"Kinzie soars . . ." --Kirkus Reviews From top-selling author L E Kinzie comes her first collection of poems. Regardless of the subject matter, Kinzie's poetry reflects an unmatched ability to create works of palpable emotion. Kirkus Reviews agrees, saying Ignite is "a compilation of verse that's popular in the best sense of the word," and referring to it as "this sumptuous collection." Throughout the collection, readers will find remarkably relatable themes of daily life. Simply put, this book is for anyone who has ever felt and held any emotion so intensely it threatens to explode inward if not released through music, words, paint, or some other creation. It's for anyone who has marveled at how inner turmoil can be

expressed as something unspeakably beautiful. It's for anyone who has ever created anything and loved it. It's for anyone who has ever created anyone and loved him or her. Ignite examines the sparks that alight threads of commonality between mankind.

Paradoxically, as 1954 came to an end William Branham was not satisfied. He thought his supernatural gift should have

revolutionized the Christian world, broken down denominational barriers, and brought all Christians together in oneness of spirit, purpose and doctrine. It had not. He decided the reason for this failure was because many Christians did not understand the God they were trying to worship. To remedy this problem, Bill felt led to teach more doctrine in his evangelistic campaigns, explaining the fundamentals of the Christian faith. This decision produced some unexpected results. During 1955, attendance at his faith-healing campaigns declined sharply. Evidently, people welcomed miracles as long as they didn't have to change their own ideas. Some people felt he should concentrate on divine healing and leave the teaching to the pastors, or teachers who had more education.

BOOK ONE: THE BOY AND HIS DEPRIVATION (1909-1932) William Branham is one of the greatest healing evangelists in Church history. From the minute he was born, William Branham was set apart from the ordinary. Plagued by poverty and rejection, he became a nervous child. Unusual things kept happening to him, mystifying and spiritual things...but he did not start thinking about God until he was 14, when he nearly lost both legs in a shotgun accident. As he lay dying in a pool of blood, he saw a terrifying vision of hell - saw himself falling constantly deeper into that region of lost and drifting souls. He cried out to God for mercy and miraculously was given a second chance - a chance which later he almost failed to grasp. Why was he the only minister in town who saw visions? When God first called him into nation-wide evangelism in 1936, he refused, only to pay dearly for his mistake by losing his wife and daughter to tuberculosis. The visions continued. Ministers told him that these visions came from Satan. Desperation finally drove him to seek a supernatural being. The angel gave him a commission from God to take a gift of Divine healing to the peoples of the world. When William Branham questioned whether the people would believe an angel had really met him, the angel said he would be given two supernatural signs to prove his calling. Then they would have to believe. And believer they did!BOOK THREE: THE MAN AND HIS COMMISSION (1946-1950) Soon after the angel visited William Branham and told him he was ordained to take a gift of healing to the peoples of the world, the first sign appeared - a physical reaction in his hand that happened only when he touched the hand of someone suffering from a germ-caused disease. Within two months of his commission, William Branham's extraordinary gift had gained national attention. People by the

thousands flocked to his meetings, where he preached salvation and Diving healing in the Name of Jesus Christ. Miracles abounded. The world had not seen anything like it since the days when Jesus walked through Galilee, casting out demons and healing all who were sick and afflicted. Even so, some people still questioned whether an angel had really met this humble man. Then the second sign appeared...and they had to believe!
