Bone Collection Scholastic Inc.

The New York Times bestselling first novel in the Bone Season series, an epic fantasy about a young woman fighting to use her powers and stay alive in an England entirely different from our own. In 2059, Scion has taken over most of the world's cities, promising safety for all the citizens it deems worthy and wiping out clairvoyants wherever it can find them. Paige Mahoney, though, is a clairvoyant--and a criminal just for existing. Paige is determined to fight Scion's power, and as part of the Seven Seals, Paige has found a use for her powers: she scouts for information by breaking into others' minds as they dream. But when Paige is captured and arrested, she encounters a power more sinister even than Scion. The voyant prison is a separate city, controlled by a powerful, otherworldly race. These creatures, the Rephaim, value the voyants highly--as soldiers in their army. Paige is assigned to a Rephaite keeper, Warden, who will be in charge of her care and training. He is her master. Her natural enemy. But if she wants to regain her freedom, Paige will have to learn something of his mind and his own mysterious motives. The Bone Season

introduces a compelling heroine--a young woman learning to harness her powers in a world where everything has been taken from her. It also introduces an extraordinary young writer, with huge ambition and a teeming imagination. Samantha Shannon has created a bold new reality in this riveting debut.

An Instant Indie Bestseller! Sleeping Beauty meets Indiana Jones in this thrilling fairytale retelling for fans of Sorcery of Thorns and The Cruel Prince. Fi is a bookish treasure hunter with a knack for ruins and riddles, who definitely doesn't believe in true love. Shane is a tough-as-dirt girl warrior from the north who likes cracking skulls, pretty girls, and doing things her own way. Briar Rose is a prince under a sleeping curse, who's been waiting a hundred years for the kiss that will wake him. Cursed princes are nothing but ancient history to Fi--until she pricks her finger on a bone spindle while exploring a long-lost ruin. Now she's stuck with the spirit of Briar Rose until she and Shane can break the century-old curse on his kingdom. Dark magic, Witch Hunters, and bad exes all stand in her way--not to mention a mysterious witch who might wind up stealing Shane's heart, along with whatever else she's after. But nothing scares Fi more than the possibility of falling in love with Briar Rose. Set in a lush world inspired by beloved fairytales, The Bone Spindle is a fast-paced young adult fantasy full of adventure, romance, found family, and snark.

Bow Before Your Queen Or Bleed Before Her... From #1 New York Times bestselling author Jennifer L. Armentrout comes book three in her Blood and Ash series. She's been the victim and the survivor... Poppy never dreamed she would find the love she's found with Prince Casteel. She wants to revel in her happiness but first they must free his brother and find hers. It's a dangerous mission and one with far-reaching consequences neither dreamed of. Because Poppy is the Chosen, the Blessed. The true ruler of Atlantia. She carries the blood of the King of Gods within her. By right the crown and the kingdom are hers. The enemy and the warrior... Poppy has only ever wanted to

control her own life, not the lives of others, but now she must choose to either forsake her birthright or seize the gilded crown and become the Queen of Flesh and Fire. But as the kingdoms' dark sins and blood-drenched secrets finally unravel, a long-forgotten power rises to pose a genuine threat. And they will stop at nothing to ensure that the crown never sits upon Poppy's head. A lover and heartmate... But the greatest threat to them and to Atlantia is what awaits in the far west, where the Queen of Blood and Ash has her own plans, ones she has waited hundreds of years to carry out. Poppy and Casteel must consider the impossible—travel to the Lands of the Gods and wake the King himself. And as shocking secrets and the harshest betrayals come to light, and enemies emerge to threaten everything Poppy and Casteel have fought for, they will discover just how far they are willing to go for their people—and each other. And now she will become Queen...

From Publishers Weekly The nine-volume Bone graphic novel series was the toast of the comics world when it was published by Smith's own Cartoon Books beginning in the early 1990s; in this first volume of Scholastic's new edition, the original b&w art has been beautifully converted into color. Smith's epic concerns three blobby creatures who have stumbled into a valley full of monsters, magic, farmers, an exiled princess and a huge, cynical dragon.

The story is something like a Chuck Jones version of The Lord of the Rings: hilarious and action-packed, but rarely losing track of its darker subtext about power and evil. This volume is the most lighthearted of the bunch, though, featuring some of the wittiest writing of any children's literature in recent memory--a few of Smith's gags are so delicious that he repeated them for the rest of the series. It also introduces the Bone cast's unforgettable supporting characters: the leathery, tough-as-nails, racing-cow-breeding Gran'ma Ben; the carnivorous but quiche-loving "rat creatures"; a spunky trio of baby opossums; and Ted the Bug, whose minimalist appearance (a tiny semicircle) exemplifies Smith's gift for less-is-more cartooning. The way his clear-lined, exaggerated characters contrast with their subtle, detailed backgrounds is a product of his background in animation, and so is his mastery of camera angles and choreography. This is first-class kid lit: exciting, funny, scary and resonant enough that it will stick with readers for a long time. The Bone Collection includes all nine books from Jeff Smith's incredible graphic novel series. Bone #01: Out From Boneville Bone #02: The Great Cow Race Bone #03: Eyes of the Storm Bone #04: Dragonslayer Bone #05: Rock Jaw: Master of the Eastern Border Bone #06: Old Man's Cave Bone #07: Ghost Circles Bone #08: Treasure Hunters Bone #09: Crown of Horns

First with his magisterial fantasy Bone to his mind-bending, time-warping sci-fi noir RASL, Paleolithic-set fantasy Tüki: Save the Humans, arthouse-styled superheroic miniseries Shazam!, and his latest children's book Smiley's Dream Book, Jeff Smith (b. 1960) has made an indelible mark on the comics industry. As a child, Smith was drawn to Charles Schulz's Peanuts, Carl Barks's Donald Duck, and Walt Kelly's Pogo, and he began the daily practice of drawing his own stories. After writing his regular strip Thorn for The Ohio State University's student paper, Smith worked in animation before creating, writing, and illustrating his runaway success, Bone. A comedic fantasy epic, Bone focuses on the Bone cousins, white, bald cartoon characters run out of their hometown, lost in a distant, mysterious valley. The self-published series ran from 1991 to 2004 and won numerous awards, including ten Eisner Awards. This career-spanning collection of interviews, ranging from 1999 to 2017, enables readers to follow along with Smith's development as an independent creator, writer, and illustrator.

Crown of Horns Turtleback

For the youngest fans of the bestselling graphic novel series BONE, Jeff Smith has created two hilarious tales to delight beginning readers. In Finders Keepers, the Bone cousins find a coin -- finders keepers! -- but the boys can't agree on how to spend it. Fone Bone wants an apple and bananas they can share. Smiley Bone wants an ice cream cone with a pickle on top. And Phoney Bone wants to build a giant statue... of himself! Whose idea will win out? In Smiley's Dream Book, Smiley Bone walks through the woods on a beautiful morning. During his journey, he meets a flock of friendly and playful birds. Smiley is having such a good time that he must find a fantastical way to keep up with his new friends as they soar into the big, blue sky. These wonderfully funny tales, told with lively artwork and expressive word balloons, will engage young readers like the best Sunday comics.
