MANUAL, but it did not shut the chance of other extra info and details in connection with the topic.

Sjap's 737 maintenance experience exchange

The majority of maintenance manuals are customised for a specific fleet, i.e. specific to a particular airline. That way Boeing only provides information that is applicable to those aircraft and even with a given manual you need to be able to filter on applicability to ensure that specific maintenance information is applicable to a specific aircraft.

Our training packages include the maintenance training manual, instructor presentation accessed through an interactive HTML curriculum, and student materials. Benefits. OEM material created by Boeing: content was designed by Boeing subject-matter experts with ultimate knowledge of the aircraft and its systems.
