A captivating novel about an immigrant Vietnamese family who settles in New Orleans and struggles to remain connected to one another as their lives are inextricably reshaped. This stunning debut is "vast in scale and ambition, while luscious and inviting ... in its intimacy" (The New York Times Book Review). When Huong arrives in New Orleans with her two young sons, she is jobless, homeless, and worried about her husband, Cong, who remains in Vietnam. As she and her boys begin to settle in to life in America, she continues to send letters and tapes back to Cong, hopeful that they will be reunited and her children will grow up with a father. But with time, Huong realizes she will never see her husband again. While she attempts to come to terms with this loss, her sons, Tuan and Binh, grow up in their absent father's shadow, haunted by a man and a country trapped in their memories and imaginations. As they push forward, the three adapt to life in America in different ways: Huong gets involved with a Vietnamese car salesman who is also new in town; Tuan tries to connect with his heritage by joining a local Vietnamese gang; and Binh, now going by Ben, embraces his adopted homeland and his burgeoning sexuality. Their search for identity--as individuals and as a family--threatens to tear them apart, until disaster strikes the city they now call home and they are suddenly forced to find a new way to come together and honor the ties that bind them.

Eva Traube Abrams, a semiretired librarian in Florida, is at the returns desk one morning when her eyes lock on to a photograph in a newspaper nearby. She freezes; it's an image of a book she hasn't seen in sixty-five years--a book she recognizes as the Book of Lost Names. The accompanying article describes the looting of libraries across Europe by the Nazis during World War II--an experience Eva remembers all too well. As a graduate student in 1942, Eva was

forced to flee Paris after the arrest of her father, a Polish Jew. Finding refuge in a small mountain town in the Free Zone, she begins forging identity documents for Jewish children fleeing to neutral Switzerland. But erasing people comes with a price, and along with a mysterious, handsome forger named R é my, Eva decides she must find a way to preserve the real names of the children who are too young to remmeber who they really are. The records they keep in the Book of Last Names will become even more vital when the Resistance cell they work with is betrayed and R é my disappears. As the Germans close in, Eva records a last, vital message in the book. Decades later, does she have the strength to seek out its answer--and help reunite those lost during the war?

NATIONAL BESTSELLER • NEW YORK TIMES EDITORS ’ CHOICE • An enduring account of joy and sorrow from one of the great writers of our time, The New Yorker ’ s Kathryn Schulz, winner of the Pulitzer Prize “ I will stake my reputation on you being blown away by Lost & Found. It is brilliant and profound and charming, all at once. ” —Anne Lamott, author of Dusk, Night, Dawn and Bird by Bird ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Oprah Daily, The Washington Post, Vogue, Los Angeles Times, The Philadelphia Inquirer, BuzzFeed, Esquire, Chicago Review of Books, Town & Country, Electric Lit, The Millions, Lambda Literary, The Rumpus, Lit Hub, The Week, Kirkus Reviews Eighteen months before Kathryn Schulz ’ s beloved father died, she met the woman she would marry. In Lost & Found, she weaves the stories of those relationships into a brilliant exploration of how all our lives are shaped by loss and discovery—from the maddening disappearance of everyday objects to the sweeping devastations of war, pandemic, and natural disaster; from finding new planets to falling in love. Three very different American families form the heart of Lost & Found: the one that made Schulz ’ s father, a charming, brilliant, absentminded Jewish refugee; the one that made her partner, an equally brilliant farmer ’ s daughter and devout Christian; and the one she herself makes through marriage. But Schulz is also attentive to other, more universal kinds of conjunction: how private happiness can coexist with global catastrophe, how we get irritated with those we adore, how love and loss are themselves unavoidably inseparable. The resulting book is part memoir, part guidebook to living in a world that is simultaneously full of wonder and joy and wretchedness and suffering—a world that always demands both our gratitude and our grief. A staff writer at The New Yorker and winner of the Pulitzer Prize, Kathryn Schulz writes with curiosity, tenderness, erudition, and wit about our finite yet infinitely complicated lives. Crafted with the emotional clarity of C. S. Lewis and the intellectual force of Susan Sontag, Lost & Found is an uncommon book about common experiences.
