1001 Children's Books You Must Read Before You Grow Up is the perfect introduction to the very best books of childhood: those books that have a special place in the heart of every reader. It introduces a wonderfully rich world of literature to parents and their children, offering both new titles and much-loved classics that many generations have read and enjoyed. From wordless picture books and books introducing the first words and sounds of the alphabet through to hard-hitting and edgy teenage fiction, the titles featured in this book reflect the wealth of reading opportunities for children. Browsing the titles in 1001 Children's Books You Must Read Before You Grow Up will take you on a journey of discovery into fantasy, adventure, history, contemporary life, and much more. These books will enable you to travel to some of the most famous imaginary worlds such as Narnia, Middle Earth, and Hogwarts School. And the route taken may be pretty strange, too. You may fall down a rabbit hole, as Alice does on her way to Wonderland, or go through the back of a wardrobe to reach the snowy wastes of Narnia.

A Maine mom's culinary adventure in Paris turns into a crime-solving tour: "A delight from start to finish."—Suspense Magazine Lucy Stone is saying au revoir to Tinker's Cove, Maine, and bonjour to Paris to take in the sights, learn how to bake authentic French pastries, and experience some joie de vivre. But her dreams of la vie en rose are put on hold when the City of Lights turns deadly. When renowned pastry chef Larry Bruneau is discovered on death's doorstep and Lucy and her friends are detained for questioning, she's worried she'll be trading in her luxury accommodations for a sojourn in the Bastille. Now, if she's going to enjoy her vacation, she'll have to unpack her sleuthing skills and clear her name, in this novel in the "engaging cozy series" by the New York Times bestselling author (Publishers Weekly). "A delight from start to finish."—Suspense Magazine "Leslie Meier has created a town I'd like to live in and a sleuth I'd love to meet."—Jill Churchill, Agatha Award-winning author of the Jane Jeffry Mysteries

The films of the New French Extremity have been reviled by critics but adored by fans and filmmakers. Known for graphically brutal depictions of sex and violence, the subgenre emerged from the French art-house scene in the late 1990s and became a cult phenomenon, eventually merging into the horror genre where it became associated with American torture porn. Decidedly French in flavor, the films seek to reveal the dark side of French society. This book provides an in-depth study of New French Extremity, focusing on such films as *Trouble Every Day* (2001), *Irreversible* (2002), *Twentynine Palms* (2003), *High Tension* (2003) and *Martyrs* (2008). The author explores the social implications of cinematic cruelty presented not as "violent films" but as "films about violence."

The phenomenal New York Times bestseller that "explores the upstairs-downstairs goings-on of a posh Parisian apartment building" (Publishers Weekly). In an elegant hôtel particulier in Paris, Renée, the concierge, is all but invisible—short, plump, middle-aged, with bunions on her feet and an addiction to television soaps. Her only genuine attachment is to her cat, Leo. In short, she's everything society expects from a concierge at a bourgeois building in an upscale neighborhood. But Renée has a secret: She furtively, ferociously devours art, philosophy, music, and Japanese culture. With biting humor, she scrutinizes the lives of the tenants—her inferiors in every way except that of material wealth. Paloma is a twelve-year-old who lives on the fifth floor. Talented and precocious, she's come to terms with life's seeming futility and decided to end her own on her thirteenth birthday. Until then, she will continue hiding her extraordinary intelligence behind a mask of mediocrity, acting the part of an average pre-teen high on pop culture, a good but not outstanding student, an obedient if obstinate daughter. Paloma and Renée hide their true talents and finest qualities from a world they believe cannot or will not appreciate them. But after a wealthy Japanese man named Ozu arrives in the building, they will begin to recognize each other as kindred souls, in a novel that exalts the quiet victories of the inconspicuous among us, and "teaches philosophical lessons by shrewdly exposing rich secret lives hidden beneath conventional exteriors" (Kirkus Reviews). "The narrators' kinetic minds and engaging voices (in Alison Anderson's fluent translation) propel us ahead." —The New York Times Book Review "Barbery's sly wit . . . bestows lightness on the most ponderous cogitations." —The New Yorker

As the visual representation of an essentially oral text, Sylvia Huot points out, the medieval illuminated manuscript has a theatrical, performative quality. She perceives the tension between implied oral performance and real visual artifact as a fundamental aspect of thirteenth- and fourteenth-century poetics. In this generously illustrated volume, Huot examines manuscript texts both from the performance-oriented lyric tradition of *chanson courtoise*, or courtly love lyric, and from the self-consciously literary tradition of Old French narrative poetry. She demonstrates that the evolution of the lyrical romance and dit, narrative poems which incorporate thematic and rhetorical elements of the lyric, was responsible for a progressive redefinition of lyric poetry as a written medium and the emergence of an explicitly written literary tradition uniting lyric and narrative poetics. Huot first investigates the nature of the vernacular book in the thirteenth and fourteenth centuries, analyzing organization, page layout, rubrication, and illumination in a series of manuscripts. She then describes the relationship between poetics and manuscript format in specific texts, including works by widely read medieval authors such as Guillaume de Lorris, Jean de Meun, and Guillaume de Machaut, as well as by lesser-known writers including Nicole de Margival and Watriquet de Couvin. Huot focuses on the writers' characteristic modifications of lyric poetics; their use of writing and performance as theme; their treatment of the poet as singer or writer; and of the lady as implied reader or listener; and the ways in which

these features of the text were elaborated by scribes and illuminators. Her readings reveal how medieval poets and book-makers conceived their common project, and how they distinguished their respective roles.

Candide is the picaresque tale of the titular character's fantastical journey from an insular, idealized life in a picturesque castle through the difficulties and evils of the real world. Satirical, comical, witty, and cutting, *Candide* was widely banned in its day for containing blasphemous and seditious concepts. Despite that, it survived controversy to become an important book in the Western literary heritage. Today *Candide* remains a breezy and darkly funny read. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Young, attractive and very ambitious, George Duroy, known to his friends as Bel-Ami, is offered a job as a journalist on *La Vie française* and soon makes a great success of his new career. But he also comes face to face with the realities of the corrupt society in which he lives - the sleazy colleagues, the manipulative mistresses and wily financiers - and swiftly learns to become an arch-seducer, blackmailer and social climber in a world where love is only a means to an end. Written when Maupassant was at the height of his powers, *Bel-Ami* is a novel of great frankness and cynicism, but it is also infused with the sheer joy of life - depicting the scenes and characters of Paris in the belle époque with wit, sensitivity and humanity. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world.
