Bones Step Into Reading Step

Step Into Reading - Bones

The "Step Into Reading" series provides readers of all levels with engaging books appropriate for their reading skill. Step 1 books are geared towards children who know the alphabet and want to begin reading. Step 2 readers hold short, simple sentences and focus on beginning

phonics skills as young children read and sound out words with help. In Step 3, stories are a little longer with fun characters and easy plots to satisfy children reading by themselves.

How many bones are there in the human body? Which bone is the longest? Or the smallest? Without bones, you would be a blob, like a jellyfish or a worm. Our bones support us and protect our insides. They work together with our muscles to allow us to do all the things we do! So when you think of your bones, say "Thank you!" This simple Step 2 introduction teaches young readers these facts and ...
