This volume--the work of a lifetime--brings together all the Joseph Smith Translation manuscript in a remarkable and useful way. Now, for the first time, readers can take a careful look at the complete text, along with photos of several actual manuscript pages. The book contains a typographic transcription of all the original manuscripts, unedited and preserved exactly as dictated by the Prophet Joseph and recorded by his scribes. In addition, this volume features essays on the background, doctrinal contributions, and editorial procedures involved in the Joseph Smith Translation, as well as the history of the manuscripts since Joseph Smith's day.

[1840 Book of Mormon](#) Shadow Mountain

Mark Twain once derided the Book of Mormon as "chloroform in print." Long and complicated, written in the language of the King James version of the Bible, it boggles the minds of many. Yet it is unquestionably one of the most influential books ever written. With over 140 million copies in print, it is a central text of one of the largest and fastest-growing faiths in the world. And, Grant Hardy shows, it's far from the coma-inducing doorstep caricatured by Twain. In *Understanding the Book of Mormon*, Hardy offers the first comprehensive analysis of the work's narrative structure in its 180 year history. Unlike virtually all other recent world scriptures, the Book of Mormon presents itself as an integrated narrative rather than a series of doctrinal expositions, moral injunctions, or devotional hymns. Hardy takes readers through its characters, events, and ideas, as he explores the story and its messages. He identifies the book's literary techniques, such as characterization, embedded documents, allusions, and parallel narratives. Whether Joseph Smith is regarded as author or translator, it's noteworthy that he never speaks in his own voice; rather, he mediates nearly everything through the narrators Nephi, Mormon, and Moroni. Hardy shows how each has a distinctive voice, and all are woven into an integral whole. As with any scripture, the contending views of the Book of Mormon can seem irreconcilable. For believers, it is an actual historical document, transmitted from ancient America. For nonbelievers, it is the work of a nineteenth-century farmer from upstate New York. Hardy transcends this intractable conflict by offering a literary approach, one appropriate to both history and fiction. Regardless of whether readers are interested in American history, literature, comparative religion, or even salvation, he writes, the book can best be read if we examine the text on its own terms.

[The Book of Mormon](#) Deseret Book

Taylor G. Petrey's trenchant history takes a landmark step forward in documenting and theorizing about Latter-day Saints (LDS) teachings on gender, sexual difference, and marriage. Drawing on deep archival research, Petrey situates LDS doctrines in gender theory and American religious history since World War II. His challenging conclusion is that Mormonism is conflicted between ontologies of gender essentialism and gender fluidity, illustrating a broader tension in the history of sexuality in modernity itself. As Petrey details, LDS leaders have embraced the idea of fixed identities representing a natural and divine order, but their teachings also acknowledge that sexual difference is persistently contingent and unstable. While queer theorists have built an ethics and politics based on celebrating such sexual fluidity, LDS leaders view it as a source of anxiety and a tool for the shaping of a heterosexual social order. Through public preaching and teaching, the deployment of psychological approaches to "cure" homosexuality, and political activism against equal rights for women and same-sex marriage, Mormon leaders hoped to manage sexuality and faith for those who have strayed from heteronormativity.

The Doctrine and Covenants Oxford University Press

The First Presidency and the Quorum of the Twelve Apostles have established the Teachings of Presidents of the Church series to help you deepen your understanding of the restored gospel and draw closer to the Lord through the teachings of latter-day prophets. As the Church adds volumes to this series, you will build a collection of gospel reference books for your home. This book features the teachings of President Spencer W. Kimball, who served as President of The Church of Jesus Christ of Latter-day Saints from December 30, 1973, to November 5, 1985.

[Joseph Smith's New Translation of the Bible](#) University of Illinois Press

Introducing a major new doctrinal work written by Elder Jeffrey R. Holland who shares his apostolic witness of the central figure of the Book of Mormon--the Lord Jesus Christ. For most of a decade, Elder Holland has read the Book of Mormon repeatedly and thoroughly, focusing on all references to the Savior and his teachings. The result is an intelligent observation and thorough study of the Book of Mormon's contribution to our understanding of Christ. On the illustrated edition: Elder Holland's classic examination of Jesus Christ as the "principal and commanding figure" in the Book of Mormon is now available as an illustrated keepsake. This landmark book explores what the Book of Mormon reveals about the character, attributes, and mission of our Savior. In his warm and thoughtful style, Elder Holland explains why, more than any other book, the Book

of Mormon "has taught me to love the Lord Jesus Christ and to consider the full wonder and grandeur, the eternally resonating power of the atoning sacrifice he made for us." Stunning full-color illustrations by Walter Rane, Robert Barrett, Simon Dewey, Joseph Brickey, and others bring vibrant new life to this beloved volume.

By the Hand of Mormon Publitho

Regarded as sacred scripture by millions, the Book of Mormon -- first published in 1830 -- is one of the most significant documents in American religious history. This new reader-friendly version reformats the complete, unchanged 1920 text in the manner of modern translations of the Bible, with paragraphs, quotations marks, poetic forms, topical headings, multichapter headings, indentation of quoted documents, italicized reworkings of biblical prophecies, and minimized verse numbers. It also features a hypothetical map based on internal references, an essay on Book of Mormon poetry, a full glossary of names, genealogical charts, a basic bibliography of Mormon and non-Mormon scholarship, a chronology of the translation, eyewitness accounts of the gold plates, and information regarding the lost 116 pages and significant changes in the text. The Book of Mormon claims to be the product of three historical interactions: the writings of the original ancient American authors, the editing of the fourth-century prophet Mormon, and the translation of Joseph Smith. The editorial aids and footnotes in this edition integrate all three perspectives and provide readers with a clear guide through this complicated text. New readers will find the story accessible and intelligible; Mormons will gain fresh insights from familiar verses seen in a broader narrative context. This is the first time the Book of Mormon has been published with quotation marks, select variant readings, and the testimonies of women involved in the translation process. It is also the first return to a paragraphed format since versification was added in 1879.

The Book of Mormon Study Guide Franklin Classics Trade Press

When Joseph Smith presented the Book of Mormon for sale in early 1830, questions surfaced immediately regarding its claim to be an ancient history of America. In this ten-essay compilation, scholars outline the broad contours of contemporary research bearing on this question. Drawing from a variety of disciplines, contributors discuss historicity from the standpoint of physical and cultural anthropology, geography, linguistics, demographics, literary forms, liturgical context, theology, and evolution of the original manuscript to published work. The message of the Book of Mormon is one of socio-economic equality and divine intervention. That message can be obscured by people who revere it as an icon and proof-text rather than read it for understanding. Furthermore, attempts to make the book safe for Sunday school audiences can gloss over context. Returning to a nineteenth-century understanding restores the book's spiritual rather than symbolic importance. By asking hard questions, contributors modify, even transform, previous theories regarding the nature of LDS scripture. Still, through painstaking research, they share a wealth of fresh perspectives and offer an array of new directions for future investigation.

The Book Of Mormon: Another Testament Of Jesus Christ Anchor

The Purpose of this two volume series is to make easily available selections from lectures transcribed and published in four volumes as Teachings of the Book of Mormon by Hugh W. Nibley, Professor at Brigham Young University. The Editor text scanned all four volumes of the series to about half the original by eliminating those portions the Editor felt not necessary to the verses under discussion. No other changes were made to the original Nibley four volumes. Readers of the Book of Mormon will benefit from Hugh Nibley's extensive historical and linguistic background from a lifetime of study of ancient documents. The Editor has made an effort to provide full scripture references at the beginning of each paragraph which were not available in the original editions by Hugh Nibley. These references will be helpful to students and teachers of the Book of Mormon. The numbers at the beginning of each paragraph refer to the page number of the First Edition of each of the four volumes and will alert the reader to where omissions may be found in the original four volumes. The Editor has expanded most chapter topic summaries as shown in brackets. Proceeds from this book will be donated to Project Sprouts (www.project-sprouts.com) which is operated by Mondoro Company Ltd which designs and manufactures furniture and accessories in Asia

Commentary of the Book of Mormon Deseret Book Company

Where does one go to learn more about Book of Mormon studies? For those who do not regularly engage with scholarship, it's hard to know how to begin. Currently there's no general guide to Book of Mormon scholarship available to the public. Given all that's happened in the last few decades- and especially all that's happening right now-in Book of Mormon studies, this situation needs to be remedied. This introduction breaks down Book of Mormon studies, from its history to the obstacles that will need to be overcome as it moves forward. Additionally, this introduction provides readers with resources that they can turn to for further information on Book of Mormon studies.

[A Story of Violent Faith](#) Amwaaw Lc

This 1830, 1st Edition Book of Mormon is unique in that it contains an original Index; a Cross Reference to current LDS versification; modern day photos of significant Book of Mormon historical sites; and early revelations pertaining to The Book of Mormon.

[Helping Children to Love the Scriptures](#) Cedar Fort

Imagine Jerusalem around 600 BC, the world of Lehi, Sariah, Laban, Zoram, Josiah, and Jeremiah. How did people live? What motivated them? And what eventually destroyed their city? The answers to such questions foster better understanding of the prophetic words of Lehi, Nephi, and Jacob in the Book of Mormon. Much of that era was lost forever when Jerusalem met its prophesied fate and was destroyed by the Babylonians. The Temple of Solomon and the city walls were torn down, buildings burned, treasuries looted, people killed or deported, records lost or destroyed, and certain religious beliefs changed or extinguished. Glimpses of Lehi's Jerusalem offers modern readers a vivid look at revealing events in a crucial quarter century in world history.

Joseph Smith Shadow Mountain

If you have a hard time organizing your notes during scripture study, this journal will certainly help. Each page of this journal/notebook represents a chapter in the Book of Mormon. Whether you want to take notes at church during Gospel Doctrine Class or at home while you study Come Follow Me, you will be able to add notes to this journal specific to the chapter and verse you are studying. Use this journal to refer to previous notes, time after time, as you continually study the Book of Mormon. In order to keep the journal relatively small in size, we have split the Book of Mormon into two volumes. The first book covers 1 Nephi through Mosiah while the section book covers Alma through Moroni. We have created this journal in a full notebook size (8.5 by 11.0 inches) because we want to provide you plenty of room to take notes. Any size smaller and we worry you might run out of space on some chapters. Book Details: 57 pages front and back Each page is for a different chapter in the Book of Mormon Each page is split to allow you to reference the verse on the left side of the page and make your notes and comments on the right side of the page Designed on strong sturdy paper to prevent bleed through when writing with pen Dimensions: 8.5 by 11.0 inches Additional blank pages in the back of the book for additional notes if necessary Be sure to order both editions of the Book of Mormon Study Journal as you study the Book of Mormon in your scripture study this year. Having all your study notes in one place has never been easier. If you are studying Church History and the Doctrine and Covenants sometime soon, be sure to find our Doctrine & Covenants Study Journal on Amazon. We have one volume covering church history that takes you through all 138 sections of the Doctrine and Covenants and the Pearl of Great Price. Pick up the Doctrine & Covenants Study Journals the next time you are studying the History of the Church.
