This book will facilitate the understanding of cross-sectional anatomy details and assist radiation oncologists in the difficult task of a detailed delineation of lymph node targets in multiple anatomical locations.

Power Trains, Compact Equipment Independently Published

Did you know the name Jessica was first used in *The Merchant of Venice*? Or that Freud's idea of a healthy sex life came from Shakespeare? Nearly four hundred years after his death, Shakespeare permeates our everyday lives: from the words we speak to the teenage heartthrobs we worship to the political rhetoric spewed by the twenty-four-hour news cycle. In the pages of this wickedly clever little book, Esquire columnist Stephen Marche uncovers the hidden influence of Shakespeare in our culture, including these fascinating tidbits: Shakespeare coined over 1,700 words, including hobnob, glow, lackluster, and dawn. Paul Robeson's 1943 performance as Othello on Broadway was a seminal moment in black history. Tolstoy wrote an entire book about Shakespeare's failures as a writer. In 1936, the Nazi Party tried to claim Shakespeare as a Germanic writer. Without Shakespeare, the book titles *Infinite Jest*, *The Sound and the Fury*, and *Brave New World* wouldn't exist. Stephen Marche has cherry-picked the sweetest and most savory historical footnotes from Shakespeare's work and life to create this unique celebration of the greatest writer of all time.

Statement American Recycler

This compilation of poems is rolled out as one long poem which spans the journey of the spiritual growth of an adulterous woman in a nation spinning, while facing unspeakable adversity with grace and love. It also deals with individual spiritual growth and transferring love from a man to God, and also with National Politics in the USA and the threat of ISIS. It is not only poetry, but also draws influence from "Spoken Word" traditions. In the Afterword you will find a treasure of a Christian Testimony in the form of another Poem by Jamie Wyatt. "Dearest friends, for a long time I was in a place where my exterior circumstances controlled me internally, and I was miserable, not only because it wasn't I who had control, but also because those external circumstances were being imposed against my will, and like everyone else, I blamed it on our President (reminds me of Pink's song, "Mr. President," which was for a different Administration). Eventually, I started opening my mind to the possibility that if the good Lord had permitted so and so to happen, despite intercessory prayer, there was a reason for it and it was His Will. I still didn't like it; so, He opened up the heavens and showed me a little piece of His masterpiece here on earth- He let me see the grid and aliens and bad stuff too: I see ISIS for who they are. Then I realized, I'm just a little spec of sand on the map of time, in one universe, and if I could do some good to at least one other little spec of sand or two - that would probably be enough, and if there was some way the good Lord could use even my suffering and frustration, He would use it for at least my own benefit and someone else's. God is great and nothing is wasted! So no matter what you're going through, know that God will somehow turn it to good in due time. Relish the fight! But love will get you peace. Blessings, hugs and warm thoughts to you and yours! God bless us and God bless the USA!" -Audrey Andujar Wright

Being a hidden champion is like playing sports as Simon illustrates good and innovative basic work win the right instincts and enough courage to take risks but the book also shows that one player alone is rarely successful it is the team that makes a champion.

PRONOUNCING DICTIONARY OF AMERICAN ENGLISH

BOOK ONE: THE BOY AND HIS DEPRIVATION (1909-1932) William Branham is one of the greatest healing evangelists in Church history. From the minute he was born, William Branham was set apart from the ordinary.

Plagued by poverty and rejection, he became a nervous child. Unusual things kept happening to him, mystifying and spiritual things...but he did not start thinking about God until he was 14, when he nearly lost both legs in a shotgun accident. As he lay dying in a pool of blood, he saw a terrifying vision of hell - saw himself falling constantly deeper into that region of lost and drifting souls. He cried out to God for mercy and miraculously was given a second chance - a chance which later he almost failed to grasp. [Click Here To Purchase..](#)**BOOK TWO: THE YOUNG MAN AND HIS DESPERATION (1933-1946)** As a young pastor, William Branham struggled to understand his peculiar life. Why was he the only minister in town who saw visions? When God first called him into nation-wide evangelism in 1936, he refused, only to pay dearly for his mistake by losing his wife and daughter to tuberculosis. The visions continued. Ministers told him that these visions came from Satan.

Desperation finally drove him to seek a supernatural being. The angel gave him a commission from God to take a gift of Divine healing to the peoples of the world. When William Branham questioned whether the people would believe an angel had really met him, the angel said he would be given two supernatural signs to prove his calling. Then they would have to believe. And believer they did!**BOOK THREE: THE MAN AND HIS COMMISSION (1946-1950)** Soon after the angel visited William Branham and told him he was ordained to take a gift of healing to the peoples of the world, the first sign appeared - a physical reaction in his hand that happened only when he touched the hand of someone suffering from a germ-caused disease. Within two months of his commission, William Branham's extraordinary gift had gained national attention. People by the thousands flocked to his meetings, where he preached salvation and Diving healing in the Name of Jesus Christ. Miracles abounded. The world had not seen anything like it since the days when Jesus walked through Galilee, casting out demons and healing all who were sick and afflicted. Even so, some people still questioned whether an angel had really met this humble man. Then the second sign appeared...and they had to believe!
