Mummies and Tombs

Henry Holt and Company (BYR)
The story goes...
Grandmama could hit the ball a mile, catch anything that was thrown,

and do everything else -- just like Josh Gibson. But unfortunately, no matter how well a girl growing up in the 1940s played the game of baseball, she would have faced tremendous challenges. These challenges are not unlike those met by the legendary Josh Gibson, arguably the best Negro-League player to never make it into the majors. In a

poignant tribute to anyone who's had a dream deferred, two-time Coretta Scott King Award-winning author Angela Johnson and celebrated artist Beth Peck offer up this reminder -- that the small steps made by each of us inspire us all.

Coteaching and cogenerative dialoguing are ways of learning to teach that truly bridge the gap between theory and praxis, as new teachers learn to

teach alongside peers and more experienced teachers. These practices are also means of overcoming teacher isolation and burnout. Through cogenerative dialogue sessions, new and experienced teachers, university supervisors, researchers, and administrators are able to create local theory for the purpose of improving teaching and learning. In this book, contributors from four countries report on how coteaching and cogenerative dialoguing worked in their situation.

Cultural Awareness - Resource Books for Teachers Peter Lang

This text offers a complete and precise explanation of the principles of nonverbal communication. The Fourth Edition continues to provide students with involving and interesting reading that explores how nonverbal behaviors can produce certain communication responses from others. This well-researched book offers conclusions about the research in

an easy-to-read and student-friendly style. The authors draw from a wide variety of disciplines and upon their vast experience as instructors, consultants, and corporate trainers to offer a unique blend of social scientific and humanistic approaches to the study of nonverbal behavior. Each chapter includes exercises, activities, self tests, or questionnaires that help students understand the actual and potential impact of nonverbal behaviors on communication. It also helps students build the skills they will need to become competent nonverbal communicators in today's global community.

In this book, Gattegno introduces The Silent Way as a solution to the challenges of teaching and learning foreign languages. He explains how to maximize learning through the use of materials and the selection of subject matter. He argues that students can learn a new language without memorizing vocabulary or repeating after the teacher. Instead, by learning through real-world linguistic situations, students can gain relevant experiences in the new language.

Teaching Social Studies to English Language Learners provides readers with

a comprehensive understanding of both the challenges that face English language learners (ELLs) and ways in which educators might address them in the social studies classroom. The authors offer context-specific strategies for the full range of the social studies curriculum, including geography, U.S. history, world history, economics, and government. These practical instructional strategies will effectively engage learners and can be incorporated as a regular part of instruction in any classroom. An annotated list of web and print resources completes the volume, making this a valuable reference to help social studies teachers

meet the challenges of including all learners in effective instruction. Features and updates to this new edition include:

- An updated and streamlined Part 1 provides an essential overview of ELL theory in a social studies specific-context.
- "Teaching Tips" offer helpful suggestions and ideas for creating and modifying lesson plans to be inclusive of ELLs.
- Additional practical examples and new pedagogical elements in Part 3 include more visuals, suggestions for harnessing new technologies, discussion questions, and reflection points.
- New material that takes into account the demands of the Common Core State Standards, as well as

updates to the web and print resources in Part 4.

Literacy

Instruction for English Language Learners turns hundreds of ELL studies into dozens of strategies for regular classroom instruction. Nancy Cloud, Fred Genesee, and Else Hamayan have examined the research evidence to determine what works for ELLs. They recommend best practices for teaching English learners to read and write from emergent literacy to primary school and on through middle school and include helpful features that make the research directly accessible

to all teachers.

Heinle ELT

Oldtown Folks

(1869) is a

historical novel by

Harriet Beecher

Stowe. Although

her career peaked

with the publication

of abolitionist novel

Uncle Tom's Cabin

(1852), Stowe

continued to work

as a professional

writer throughout

her life. A tale of

family, faith, and

perseverance,

Oldtown Folks

displays her

impressive

imaginative range

and admirable

moral outlook while

illuminating aspects

of early American

life that would

otherwise be

consigned to

history. After the

death of his father

and brother, Horace

Holyoke moves with

his mother to

Oldtown,

Massachusetts to

live with her family.

Staying at the home

of his grandfather

Jacob Badger, a

prominent

townsperson and

successful miller,

Horace listens to the

stories of local

religious figures,

workers, and

businesspeople who

gather in the Badger

family kitchen.

Meanwhile, Harry

and Tina Percival—a

young brother and

sister abandoned by

their father, a British

soldier who fled to

England after the

war—arrive in

Oldtown after

escaping abuse at

the hands of a foster

family. Taken in by

the Badgers, the

siblings befriend

Horace and slowly

adjust to life in a

loving home. One

Easter, the children

travel to Boston

with the local

minister's wife to

visit with the

wealthy Madame

Kittery, who takes

an interest in Harry

and Horace and

promises them,

should they do well

in school, that she

will pay for them

both to attend

Harvard.

Strengthened by the

love of their

community,

anchored by their

extended or adopted

families, the three

children grow up in

a nation brimming

with hope and meaningful change. Exploring religion, philosophy, and the value of education, Stowe's novel is a powerful portrait of postwar New England for children and adults alike. Followed three years later by *Oldtown Fireside Stories* (1872), *Oldtown Folks* is an underappreciated masterpiece from the author of *Uncle Tom's Cabin*, the most influential American novel of the nineteenth century. With a beautifully designed cover and professionally typeset manuscript, this edition of Harriet Beecher Stowe's *Oldtown*

Folks is a classic of American children's literature reimagined for modern readers. *The Texts in Elementary Classrooms* Turtleback The essential handbook for reading teachers, now aligned with the Common Core The Reading Teacher's Book of Lists is the definitive instructional resource for anyone who teaches reading or works in a K-12 English language arts-related field. Newly revised and ready for instant application, this top seller provides up-to-date reading, writing, and language content in more than 240 lists for developing targeted instruction, plus section briefs

linking content to research-based teaching practices. This new sixth edition includes a guide that maps the lists to specific Common Core standards for easy lesson planning, and features fifty brand-new lists on: academic and domain-specific vocabulary, foundation skills, rhyming words, second language development, context clues, and more. This edition also includes an expanded writing section that covers registers, signal and transition words, and writers' craft. Brimming with practical examples, key words, teaching ideas, and activities that can be used as-is or adapted to students' needs, these lists are ready to differentiate instruction for an

individual student, small-group, or planning multilevel instruction for your whole class. Reading is the center of all school curricula due to recent state and federal initiatives including rigorous standards and new assessments. This book allows you to skip years of curating content and dive right into the classroom armed with smart, relevant, and effective plans. Develop focused learning materials quickly and easily Create unit-specific Common Core aligned lesson plans Link classroom practice to key research in reading, language arts and learning Adapt ready-made ideas to any classroom or level It's more important than ever for students to

have access to quality literacy instruction. Timely, up to date, and distinctively smart, The Reading Teacher's Book of Lists should be on every English language arts teacher's desk, librarian's shelf, literacy coach's resource list, and reading professor's radar.

Spring is Here

National Geographic Books

Read and find out about the phases of the moon in this colorfully illustrated nonfiction picture book. This clear and appealing science book for early elementary age kids, both at home and in the classroom, introduces basic information about the moon. Have you noticed that the moon sometimes seems to

grow and shrink? Does it look like a big round ball? Or is it just a sliver of light in the sky? The moon seems to change. But it doesn't really. The moon revolves around the Earth. It takes about four weeks to make the journey, and as it travels around we can only see certain parts of it. Try the simple experiment described inside using an orange, a pencil, and a flashlight, and you'll understand why the moon seems to change. This is a Level 2 Let's-Read-and-Find-Out, which means the book explores more challenging concepts for children in the primary grades. The 100+ titles in this leading nonfiction series are: hands-on and visual acclaimed and trusted great for
