Body and Soul (1981) - IMDb

In Body and Soul, Alondra Nelson combines careful research, deep political insight, and passionate commitment to tell the little-known story of the Black Panther Party's health activism in the late 1960s. In doing so, and in showing how the problems of poverty, discrimination, and access to medical care remain hauntingly similar more than forty years later, Nelson reminds us that the struggle continues, particularly for African Americans, and that social policies have profound moral ...
