Within the following pages of this book, you will discover the compelling and sometimes tragically sad life of Leona. You will follow her through her school days and her first heart break. You will be with her family at the family ranch when people take refuge there when their little town is ravaged by fire at the hands of the masochistic arsonist that had been the mayor of Duddleyville for several years. You will watch Leona as she endures unbearable beatings and verbal abuse at the hands of the man that raped her, and then convicted her that no man would want her after she had been with him, so he strong armed her into marrying him and continued his abusive treatment of her even after the birth of their son. Watch as Leona gathers the strength to leave to escape the abuse in the middle of a blizzard, taking her infant son with her. Follow her through the years of raising her son as a single woman in fifties, while living in a small rural town in the central plains of the U.S. Share her life as she suffers tragedy and grief at the death of her only sibling. Fell the heart wrenching sadness she feels at being disowned by her loving father, as well as the joy she experiences when she admits she has fallen in love with Leonard, the caretaker that discovered her and her son so long ago when she escaped her husband. Take a step back in the time and follow Leona through her life, and watch how she develops the strength to overcome unbearable challenges that life puts her path to true love and happiness.

Elements of Writing Holt McDougal

This is a portrayal of two plebian families that lived far into the Appalachian Mountains. The fiery Jasper Burnine family, Caucasian, and The Moon Clan, Cherokee, were across from the other on Clear Creek. Surprisingly, they became close. The hot-tempered Burnines became bitter over the ill treatment of the Moon clan. The Moon, the ex-Cherokee warrior, became an enraged madman. Privately he declared war on those that came to molest his family. The intruders that couldn't escape his wrath were left as food for the buzzards and foxes. This book has a powerful story. It is fast paced, violent, romantic, bawdy, hard bitten, comical, and haunting. Life was hard in the mountains. Half the children died young. In the new nation there was little law enforcement, so each family stayed on guard. The time, 1790 to 1840 was a time of crisis for the new nation called the United States of America. Would it remain a nation? The British were lurking, waiting for an opening. The Cherokees, beaten in war, saw their land taken as white people came to settle the new continent. The Indians worried over this for years. Would they have to move across the big river to the new country?

**Cassell's Illustrated Family Paper** iUniverse

*Playing Companies and Commerce in Shakespeare's Time*, first published in 2011, examines the nature of commercial relations among the theatre companies in London during the time of Shakespeare. Roslyn Knutson argues that the playing companies cooperated in the adoption of business practices that would enable the theatrical enterprise to flourish. Suggesting the guild as a model of economic cooperation, Knutson considers the networks of fellowship among players, the marketing strategies of the repertory, and company relationships with playwrights and members of the book trade. The book challenges two entrenched views about theatrical commerce: that companies engaged in cut-throat rivalry to drive one another out of business and that companies based business decisions on the personal and professional quarrels of the players and dramatists with whom they worked. This important contribution to theatre history will be of interest to scholars as well as historians.

*A Woman Named Leona* Houghton Mifflin School

NEW YORK TIMES BESTSELLER AMAZON BEST BOOK OF THE YEAR Unlikely pig owners Steve and Derek got a whole lot more than they bargained for when the designer micro piglet they adopted turned out to be a full-sized 600-pound sow! This funny,

inspirational story shows how families really do come in all shapes and sizes. In the summer of 2012, Steve Jenkins was contacted by an old friend about adopting a micro piglet. Though he knew his partner Derek wouldn't be enthusiastic, he agreed to take the adorable little pig anyway, thinking he could care for her himself. Little did he know, that decision would change his and Derek's lives forever. It turned out there was nothing "micro" about Esther, and Steve and Derek had actually signed on to raise a full-sized commercial pig. Within three years, Tiny Esther grew to a whopping 600 pounds. After some real growing pains and a lot of pig-sized messes, it became clear that Esther needed much more space, so Steve and Derek made another life-changing decision: they bought a farm and opened the Happily Ever Esther Farm Sanctuary, where they could care for Esther and other animals in need. Funny, heartwarming, and utterly charming, ESTHER THE WONDER PIG follows Steve and Derek's adventure--from reluctant pig parents to farm-owning advocates for animals.

**Spoonbenders** Univ of California Press

For 100,000 years, mankind has been the supreme predator on the planet, and inside the enormous biosphere called Gaia Two, a killer is stalking and murdering the residents. But according to the laws of natural selection, it's only a matter of time before evolution spawns a predator that will prey upon us. On an isolated Pacific island, that time is now. Mythological dragons have arisen! The legend of Beowulf recounts the tale of a warrior who came to Heorot to save strangers. Beowulf was a forbidding killer welcome only because a voracious dragon was marauding for human prey. For the residents of Gaia Two, Bishop is their slayer of dragons, who insists on aggressively hunting down the dragons. His warnings are ignored however, and like Beowulf he knows the loneliness of the warrior who is merely tolerated during times of peace. Then Bishop is proved prophetic and events begin to go catastrophically wrong on the island. Last Refuge is an exhilarating eco-thriller about an isolated group of unsuspecting scientists fighting to survive the sudden emergence of a lethal predator heralding the planet's next cataclysmic extinction event, and perhaps the end of the human species. Now, we are the prey.

*The Art of Fire Emblem: Awakening* Dark Horse Comics

*Pigs, Pork, and Heartland Hogs* is an engaging celebration of the 12,000-year connection between humans and the world's most commonly consumed meat: pork. Throughout history, pigs shaped cultures and cuisines. Introduced into the Americas, they changed lives and, in time, helped define the Midwest, reflecting the region's diversity and abundance.

**Last Refuge** Oxford University Press

This critically acclaimed winner of the Newbery Medal joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Ever since May, Summer's aunt and good-as-a-mother for the past six years, died in the garden among her pole beans and carrots, life for Summer and her Uncle Ob has been as bleak as winter. Ob doesn't want to create his beautiful whirligigs anymore, and he and Summer have slipped into a sadness that they can't shake off. They need May in whatever form they can have her -- a message, a whisper, a sign that will tell them what to do next. When that sign comes, Summer with discover that she and Ob can keep missing May but still go on with their lives.

**Midwest Maize** Cambridge University Press

Explores the ways in which the character of tribal societies relate to the Malay kingdoms that have held power in the region for many centuries past, as well as to the modern nation-states of the region. It brings together researchers committed to comparative analysis of the tribal groups living on either side of the Malacca Straits.

*Hearings, Reports, Public Laws* Xlibris Corporation

*The Solitary Sphere in the Age of Virgil* uses an enriched tripartite model of Roman culture-touching not only the public and the private, but also the solitary-in order to present a radical re-interpretation of Latin literature and of the historical causes of this third sphere's relative invisibility in scholarship. By connecting *Cosmos* and *Imperium* to the Individual, the solitary sphere was not so much a way of avoiding politics, as a political education in itself. As re-imagined by literature in this age literature, this sphere was an essential space for the formation of the new Roman citizen of the Augustan revolution, and was behind many of the notable features of the literary revolution of Virgil's age: the expansion of the possibilities of the book of poetry, the birth of the literary cursus, new coordinations of cosmology and politics within strictly organized schemes, the attraction of first-person genres, and the subjective style. Through close readings of Cicero's late works and the oeuvres of Virgil, Horace, and Propertius and the works of other authors in the age of Virgil, *The Solitary Sphere* thus presents a revelatory reassessment of the classicism of classical Roman literature, and contributes to the study of pre-modern culture more generally, especially for

traditions that have taken antiquity as too fixed a point in their own literary, religious, and cultural histories.

*Propertius in Love* Oni Press

Long live the queen: The authors who brought you the New York Times bestselling *My Lady Jane* kick off an all-new historical trilogy with the classy, courtly tale of Mary, Queen of Scots. Welcome to Renaissance France, a place of poison and plots, of beauties and beasts, of mice and . . . queens? Mary is the queen of Scotland and the jewel of the French court. Except when she's a mouse. Yes, reader, Mary is an Eōian (shapeshifter) in a kingdom where Verities rule. It's a secret that could cost her a head—or a tail. Luckily, Mary has a confidant in her betrothed, Francis. But things at the gilded court take a treacherous turn after the king meets a suspicious end. Thrust onto the throne, Mary and Francis face a viper's nest of conspiracies, traps, and treason. And if Mary's secret is revealed, heads are bound to roll. With a royally clever sense of humor, Cynthia Hand, Brodi Ashton, and Jodi Meadows continue their campaign to turn history on its head in this YA fantasy that's perfect for fans of *A Gentleman's Guide to Vice and Virtue*.

*The Law Times Reports* Vintage

Here are twelve deeply moving short stories from the perceptive pen of Cynthia Rylant. Each captures the moment when someone's life changes -- when an animal causes a human being to see things in a different way, and, perhaps, changes his life.

Relive some of the most poignant moments of the game, or see what might have been if you had made different in-game decisions with the *Art of Fire Emblem Awakening*!

**My Contrary Mary** Rowman & Littlefield

Food historian Cynthia Clampitt pens the epic story of what happened when Mesoamerican farmers bred a nondescript grass into a staff of life so prolific, so protean, that it represents nothing less than one of humankind's greatest achievements. Blending history with expert reportage, she traces the disparate threads that have woven corn into the fabric of our diet, politics, economy, science, and cuisine. At the same time she explores its future as a source of energy and the foundation of seemingly limitless green technologies. The result is a bourbon-to-biofuels portrait of the astonishing plant that sustains the world.

**The Complete Poetical Works of Alexander Pope**

Cambridge University Press

A homeless boy who lives in an airport with his father, moving from terminal to terminal trying not to be noticed, is given hope when a trapped bird finally finds his freedom. Full-color illustrations.

*Playing Companies and Commerce in Shakespeare's Time* University of Illinois Press

These ardent, even obsessed, poems about erotic passion are among the brightest jewels in the crown of Latin literature. Written by Propertius, Rome's greatest poet of love, who was born around 50 b.c., a contemporary of Ovid, these elegies tell of Propertius' tormented relationship with a woman he calls "Cynthia." Their connection was sometimes blissful, more often agonizing, but as the poet came to recognize, it went beyond pride or shame to become the defining event of his life. Whether or not it was Propertius' explicit intention, these elegies extend our ideas of desire, and of the human condition itself.

**Good Words** Every Living Thing

The English court masque was one of the most extravagant and spectacular forms of entertainment ever produced, the most important period being between 1600 and 1640 when the writers included some of the best-known poets and dramatists of the age. This volume, first published in 1967, was the first selection of masques to be published in England in the twentieth century. It consists of fourteen masques, each specially edited with an

---

introduction and commentary by a different scholar, including Ben Jonson, James Shirley, Samuel Daniel, Thomas Campion, Francis Beaumont, William Browne, Thomas Middleton, Thomas Nabbes and William Davenant. Professor Gerald Eades Bentley examines the masque as Jonson conceived it and the clash that took place between Jonson and his collaborator as designer, Inigo Jones. There is also a final essay on the influence of the masque on the drama of the period. A group of 48 plates has been prepared many of them reproducing designs by Inigo Jones.
