BMW owners workshop manual Cengage Learning

The Adventure Motorcycle Maintenance Manual is the definitive guide to keeping an adventure motorcycle running in the way it should. Written for the rider who wants to be self-reliant while on the road, the book takes the reader through a series of practical, hands-on techniques designed to keep the bike in peak riding condition. In the classic Haynes style, the book uses picture-led chapters and clear step-by-step instructions to demonstrate the skills needed for basic maintenance both at home and on the trail.

*BMW R nineT, Scrambler Pure, Racer & Urban '14-'17* Haynes Publishing

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.

Clymer BMW R1200 Twins, 2004-2009 Haynes Publications

A faithful reproduction of the 1967 Floyd Clymer publication of the official factory BMW (Bayerische Motoren Werke) Workshop Manual for the R50, R50S, R60 and R69S twin cylinder motorcycles. It also includes the supplement issued by the factory for the USA versions R50US, R60US and R69US. ---

There are exhaustive tables of technical data, tolerances and fits and all of the expected data from a factory publication for the repair and overhaul of all major and minor mechanical and electrical components, making it an invaluable resource for collectors and restorers of these classic BMW motorcycles. ---

There are 257 illustrations and each procedure is explained in a

---

step-by-step method using an appropriate illustration. The translation from German to English is, at times, a little quirky but the profuse illustrations make up for any difficulty in understanding what needs to be done! --- True to the original, this reproduction is published in four languages, English, German, French and Spanish making this a universal publication and required reading for any owner. Out-of-print and unavailable for many years, this book is highly sought after on the secondary market and we are pleased to be able to offer this reproduction as a service to all BMW enthusiasts worldwide.
