedly while they were travelling in Kashmir. Two years later, still heartbroken and utterly disillusioned, he took on the challenge of a lifetime. Setting out with only his motorbike for company, he began a

daring and dangerous journey around the African continent in a desperate attempt to unearth some meaning in his life. Bittersweet, bold and beautifully told, *Running with the Moon* is a tale of true love and loss, of exploration, adventure and courage.

**Two Wheels Through Terror** Quarry Books Editions

Every red-blooded motorcyclist dreams of making the Big Trip--this updated fifth edition shows them how. Choosing a bike, deciding on a destination, bike preparation, documentation and shipping, trans-continental route outlines across Africa, Asia and Latin America, and back-country riding in SW USA, NW Canada and Australia. Plus--first hand accounts of biking adventures worldwide.

*The Complete Color Harmony, Pantone Edition* BoD – Books on Demand

The Complete Book of BMW Motorcycles offers a thorough year-by-year guide to every production machine ever built by Germany's leading motorcycle manufacturer. From the first model, the 1923 R32 that launched BMW's motorcycle dynasty, to the latest (and fastest) superbike, the S1000RR, this book captures nearly a century of motorcycling excellence in a combination of historic and contemporary photos. Technical specs are provided for each model. This comprehensive review covers all of BMW's bike families: The side-valve machines from the early years The early overhead-valve performance bikes The modern Airheads and Oilheads The four-cylinder and six-cylinder touring bikes The early pushrod singles The modern overhead-cam singles The latest parallel twins, and inline-four cylinder sport bikes Among them, you'll find all the classic bikes—pre-World War II BMWs like the R5 that defined performance in that era; the military R12 that carried the Wehrmacht as it blitzkrieged its way across Europe; the Earles-forked R69S that offered the perfect

---

platform for mounting a Steib sidecar; the R90S café racer; the K1 “flying brick”; and the GS (Gelände Sport) series that launched a dual-sport revolution right up to today’s world-class S100RR and retro-inspired R nine T. Like the other titles in Motorbooks’ Complete Book series, this guide to BMW’s motorcycle output offers the most complete reference to the subject available.

Matthew Arnold, the Poetry: the Critical Heritage  
John Wiley & Sons

Here’s everything you need to successfully improve your riding, novice or veteran, cruiser to sportbike rider. This book contains the very foundation skills for any rider looking for more confidence when cornering a motorcycle. Notes and comments by Eddie Lawson. Foreword by Wayne Rainey.

### **The Complete Idiot’s Guide to Motorcycles**

Random House

Submission can be the thrill of a moment or the gift of a lifetime. For each of Kate Clithers’ heroines, submission is their gateway to pleasure. Feel the softness of a cupped breast. See bruises bloom across smooth skin. Taste the cum you know you need when you hear Him whisper, “You are mine.”

There Is a Tune New York : Daw Books ;  
[Scarborough, Ont.] : New American Library  
of Canada

This new edition of Ian Falloon’s classic book on the history of BMW Motorcycles brings the story right up to date, and now includes all models from 1923 right through to 2019. Over the past 80 years, BMW motorcycles have provided a unique alternative to those of other manufacturers. Some motorcycles may have been faster, certainly others were cheaper, but with their emphasis on quality and reliability, none have emulated the practicality of a BMW. With its commitment to ease of serviceability, the BMW motorcycle has become the preferred choice for hundreds of thousands of motorcyclists around the world. BMW motorcycles are made to be ridden, and if the journey includes a mixture of straight roads and bends, there is no better motorcycle. Factor in the best range of factory luggage and

accessories available, and the success of BMW motorcycles isn’t surprising. Ownership of a BMW is also generally a long-term affair, a refreshing change from the current trend towards almost instant obsolescence. Falloon is a prolific author and one of the world’s foremost motorcycle historians with years of experience. His other BMW books include BMW Boxer Twin Bible, BMW R90S, and The Complete Book of BMW Motorcycles.

**Morning Reflections** Veloce Publishing  
“The only color guide a designer will ever need. Completely updated with Pantone colors and new text by Leatrice Eiseman, America’s Color Guru”--

*A Short History of Ancient Peoples* Code Break  
Adam’s father is developing cutting-edge research on virtual electronic game-playing when suddenly he disappears—and Adam finds himself being hunted by men with guns, and worse—a savage, man-eating dinosaur. Is the dinosaur real, or just part of the game? Where is his father? And what happens when your video game turns into real life? Steve Cole has combined gaming, dinosaurs, and a heart-pounding chase to create a suspenseful thriller that’s impossible to put down.

*Twist of the Wrist* Haynes Manuals N. America,  
Incorporated

This book is about the author’s amazing trip across six continents and the world economy and society. It discusses who’s sinking and who’s swimming, which countries are on the rise and which are collapsing, where you can make a million and where you could lose one. Every place he stopped on the trip, Rogers talked to businessmen, bankers, investors and regular people. He learned reams of information that you’d never learn from reading the financial pages of any periodical. Delivers a thrilling account of the journey of a lifetime and provides tips that would enable you to pay for a trip just like it.

Running With The Moon Motorbooks
