Boeing 737-800 Procedure Checklist - Kennair

In 2005 Boeing took a big step and redesigned the entire Normal Procedures for all their Seattle models. This has created a major upheaval for airlines, training departments and pilots, but the belief is that it will be worth the effort. The following page describes the changes as applicable to the 737 and the reasons behind them. Chris Brady ...

Boeing 737 Ng Normal Checklist

Hi guys! Im wondering: Why is that difficult to get real documentation from real operators? Im trying to find a normal checklist for the 737. Sure, i find lots of them, but all made by someone. Most of them have missing items, or use a random flow, others are excessively verbose etc. I want to us...
