Tanya Bigelow was a solemn little girl when Dr. Alex Delaware successfully treated her obsessive-compulsive symptoms. Now, at nineteen, Tanya returns with a curious request: that Delaware investigate her aunt’s deathbed confession of murder. While Delaware doubts that Patty Bigelow was capable of such a horrific act, he agrees to look into the

matter. Armed with only the vaguest details, Delaware and LAPD detective Milo Sturgis retrace Patty’s and Tanya’s nomadic and increasingly puzzling life. Then a very real murder tears open a terrifying tunnel into the past, where secrets—and bodies—are buried. As the tension mounts, Delaware and Sturgis uncover a tangled history of desperation, vengeance, and death—a legacy of evil that refuses to die. Praise for *Obsession*

Genealogy of the Descendants of John Eliot, "apostle to the Indians," 1598-1905
Ballantine Books

Psychologist-detective Dr. Alex Delaware finds terror in the heart of paradise in this relentlessly sinister novel by America’s premier writer of psychological suspense. Three months in paradise,

all expenses paid. It's an invitation Alex Delaware can't refuse. Dr. Woodrow Wilson Moreland, a revered scientist and philanthropist on the tiny Pacific island of Aruk, has invited Alex to his home to help him organize his papers for publication--a light workload leaving Alex plenty of time to enjoy a romantic interlude with Robin Castagna. Quickly, however, secretive houseguests, frightening nocturnal visitors, and the elusive Dr. Moreland himself dim the pleasures of deep blue water and white sand.

The cases Moreland chooses to share--a patient driven to madness by a cruel, unspeakable act; a man who succumbed forty years ago to radiation poisoning after a nuclear blast; a young woman, brutally murdered, whose mutilated body was found on the beach just six months before--seem unconnected. And yet Alex can't help wondering what the good doctor is trying to tell him... and what Moreland's real reason for inviting him to Aruk is. As Alex probes--with a little long-distance help from his friend LAPD detective Milo Sturgis--he comes to believe the answer lies hidden somewhere on Moreland's vast estate. Yet when he finally discovers the truth, the revelation will be more shocking than he could have imagined. And it will come too late to stem the tide of violence that threatens guilty and innocent alike on the lovely lost island of Aruk. With his brilliant characterizations and rapid-fire pace, Jonathan Kellerman has redefined the boundaries of suspense, probing real-life horrors and

innermost fears in a novel that transfixes from first page to last.

Pre-Incident Indicators of Terrorist Incidents Ballantine Books

Internationally bestselling husband and wife Jonathan and Faye Kellerman team up for a powerful one-two punch with *Capital Crimes*, a gripping pair of original crime thrillers. *MY SISTER'S KEEPER: BERKELEY* Some of progressive state representative Davida Grayson's views have made her unpopular. Although her

foes are numerous no one suspects that any buttons Davida might push could evoke deadly force. But now Davida lies brutally murdered in her office, and Berkeley homicide detectives Will Barnes and Amanda Isis must unravel Davida's complex, before the killer pulls off a repeat performance. **MUSIC CITY BREAKDOWN: NASHVILLE** Baker Southerby was a child prodigy performer. But something leads him to become a Nashville cop. His partner, Lamar Van Gundy, is a would-

be studio bassist who earned himself a detective's badge. As part of Nashville PD's elite Murder Squad, they catch a homicide that's high-profile even for a city where musical celebrity is routine. *Capital Crimes* is page-turning, psychologically resonant suspense – just what we've come to expect from two of the world's most successful crime writers.

Private Eyes Bantam
NEW YORK TIMES BESTSELLER Troy Turner and Rand Duchay were barely teenagers when they murdered a younger child. While Troy died

violently behind bars, the hulking, slow-witted Rand managed to survive his stretch. Now, at age twenty-one, he's emerged a haunted, rootless man with a pressing need: to talk—once again—with psychologist Alex Delaware. But when Rand's life comes to a brutal end, his words die with him. LAPD homicide detective Milo Sturgis suspects that either karma or revenge caught up with Rand, but Delaware's suspicions run darker. As Delaware and Sturgis retrace their steps through a grisly murder case that devastated a community, they discover madness, suicide, and even uglier truths waiting to be unearthed. And the nearer they come to understanding an

unspeakable crime, the more harrowingly close they get to unmasking a monster hiding in plain sight. BONUS: This edition contains an excerpt from Jonathan Kellerman's *Guilt*.

in order to catch a
serial killer.

Perfect for fans of Harlan Coben and Linwood Barclay. 'Kellerman always writes intelligently, treading with compassion and understanding through the minefield of the human psyche' - Harpers & Queen A woman's body is found in marshland outside LA. By the next morning the police have discovered the decaying corpses of three more women. They were all prostitutes except for the most recent victim; a classically trained pianist employed by a wealthy family, Selena Bass seems out of place in the grim tableau. Psychologist Alex Delaware is drafted in by homicide detective Milo Sturgis to help with the case. Details of the crimes suggest a serial killer is prowling LA's gritty streets. But when a new murder deviates from the pattern, derailing a possible profile, Alex and Milo must look beyond the suspicion of madness... and consider an even more sinister mind at work. There are no easy answers,

for the darkest of drives and desires will fuel the most devious of foes. What readers are saying about *Bones*: 'Always [with] a twist, a compelling read' 'I couldn't put it down' 'Five stars'

Detective Peter
Decker of the LAPD is

stunned when he gets the report. Someone has shattered the sanctuary of a remote yeshiva community in the California hills with an unimaginable crime. One of the women was brutally raped as she returned from the mikvah, the bathhouse where the cleansing ritual is performed. The crime was called in by Rina Lazarus, and Decker is relieved to discover that she is a calm and

intelligent witness. She is also the only one in the sheltered community willing to speak of this unspeakable violation. As Rina tries to steer Decker through the maze of religious laws, the two grow closer. But before they get to the bottom of this horrendous crime, revelations come to light that are so shocking, they threaten to come between the hard-

nosed cop and the deeply religious woman with whom he has become irrevocably linked. The Murder Book Ballantine Books

Fifty years ago, when she was five, Sister Mary Katherine witnessed something terrible . . . A former Seattle policeman now working for the Washington State Attorney's

Special Homicide Investigation Team, J.P. Beaumont has been hand-picked to lead the investigation into a half-century-old murder. An eyewitness to the crime, a middle-aged nun, has now recalled grisly, forgotten details while undergoing hypnotherapy. It's a case as cold as the grave, and it's running headlong into another that's tearing at Beau's

heart: the vicious slaying of his former partner's ex-wife. What's worse, his rapidly unraveling friend is the prime suspect. Caught in the middle of a lethal conspiracy that spans two generations and a killing that hits too close to home -- targeted by a vengeful adversary and tempted by a potential romance that threatens to reawaken his personal

demons -- Beaumont may suddenly have more on his plate than he can handle, and far too much to survive.

When the Bough Breaks
Harper Collins
L.A. psychologist-detective Alex Delaware has received a strange, anonymous package in the mail. Inside is an album filled with gruesome crime-scene photos. When his old friend and colleague, homicide detective

Milo Sturgis, views the compendium of death, he is immediately shaken by one of the images: a young woman tortured, strangled, and dumped near a freeway ramp. The murder was one of Milo's first cases as a rookie homicide cop: a vicious killing that he failed to solve—and has haunted him ever since. Now, two decades later, someone has chosen to stir up the past. As Alex and Milo set out to uncover what really happened twenty years ago, their relentless investigation reaches deep into L.A.'s nerve centers of power and wealth—past and present. While peeling back layer after layer of ugly secrets, they discover that the murder of one forgotten girl has ramifications that extend far beyond the tragic loss of a single life.
