Comparative Company Law Dearborn Real Estate  
Since April 2014, Secretarial Audit has become

mandatory under the Companies Act, 2013.

Subsequently, SEBI has also mandated Secretarial Audit for material subsidiaries of a listed Company and obtaining a Compliance Certificate for submission to Stock Exchange. Alongwith this, MGT 7 is also required to be certified by a Practising Company Secretary whereby he/she has to confirm comprehensive compliance of the concerned company. Therefore, there are hundreds of compliances which companies have to do in a financial year and giving such a comprehensive Compliance Certificate requires thorough knowledge, different perspective and techniques. This book covers the meaning, benefits, process, approach and entire scope of Secretarial Audit providing detailed checklists with respect to Companies Act, 2013, SEBI Regulations and FEMA Regulations which will be very useful for professionals not only while doing Secretarial Audit but also for routine certifications like MGT-7, MGT-8 or Compliance Certifications mandated under various laws. The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application.

The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

hope both to understand the overall framework of the law and grasp its practical application. This text's structure, now in its second edition, solves that dilemma. Chapters open with discursive analyses of the law in each of Germany, the UK and the US (Delaware, the ABA Model Business Corporation Act, and federal securities laws) and set out the high-level governing framework, particularly for the EU and its member states. This analysis is succinct and pointed, with numerous references to both the law and leading scholarship. The whole text is arranged to highlight comparative aspects. Diagrams are used where helpful. Chapters close with edited judicial decisions from at least two of the jurisdictions discussed, which allows fresh exploration of comparison in more detail, and pointed questions to guide class discussion.
