This publication gives an overview of all key aspects of

German labour and employment law as well as adjoining fields. Legal professionals with expert knowledge and many years of experience explain the legal basis of these aspects of German law, point out typical practical problems and suggest solutions to those problems. In addition, examples are given on how to best manage legal pitfalls to minimize risks. This book translates employment and labour law for foreign

in-house counsels and human resources managers at international companies and provides a clear understanding of the complex legal regulations in Germany. All three editors of the book, Dr. Jens Kirchner, Pascal R. Kremp and Michael Magotsch, are key legal professionals working at the Frankfurt office of DLA Piper, one of the largest legal services providers in the world (www.dlapiper.com), with national and multinational clients. Their experience includes the management of cross-border restructurings,

outsourcing and transfer of undertaking measures, as well as the management of national and multi-jurisdictional merger and acquisitions projects, including post-merger integration processes. The Journal of the Federal Home Loan Bank Board Juris Net Llc This first edition of 'Shareholders' Rights' provides essential reading for international corporate lawyers and general counsel. As European directives help develop and shape the harmonisation of the law and legal systems, access

to the latest information on a country-by-country basis is a must for international practitioners. This comparative guide collates information from leading international corporate lawyers from each of the 29 jurisdictions covered, providing law firms and general counsel with an insight into the key issues that arise. *The Pacific Reporter* LexisNexis Committee Serial No. 89-26. Since the publication
of the fourth edition
there have been
significant changes in
corporations law.
From a legislative
perspective, important
changes have also
been effected through
the passage of, inter

this period has been
marked by a
considerable number

of important cases pertaining to directors' liability arising out of, inter alia, high profile corporate collapses, including HIH and One.Tel. These cases have provided guidance as to the applicability of both statutory and equitable directors' duties, but also clarified the procedural and substantive law aspects of the penalties flowing from breaches of such duties.
