This successful text puts personality back into the personality course, integrating the classic insights of the personality theorists with modern research in a manner that will fascinate and captive students. Organized around eight basic aspects of personality-psychoanalytic, ego, biological, behaviorist, cognitive, trait, humanistic, and situational/interactionist-the text both explains the classic theories and also explores how the information applies to the student reader. The text presents a balanced, critical, yet optimistic approach. Personality encourages critical thinking about human nature. While holding the highest scientific standards, the text uses

unique and provocative pedagogical devices (see below) to capture students' interest and bring the field of personality to life. It has been hailed as the best-written and most relevant personality textbook in the field.

The lord of snark, Lawrence Dorfman, is back! With this treasury of backhanded compliments, sarcastic insults, and catty comebacks, Dorfman gives us transformative wisdom that 's sure to change your life—or at least induce a light chuckle. One question plagues us all: How do we survive all the Sturm und Drang of everyday life? The answer is but one word: snark. “ She wears her clothes as if they were thrown on by a pitchfork. ” —Jonathan Swift “ Why don ' t you get a haircut? You look like a chrysanthemum. ” —P. G. Wodehouse “ He ' s a mental midget with the IQ of a fence post. ” —Tom Waits “ They hardly make ' em like him anymore—but just to be on the safe side, he should be castrated anyway. ” —Hunter S. Thompson “ He has a Teflon brain . . . nothing sticks ” —Lily Tomlin “ He has no more backbone than a chocolate éclair. ” —Theodore Roosevelt

Snark will keep the wolves at bay (or at least out on the porch). Snark, much like a double scotch, will help you deal with relatives, shopping, and rudeness; it is an outlet for the unleashed vitriolic bile that ' s saved itself up over the months. Like a shield, it will protect you while you go about your life. Snark is your answer!

A Handbook of Alcohol Information Jossey-Bass

Raised with limited peer interaction, Ernestine St Bennett has difficulty interpreting social

cues. At twenty-five she's become a loner; a shy nerd immersed in her scientific studies, whose best friend is her pet fish, Waldo. Then Ernestine meets Simon Prime, who's obviously a nerd, too! Sympathizing with his social dysfunction, Ernie decides to help poor Simon increase his self-esteem and thus enhance his social standing. Using principles learned in her fish studies, she'll simply turn Simon from meek to macho. What Ernestine doesn't know (but Waldo suspects) is that Simon Prime is really ex-cop, private investigator Sam Pierce in disguise. A man who definitely doesn't need his masculinity enhanced!

The first book in the Sword-Dancer saga introduces the legendary adventures of Tiger and Del, magic wielders and skilled warriors. He was Tiger, born of the desert winds, raised as a slave and winning his freedom by weaving a special kind of magic with a warrior's skill. Now he was an almost legendary sword-dancer, ready to take on any challenge—if the price was right. She was Del, born of ice and storm, trained by the greatest of Northern sword masters. Now, her ritual training completed, and steeped in the special magic of her own runesword, she had come South in search of the young brother stolen five years before. But even Del could not master all the dangers of the deadly Punja alone. And meeting Del, Tiger could not turn back from the most intriguing challenge he'd ever faced—the challenge of a magical, mysterious sword-dancer of the North....

Teaching Content to All includes what every secondary teacher needs to know about instructing students with different learning needs. It helps secondary teachers understand academic diversity among students and then plan for and implement instruction that reaches all students.

The text addresses the unique challenges faced by secondary educators committed to inclusion and to meeting standards for all students. *Teaching Content to All* explains research-based teaching techniques and strategies based on understanding instructional goals rather than simply implementing isolated teaching tools. Examples are heavily oriented toward the content areas, and the planning and teaching routines it presents are easily adaptable across the curriculum by both general and special educators. The material can be adapted for the elementary grades.
