Do you feel overwhelmed by all the stuff in your home? Is your home office a messy file drawer of papers? Do you want to get organized, but you do not know where to start? This book will help you look at your stuff differently and put you on the right track to get organized and stay organized, so you can better enjoy life. We will consider the real value of our possessions. Is "real value" a dollar amount? Or the usefulness of the item? Or how it makes you feel? There are many ways to consider an item's value, none of them right or wrong. Everything is relative in terms of what is really important to you, whether it be your time, your space, or your stuff.

Real Value New Ways to Think About Your Time, Your Space & Your Stuff Robinson Franchising networks are experiencing great success in international business organization. Few books try to explain the characteristics of these networks. Contrary to the existing literature this book tackles more theoretical problems related to governance, organization, knowledge management, contract design, incentive and regulation issues both from the economic and management view point. It delivers new theoretical and empirical results regarding plural forms, contract design, and knowledge and strategic management issues. Its purpose is to offer researchers and practitioners new theoretical and empirical insights in one of the most important economic phenomenon at the beginning of the 21st century: Franchising networks as organizational arrangement for growth and internationalization of firms.

[The Comedy Film Nerds Guide to Movies](#) Rutgers University Press

"The Comedy Film Nerds Guide to Movies" brings what has been missing from movie discussion for too long: A healthy dose of humor. This is the first time ever two filmmakers who are also comedians give their views on film. It will bring movie discussion to a younger audience in a way they can relate to it without all the stodgy film school discussion. This is a movie book for film and comedy fans, by filmmakers and comedians. In the way that Jon Stewart and Bill Maher have brought comedy to politics, Chris and Graham will do this for film.

Fifty years (and five billion dollars in ticket sales) ago, the dashing Scottish actor Sean Connery declared suavely that he was "Bond, James Bond." Thus began a cinematic series unlike any other. In November 2012, Skyfall, the 23rd movie in what is seen as the authorized line of Bond films, will be released, with Daniel Craig (the sixth Bond) again in the lead role. The world will once more stream to the theaters for another dose of Bond. LIFE was on the scene in the swinging '60s when James Bond became a cultural icon (in fact, when we put the gold-painted actress Shirley Eaton on the cover in 1964, we helped him along), and now LIFE tells the whole story in this commemorative book. Ian Fleming, a high-ranking officer in British Naval Intelligence of World War II, dreamt up his MI6 spy, code number 007, in 1953, and a decade later, with Dr. No, From Russia With Love and then the smash Goldfinger, saw his creation take on a life entirely his own. All the fun of Bond is here: The movies; the reminiscences by the stars; the LIFE photo shoots; the knockoffs and spoofs ("The Man from U.N.C.L.E.;" "Get Smart;" "I Spy;" the first Casino Royale); the artifacts (a model of Bond's Aston Martin DB5 was one of the best-selling toy of 1965); the trivia and inside information on M, Q and Moneypenny--anything a Bond fan would want, packed into one book and then shaken, not stirred. James Bond was, back in the day, one of those cultural phenomena tailor-made for LIFE: It was bright and colorful and vibrant. Today, it still is. Happy birthday, and welcome back, Commander Bond.

[Bond's Franchise Guide 2007](#) American Library Association

The release of Skyfall in 2012 marked the fiftieth anniversary of the James Bond film franchise. It earned over one billion dollars in the worldwide box office and won two Academy Awards. Amid popular and critical acclaim, some have questioned the representation of women in the film. From an aging M to the limited role of the Bond Girl and the characterization of Miss Moneypenny as a defunct field agent, Skyfall develops the

legacy of Bond at the expense of women. Since Casino Royale (2006) and its sequels Quantum of Solace (2008) and Skyfall constitute a reboot of the franchise, it is time to question whether there is a place for women in the new world of James Bond and what role they will play in the future of series. This volume answers these questions by examining the role that women have historically played in the franchise, which greatly contributed to the international success of the films. This academic study constitutes the first book-length anthology on femininity and feminism in the Bond series. It covers all twenty-three Eon productions as well as the spoof Casino Royale (1967), considering a range of factors that have shaped the depiction of women in the franchise, including female characterization in Ian Fleming's novels; the vision of producer Albert R. Broccoli and other creative personnel; the influence of feminism; and broader trends in British and American film and television. The volume provides a timely look at women in the Bond franchise and offers new scholarly perspectives on the subject.

Have you ever been in a situation where you needed to defend yourself, or others, but just didn't have the right words to do so? Of course, a few hours later, when you replay the situation in your mind, the perfect response comes to you. "If I had only said that I would've been a hero!" Yes, we've all been there, and it's a helpless feeling because you know that the moment has passed for good. For all intents and purposes, you lost. In this book, you'll get a full breakdown of the ways to come right back to those individuals who are attempting to cut you down. You'll discover clever ways to instantly dominate any situation where another person is trying to insult you or your friends. You'll quickly become a master of the craft and be able to call upon these comebacks, or come up with your own using this proven formula, at any time. No more regrets, no more shoulda-coulda-wouldas. No more losing. Consider this comeback system as your compass that allows you to navigate the rough terrain we call social class and order. I wrote this book because you needed support from someone who has been there before. Know that I have a personal stake in this and have tapped back into my own childhood and current everyday life to try and understand both sides of this natural phenomenon. The defenseless need defending. The common person needs armor and weapons when it is their time to attack. You are my inspiration for this. Here's how it works: At the top of the page there will be a cut-down, directly below will be a brief insight into the cut-down, and at the bottom, there will be several different comebacks to the cut-down. The following pages will change your life for the better. The time for lying down is over. The time has come for a shift in power. It's time for a new hero-story to be written. Is it your time? Will you be that hero? It is yours for the taking if you are ready. Are you ready?
